**What a Girl Wants** - Kristin Billerbeck 2007-11-11

Ever felt like the last item left on the clearance rack? As a successful patent attorney, Ashley Stockingdale has all the makings of a perfect catch: the looks, the brains, even a convertible. But at 31, she's beginning to wonder if she's been passed over for good. Deciding to adopt a new attitude, Ashley suddenly becomes the romantic interest of three men within a matter of days. While her heart enjoys turning the tables on the dating game, the rest of her previously predictable world is being turned upside down. Is it more than Ashley can handle? Or is it exactly what she wants? Award-winning author Kristin Billerbeck combines comedy with spunk to create a memorable story in *What a Girl Wants*—an all-too-realistic picture of a single girl's search for being content with who she is . . . with or without a man.

**The Making of Disciples** - Theodore Andoseh

Herein are the daily proceedings from the 12th 40-day Prayer and Fasting Crusade of Christian Missionary Fellowship International (CMFI) that took place from 12 October - 20 November 2020, piloted from our ministry's international headquarters in Koume, Cameroon. A large crowd gathered each night in Koume. The live sound and images from Koume reached over 1 212 unique individuals every night (on average) in 176 nations across the six continents, provoking over 5 453 immediate positive reactions to the messages from the platforms where we have audience interaction. God was fully at work! In this compilation, we have laboured to restate in its wholesomeness the messages during the slot led by brother Theodore Andoseh on *The Making of Disciples: The Master's Way*. For completeness, we have included the information newsletter of the event and a synopsis of the history of mass prayer and fasting crusades in our Ministry in the preamble. The crusade was spiced

with numerous life-changing exhortations. The prophetic messages and addresses to the graduating students from the School of Knowing and Serving God (SKSG) are presented at the end. The Lord bless you as you relive these life-changing moments!!

**Girl Talk: Truth Every Woman Wants To Know** - Kenya M. Ransey Ed S. 2019-05-24

Girl Talk discloses the truth every woman needs to hear, and has the right to know about her worth and value. Based on the central theme of Kenya's message, "It all begins within", Girl Talk looks closely at the connections between a healthy intrapersonal relationship and the other relationships in our life. Although this book specifically addresses single women, the message is relevant to all. No matter what you desire for your time, your money, or in the areas of love and romance, this book

helps women know and understand that right now, in this moment - you matter, you have value, you are enough; and you can obtain more of the life you want.

**How to Fail at Finding Relationships** - Rafael W Patterson 2020-12-31  
Life is complicated, but you can be happy and avoid misery if you make the right decisions. This book should help with that, but if you skip and don't read the book, then at least take these tips for success:1. It's okay to be yourself! Don't let other people change your identity. If you're nervous about walking up to a girl, think about why you're wondering about coming up to her in the first place: because you want to! If you do what YOU want to, then you're not being weird; it just means you're being yourself! And if you don't like lifting weights or doing make-up but feel pressured to do so to attract someone, you don't have to! If she or he expects you to be someone you're not, then they're not for you, and you deserve to be with someone better anyway, someone who will value you for who you are. There is only one of YOU in this world, so keep your identity and do what you like to do!2. Do what makes sense. If it's a crowd, and everyone is talking to each other, then you're allowed to talk to whomever you want to. Go talk to that girl! Nobody can stop you other than you yourself. On the other hand, if giving her flowers doesn't seem right, then don't give her flowers just yet. If you're unsure if you want to date her just yet, then just be a friend to her! It doesn't make sense to do things that you don't feel quite right about. Or if you're on a short budget, then you don't have to spend extra money on buying a super-fancy car to impress her or a super-fancy whatever-girls-buy to impress him. You're the boss, so do what seems right to you, and do what makes sense!3. Communicate. If the girl is not your type, then you are much better off finding a better-fitting girl for yourself than trying to pursue someone with whom your life might become miserable. If you're not sure if you want to date her or not, then just be a friend! It's okay to be friends with many girls and then later on decide if you would like to pursue one of them further. Just don't float away on a boat of feelings until you both agreed that you'd like to date. If you think you'd like to try dating a girl, then see if she likes talking to you. After that, ask her if she

wants to hang out with you sometime, and ask for her telephone number. If you feel right about doing so, ask if she can see herself dating you or not. Be open and honest when you talk to her because this is what will build her trust in you. The people who are ready to date will take you seriously, but, if somebody does make fun of you for your honesty, then they're just being a jerk, and you don't deserve to be with a jerk anyway. Communication clears up confusion! On the contrary, to fail at finding a girl, you would reverse these three items and follow them backwards of what they say to do. That is exactly what I have had my bad experience with: trying to be someone I'm not, either to make her fond of me or to hide my intentions so that people don't know that I like her; doing things that don't make sense, which shows my ignorance; and finally, being horrible at communicating with girls, so it always took me a painful forever to figure out that a certain girl was not for me. This book summarizes 25 ways in which I followed these three principles backwards, and the chapters tell the narrative of how that went. Whether or not you read the entire book or just the book cover is up to you, but I pray that you at least learn from these three principles in order to not make the same mistakes as me. It is also up to you whether or not you purchase the book and whether or not you read the book, but, if you do purchase the book, then you'll be helping me pay off my student loans, and I do appreciate any help. Thanks!: )
