**The Promises We Made** - Rohan Jain 2020-12-08

Raj can't believe his luck when he gets selected for a summer internship in Switzerland. He had always dreamed of travelling, and this was his chance to explore the world. During this internship, he crosses paths with Sofia, a German student studying in Switzerland. Little did he know that this chance encounter will alter the course of his life forever. Raj finds himself falling in love with Sofia. But as their time together in Switzerland nears an end, Raj finds himself torn between the desire to confess his feelings to Sofia and the fear of losing her. Will Raj be able to tell Sofia how he feels? Will they be able to sustain a love spanning across cultural and geographical boundaries? The Promises We Made recounts the journey of two people falling in love in the most unexpected of circumstances. But destiny had something else in store - a dark twist of events that leaves the reader lamenting the vagaries of fate.

**Witch Hunt** - Richmond West 2009-02-24

Passionate and provocative, this novel faces the issue of our society's sexual McCarthyism head-on, especially as it manifests in abuses of "hostile environment" sexual "harassment" law. Lupe Diego, a lapsed Catholic philosophy professor with a feminine Spanish name, faces accusations after a relationship goes sour. Encountering gender prejudice along the way, plus faced with losing his career, Lupe finds a renewed faith. Even as he sees gay friends fall under a wave charges, when tyrannical sexual ideology rocks the campus...

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Trigger Sexual Attraction In Any Woman - For Men** - Francisco Bujan 2011-10-14

Creating sexual attraction in a woman is an art - The thing is that so many guys believe it is just luck! They believe that some guys have it and some don't! - That's so far a way from the truth - You take a man who has been systematically failing with women and you give him the right tools and you will see that man suddenly be VERY successful with any woman! Why is it like that? Because women ARE predictable! They respond to VERY specific signals and communication patterns - In this book, I tell you exactly what these attraction elements are and how to manifest them in your dating life - ANY man should know these things!

Women want YOU to know because they are frustrated about going on dates with men who underperform - They see a guy coming to a date and blowing it within the first 5 min! - It is NOT complicate but you ABSOLUTELY must know what works and what doesn't when trying to connect with the women you are attracted to - How do I know that stuff? Because I coach women! - Lots of them! - In the intimacy and safe space of a coaching session, they tell me EXACTLY what triggers their desire! - So, my friend, don't waste your time - It will take you 30 min to read this and you will remember this for the rest of your life... And so will your future girlfriend! Enjoy! More power to you!

*Acing the Game* - Carey PW

Shep Lee thought he had it all. A successful restaurant, a loving husband who understood his asexuality, and most of all, the ability to be himself, a popular chef in the small town of Cloverleaf, Montana. That is, until his husband, Elmer Eshler, began pushing Shep more on sex. Elmer doesn't understand why he can't turn his partner on—aren't they perfect for each other? And Shep loves him, right? Shep, meanwhile, while confident with his body, is and forever will be sex indifferent. Why has Elmer suddenly changed his tune? But he doesn't want to lose the man he loves so much. What can they do? Shep convinces Elmer to try a polyamorous relationship. Elmer gets to have Shep and the sex life he's always wanted. Shep gets a cooking buddy and a chance to experience a relationship and even try sex with a woman as his authentic gender. At first, Shep isn't sure, but finds himself coming around—this feels safer than opening up the relationship. All three of them will be romantically involved, so that should ease any jealousy, right? But when Willow Saint, a free-spirited, boisterous, and saucy young woman, comes into their lives, neither are prepared for the emotional and sexual rollercoaster that follows. Enthralled by Willow's charm and kindness, Elmer and Shep struggle to understand what this means for their own bond. Can they become one happy family? Or will this ruin everything?

Get the Guy - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In Get the Guy, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

**The Invisible Orientation** - Julie Sondra Decker 2015-10-13

Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't

sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that’s where asexual people are left out—they don’t find other people sexually attractive, and if and when they say so, they are very rarely treated as though that’s okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people’s experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

*Invisible Families* - Mignon Moore 2011-07-30

"Mignon Moore's title says it all: *Invisible Families*. Scholarship on lesbian and gay issues has been slow to recognize the importance of children and family among those in same-sex relationships and has paid scant attention to racial minorities; nor have students of African American life given much attention to Black lesbians and gay men. We are left with the unfortunate impression, to paraphrase the authors of *But Some of Us Are Brave*, that all the lesbians and gays are White and all the Blacks are heterosexual. This book stands as a significant corrective to these multiple myopias, offering a nuanced account of the kinds of pressures Black women raising children with female partners encounter, and revealing the creativity and resilience they bring to the struggle." --Ellen Lewin, University of Iowa, author of *Gay Fatherhood: Narratives of Family and Citizenship in America*. "*Invisible Families* shakes up longstanding theoretical conceptualizations of racial identity, family formation, and motherhood, contesting basic assumptions about black families. Tightly conceptualized and highly engaging." - Kerry Ann Rockquemore, author of *Raising Biracial Children*

*The Married Man Sex Life Primer 2011* - Athol Kay 2011-03-30

**The Married Man Sex Life Primer 2011** - Athol Kay 2011-03-30

The author of the innovative sex and marriage blog "Married Man Sex Life" brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. *The Married Man Sex Life Primer 2011* cherry picks the best ideas of books like "The Mystery Method," "No More Mr. Nice Guy," and the volatile online world of the Pickup Artist a.k.a. "Game" community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient "hard-wired" biological and modern social reasons women find men attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, "whoever is the most attractive in the relationship is in charge." The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an endless variety of playful instigation to continually charm just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. (Want a better man? Leave it where he can find it.)

*Magnetic Partners* - Stephen Betchen 2010-05-18

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. *Partners*

**Essential Psychotherapies, Fourth Edition** - Stanley B. Messer 2019-11-27

New to This Edition \*Incorporates important developments in clinical practice and research. \*Entirely new chapters on CBT, third-wave CBT, couple therapies, and interpersonal and brief psychodynamic therapies; all other chapters fully updated. \*Increased attention to multiple dimensions of diversity, the evidence-based practice movement, psychotherapy integration, and applications to physical health care.

**Practice What You Preach** - Nina Kennedy 2021-12-09

Practice What You Preach: Book 2 of the Practicing for Love Series By: Nina Kennedy In this second book of the Practicing for Love series, Nina - a former child-prodigy - tries to figure out how to live without the piano and that daily pressure to practice. She has moved to Europe in an attempt to escape from American racism, and to establish a family connection with her partner's family in the Tyrolean Alps. Early in the book, she receives news of her mother's death and must return to Nashville for the funeral. While cleaning out her parents' house, she unearths material for a documentary film which she spends the next six years producing. That film, Matthew Kennedy: One Man's Journey, becomes an award-winning hit at international film festivals. Back in Europe, her partner learns of the death of her grandmother, who has left it to her son to dole out her estate to her descendants. Fearful of her father's homophobia, she feels the need to end the relationship in order to receive her share of the inheritance. Nina returns to her country, single and alone. While in the U.S., Nina becomes involved with an African diplomat who forces her to come to grips with a new level of sexism, homophobia, and anti-Americanism that permeates many African cultures. She learns to appreciate her national identity in a new light, in spite of the racism that has victimized her family for generations.

Hold Me Until Forever - Christina Phillips 2016-01-04

A sexy category romance from Entangled's Brazen imprint... She's the only one he wants...and the one he can never have. Ella Clark has been in love with Alex Grayson forever. She's tired of being invisible—or worse, being treated like his kid sister. If she can just get him to drop his iron-fisted control for two seconds, she'll prove she knows exactly how to blow his mind. Alex has been fighting his attraction to Ella since her should-have-been-innocent sweet sixteen kiss burned down his world. He's damaged, and there's no way he'll ever drag her into his screwed up life. Until she offers him something he's always

craved—steamy, no-strings sex inside his exclusive BDSM club. Where she'll be safe from the darkness that haunts him. Except there's nothing safe about being with Ella, and the more she gives, the harder it is to let her go. If he stays, he risks everything, but how can he walk away from the only woman he's ever needed?

**Men Interviewed Tell** - Cassandra A George Sturges 2007-09

Over 100 men interviewed share down-to-earth, heart-to-heart, soul-stirring revelations about the things that women do to deeply hurt, humiliate and turn men off sexually. This book is a must read for any woman who is serious about finding, keeping or creating a healthy relationship with a man. If you think most men do not have feelings or the main reason they are no longer sexually attracted to a woman is because of her physical appearance—this book is guaranteed to make you take a deeper look at yourself and discover some of the unspoken reasons men leave relationships and are turned off by women.

**Clinical Casebook of Couple Therapy** - Alan S. Gurman 2010-05-25

An ideal supplemental text, this instructive casebook presents in-depth illustrations of treatment based on the most important couple therapy models. An array of leading clinicians offer a window onto how they work with clients grappling with mild and more serious clinical concerns, including conflicts surrounding intimacy, sex, power, and communication; parenting issues; and mental illness. Featuring couples of varying ages, cultural backgrounds, and sexual orientations, the cases shed light on both what works and what doesn't work when treating intimate partners. Each candid case presentation includes engaging comments and discussion questions from the editor. See also *Clinical Handbook of Couple Therapy, Sixth Edition*, which provides an authoritative overview of theory and practice.

*Getting to Commitment* - Steven Carter 2000

They wrote the definitive book of the fear of commitment, *Men Who Can't Love*. They also coined the term 'commitmentphobia'. Now, drawing from in-depth interviews, as well as his own personal struggle with commitment, Carter takes the next step with this book, offering concrete solutions for finding and keeping long-term love. Falling in love and staying in love requires its own kinds of heroism. Our hearts have to be brave as well as loving. That is because it takes real courage to love; it takes real courage to make a commitment. This book is about finding that courage.
