[Love Is a Story](#) - Robert J. Sternberg 1999-06-03

In this groundbreaking work, Robert Sternberg opens the book of love and shows you how to discover your own story--and how to read your relationships in a whole new light. What draws us so strongly to some people and repels us from others? What makes some relationships work so smoothly and others burst into flames? Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us. Drawing on extensive research and fascinating examples of real couples, Sternberg identifies 26 types of love story--including the fantasy story, the business story, the collector story, the horror story, and many others--each with its distinctive advantages and pitfalls, and many of which are clashingly incompatible. These are the largely unconscious preconceptions that guide our romantic choices, and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships. As long as we remain oblivious to the role our stories play, we are likely to repeat the same mistakes again and again. But the enlivening good news this book brings us is that though our stories drive us, we can revise them and learn to choose partners whose stories are more compatible with our own. Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner. Are you a traveler, a gardener, a teacher, or something else entirely? Love is a Story shows you how to find out.

ALPHA MALE DATING The Essential Playbook - Sean Wayne

There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce

her! If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. You speak eloquently and you're respectful through and through. You're dressed well, full of interesting things to say. She's never met a man like you, a man who listens with intent and responds smartly. Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. You're her King and you make her feel like a Queen. You're not jealous, but confident, always. You're passionate but you don't overwhelm her. You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. This is how an Alpha Male dates and builds his game into a long-term relationship, if he chooses, with confidence. You know what you want. You know how to get it. You know because you've read Alpha Male Dating The Essential Playbook! Don't Hesitate! Scroll Up, Click "Buy Now" and Invest In Yourself Today!

How to Build Up a Loving Relationship - Ivlene Telfort 2010-02-27

The book you are about to read, How to Build Up a Loving Relationship, is a love story. The author focuses essentially on the kind of love existing between men and women—leading to marriage, kids, and the rest. If you have the gift of reading between the lines, you will discover other types of love as well. How to Build Up a Loving Relationship glorifies the love of life in general, the love of beauty, and family. Each reading may provide a different understanding. The application of this book in your daily life depends largely on the step at which your personal love relationship is at the moment. The author voluntarily did not include exhaustive lists of dos and don'ts that have the magic to keep a relationship alive. The reason she explained is simple. The thing one can do depend too much on external factors like money and free time availability. However, she recommends all of us to love and respect our partners as much as we love and respect ourselves. The publication of this book fulfills an old promise the author made when she was in high school. She used to function as a freelance counselor to her peers and found some of the stories so interesting that she promised to write a book about love at the appropriate time. Of course, no one believed her. How to Build Up a Loving Relationship is easy to read and is even funny at times although the subject is a very

serious one. The author wishes that this book will help you master the most complicated emotion.

The Nature of Healthy Dating Relationship - Sofia L Jones 2015-01-29

Healthy dating is a form of dating which focuses on emotional closeness and stability. A book about it will help one to determine what he or she is receiving from a relationship. It will also help make a relationship stronger by helping one determine what to give his or her partner.

A Company Named You - Ed Tomney 2010-04-27

This book is about YOU. It starts with knowing yourself, the real YOU, and legitimately liking yourself. Once you accomplish this, which may not be an easy task, it sets you up for your decision making for the rest of your life. It is the most important thing in developing all your relationships, and goals. It is, I hope, some interesting, and human thoughts that I felt important enough to be written down, in hopes that they would provide someone good reading. If it helped anyone to really know themselves, learn to like themselves, avoid some mistakes in life, provide a reason to hold life precious, to question intelligently, and not to forget to smell the roses, then it would be worth my time and yours.

How To Have a Long Distance Relationship - HowExpert 2011-04-08

If you are currently into a long distance relationship and wanted it to last, then check this "How To Have a Long Distance Relationship" guide. In this step-by-step guide you will reap the following benefits: - How to prepare before getting into a long distance relationship. - How to have constant communication with your partner. - Get tips on what you can do together though you are apart. - How to find time for each other. - How to avoid saboteur. - How to survive being apart. - How to resolve conflicts and arguments. - Get tips about long distance relationship and sex. - How to make the relationship last. - And much more. About the Expert Bethany Wilson is a December 2010 graduate from Berea College in Berea, Kentucky. She obtained her Bachelor of Arts degree in Child Development. During her entire time in college she was engaged, her and her fiancé Josh decided to give a long distance relationship a go. From the beginning of her college career throughout the completion and still to this day they are together. With nearly three hundred miles between her and Josh they had to get creative in order to keep the relationship alive. When they first began the relationship after Bethany got to college they would talk on the phone for hours each day about a little bit of nothing but that gradually got tiresome. Bethany and Josh had to find new things to keep their relationship interesting. At first they started using webcam communications but that was short lived because the college cut the bandwidth that was allowed to the students making it almost impossible to webcam one another. They tried almost all of the techniques that are mentioned in this book. There were many different things that was brought up by other people trying to make them break up, but that never worked because Bethany and Josh have a bond stronger than words of others. Now that Bethany is out of college, she and Josh is no longer on a long distance relationship status because they are just a few minutes apart and are looking forward to their future and in the process of planning their wedding. Their long distance relationship helped them both mature and develop the ways that the communicate to the point that they both seem as if they are ten years older than they really are in the case of communication strategies. When things would seem dire within the relationship they would sit down and talk it out either on the internet, phone, or text messaging and get past the situation. HowExpert publishes quick 'how to' guides on all topics from A to Z.

Eight Dates - John Gottman 2019-02-05

Strengthen and deepen your love with a fun, ingenious program of eight life-changing conversations—on essential topics such as money, sex, and trust—from two of the world's leading marriage researchers and clinicians. Navigating the challenges of long-term commitment takes effort—and it just got simpler, with this empowering, step-by-step guide to communicating about the things that matter most to you and your partner. Drawing on forty years of research from their world-famous Love Lab, Dr. John Gottman and Dr. Julie Schwartz Gottman invite couples on eight fun, easy, and profoundly rewarding dates, each one focused on a make-or-break issue: trust, conflict, sex, money, family, adventure, spirituality, and dreams. Interactive activities and prompts provide motivation to stay open, stay curious, and, most of all, stay talking to each other. And the range—from the four skills you need for intimate conversation (including Put Into Words What You Are Feeling) to tips on being honest about your needs, while also validating your partner's own emotions—will resonate, whether you're newly together or a longtime couple looking to fortify your bond. You will discover (or rediscover) your partner like never before—and be able to realize your hopes and dreams for the love you desire and deserve.

Love and the Fighting Female - Allison P. Palumbo 2020-07-23

The fighting female archetype—a self-reliant woman of great physical prowess—has become increasingly common in action films and on television. However, the progressive female identities of these narratives cannot always resist the persistent and problematic framing of male-female relationships as a battle of the sexes or other source of antagonism. Combining cultural analysis with close readings of key popular American film and television texts since the 1980s, this study argues that certain fighting female themes question regressive conventions in male-female relationships. Those themes reveal potentially progressive ideologies regarding female agency in mass culture that reassure audiences of the desirability of empowered women while also imagining egalitarian intimacies that further empower women. Overall, the fighting female narratives addressed here afford contradictory viewing pleasures that reveal both new expectations for and remaining anxieties about the "strong, independent woman" ideal that emerged in American popular culture post-feminism.

Most pearls in their natural state are not the perfectly round orbs we see in the jewelry store showcase. By the time a pearl gets to the jewelry store showcase it has been refined and polished to show its true beauty. You might say it has been transformed into its true self. In many ways you and I are pearls. We are the result of being covered in layers and layers of life-events. These events shape us and mold our personalities and outlook on life. Only when we allow God's love and grace to polish and transform us by polishing away the residue of life's difficulties and the sin in our lives can we be seen for who we truly are. So for all the love that was never shown, all the birthdays never celebrated, the accomplishments never recognized, hugs never given, hair bows never tied, and the childhood you were never allowed to enjoy...this book is for you. It is your reminder that God loves you. Cherishes you. Adores you. He is ready and waiting to polish you and bring you to your most beautiful self

Long-Distance Relationship Intimacy Hack - Claire Robin

Love is something so beautiful everyone wishes to experience it, but it is not without challenges in every relationship. Relationships are always filled with ups and downs and in such times, the strength of both love and understanding is tested. Long-distance relationships unlike relationships where the partners get to see each other frequently, is more demanding. It would take double efforts, understanding, trust, and commitment to maintain them. However, there are many people in a long-distance relationship that managed to keep it going regardless of the hurdles. It just needs the effort of both parties and things will go smoothly. If you're the only one striving to make things work, then chances are your relationship will come to an end eventually. Stay in a relationship where both parties are willing to fight for the blooming and thriving of the relationship. As the saying goes, it takes two to tango. There are times when relationships start as short distanced but due to certain life changes such as work transfers, new job offers, or educational purposes, one partner is made to move away from another and serious adjustments will have to be made. Many relationships may even end due to this reason, but there are many equally that do thrive as a result of joint efforts. If you're looking for ways to revive and keep your long-distance relationship blooming, then this book is for you.
