Girls, Build a Relationship with Goals Not Feelings - Steve Covey 2020-07-09

Your time is precious, so is mine, so let's get straight to the point...There is this "sucre papito" taking up vast amount of space in your life, you've been giving him all the ancient and modern green lights for a thousand years, yet he doesn't look like he is ready for you at all. You wish you had that perfect gentleman in your life, completing you where you short and making you feel like life is a bed of roses, sadly, it's like you've been destined to meet only the bad boys in the world. Perhaps you are this church girl, praying woman, and an addicted lover of Christ. All you want is that knight that keeps your fire burning - spiritually, sexually, mentally, financially and otherwise; sadly, your man doesn't seem to be that perfect. Let me guess, you are married but then, it turned out that you would trade anything (or everything) to have that single-like life back, probably because marriage with him was not the best decision you ever made after all. If this is you, then you are at the right place! Before we move on to the many true and proven benefits of having a copy of this book, let me pass this to you straight and clear - No Mr. Right exists anywhere in the world, every woman's Mr. right died about 2,000 years ago. The only available option is to make a Mr. Right from the Mr. Almost Right you have with you. Is he okay sexually and financially, but he is not that spiritual and fun to be with? You can actually panel-beat that spirituality and comic ability into him. Do you have that strong feelings for him and you feel he does for you too, but you are not sure if he is going to be the perfect man for you? Well, you can actually make that work with the power in the knowledge you are about to acquire. Sweetheart, feelings (no matter how strong they are) can never keep a man... but that begs the question, WHAT DOES?

Not Every Girl Born Is Bound To Be A Bride - Shruti Upadhyay

"Not Every Girl Born Is Bound To Be A Bride" is an anthology considering the mental oppression, subjugation and prejudices meted out to the feminine gender. A girl is questioned on her etiquettes and even her domestic experiences. But has anyone welcomed her choice of pursuing their dreams, choices, etc. In this society of indomitable patriarchy, girls are burdened with a bond called "MARRIAGE" as mandatory and not a desire. This anthology is compilation of potent wishes, words, and entities that a girl dreams of. "SHE HAS NEVER DREAMT OF THE MISERY, SHE HAS NEVER DREAMT OF THE MARRIAGE" Girls who want to live by choice and not a cause, who wish to BE AMBITIOUS AND NOT ADJUSTABLE!

Play Like a Man, Win Like a Woman - Gail Evans 2000-08-10

An honest and practical handbook that reveals important insights into relationships between men and women and work, Play Like a Man, Win Like a Woman, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words

That Mean Different Things to Men and Women • Why Men Can be Ugly, and You Can't • When to Quit Your Job "I want to let you women in on a secret I've learned through my years in the corporate world: There is a set of unwritten rules in business and, while you may not choose to follow all of them, if you don't know what they are, you might as well be playing the game with both hands tied behind your back." --Gail Evans

GIRL...AND WIN

Nice Girls Just Don't Get It - Lois P. Frankel 2011-04-19

Offering the same brand of practical, no-holds-barred, expert advice that made *Nice Girls Don't Get the Corner Office* an international million-copy bestseller, *Nice Girls Just Don't Get It* teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling *Nice Girls Don't Get the Corner Office*, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make *Nice Girl's Don't Get the Corner Office* an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to:

- Get your husband to do his half of the household chores—without being made to feel like a nag.
- Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near.
- Win an argument with your mother in law about who will be hosting Christmas dinner.
- Have the courage to send back a meal that isn't prepared the way you'd ordered it.
- Confront a colleague who is shirking responsibility or taking credit for your work.
- Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit.
- Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient.
- Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more.

A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, *Nice Girls Just Don't Get It* offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.
