of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. "Hearing Elvis

for the first time was like busting out of jail." - Bob Dylan
That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. "There's nothing in here to hide from the kids, the clergy or grandma." Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite

Story - Brian C. Young

2023-06-30

RUNAWAY is a fascinating account of the life and music of 60s rock star Del Shannon. From humble beginnings in the rural Midwest, this bar band guitarist rocketed to overnight superstar status when his first big hit clinched the #1 spot on the American Billboard charts, resulting in an international hit in over 20 other countries during the year 1961. Del Shannon soon followed up "Runaway" with more hits, including "Hats Off To Larry," "So Long Baby," "Hey! Little Girl," "The Swiss Maid," "Little Town Flirt," "Two Kinds of Teardrops," "Handy Man," "Do You Wanna Dance," "Keep Searchin'," and "Stranger In Town." Shannon was the first American artist to cover a Beatles song in "From Me To You." In the late 60s and early 70s, he shifted his focus into production, launching the career of country artist Johnny Carver, discovering a group called Smith that saw a #3 hit with a Shannon-Smith arrangement of "Baby It's

You," and produced fellow contemporary Brian Hyland's Top 5 hit "Gypsy Woman." Del worked with Jeff Lynne and Dave Edmunds in the 70s, with Tom Petty seeking him out to produce Shannon's comeback album in 1981, resulting in a #33 hit "Sea of Love" in America.
