The Spanish Love Deception - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the

way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Signed, Blue.” So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win.

Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

[How to Fix a Broken Heart](#) - Guy Winch
2018-02-13

'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF *THE STATE OF AFFAIRS AND MATING IN CAPTIVITY* Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. *How to Fix a Broken Heart* argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of *Wait But Why?*

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For

many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The 48 Laws of Power - Robert Greene
2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others

teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
