**Like a Girl** Lori Degman 2019 Once upon a time, "like a girl" was an insult. Not anymore! In every walk of life, girls are demonstrating their creativity, perseverance, and strength. From civil rights activist Rosa Parks, who stood up for her beliefs by staying seated, to astronaut Sally Ride, the 24 women profiled here took risks, broke barriers, and transformed the world. This tribute to girl power will inspire young women everywhere.

**She Loves You, She Loves You Not...** Julie Anne Peters 2011-06-01 Seventeen-year-old Alyssa thought she knew who she was. She had her family and her best friends and, most important, she had Sarah. Sarah, her girlfriend, with whom she dreamed with about the day they could move far away and live out and proud and accepted for themselves, instead of having to hide their relationship. Alyssa never thought she would have to make that move by herself, but disowned by her father and cut off from everyone she loves, she is forced to move hundreds of miles away to live with Carly, the biological mother she barely knows, in a town where everyone immediately dismisses her as "Carly's girl." As Alyssa struggles to forget her past and come to terms with her future, will she be able to build a new life for herself and believe in love again? Or will she be forced to relive the mistakes that have cost her everything and everyone she cared about? National Book Award finalist Julie Anne Peters has written a compelling novel about coming out, finding love, and discovering your place in the world. Alyssa's story will speak to anyone who has known the joy and pain of first love and the struggle to start over again.

**The Five Love Languages** Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

**Selected works of Fyodor Dostoyevsky** Fyodor Dostoevsky 2021-02-01 Selected works of Fyodor Dostoevsky from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or simply the beauty of words. This volume of the Best of the Best series includes famous works *The Idiot*; *Crime and Punishment*; *The Brothers Karamazov*; *The Insulted and the Injured*; *Notes from the Underground*; *The Grand Inquisitor*; *The Possessed* (also titled: *Demons, The Devils*); *The Gambler*; *Poor Folk (Poor People)*; *Uncle's Dream*; *The Permanent Husband*; *An Honest Thief*

Anna Karenina - The Annotated & Unabridged Maude Translation Leo Tolstoy 2023-12-14 Widely considered a pinnacle in realist fiction, Tolstoy considered *Anna Karenina* his first real novel and Dostoevsky declared it to be "flawless as a work of art". His opinion was shared by Vladimir Nabokov, who especially admired "the flawless magic of Tolstoy's style", and by William Faulkner, who described the novel as "the best ever written". The novel is currently enjoying enormous popularity, as demonstrated by a recent poll of 125 contemporary authors by J. Peder Zane, published in 2007 in *The Top Ten*, which declared that *Anna Karenina* is the "greatest novel ever written". Plot: A bachelor, Vronsky is willing to marry her if she would agree to leave her husband Karenin, a government official, but she is vulnerable to the pressures of Russian social norms, her own insecurities and Karenin's indecision. Although Vronsky eventually takes Anna to Europe where they can be together, they have trouble making friends. Back in Russia, she is shunned, becoming further isolated and anxious, while Vronsky pursues his social life. Despite Vronsky's reassurances she grows increasingly possessive and paranoid about his imagined infidelity. About the Maude translation: the translation by Aylmer Maude (1858-1938) and Louise Shanks Maude (1855-1939) is highly considered by scholars. This unabridged and annotated translation from the original Russian by Louise and Aylmer Maude was originally published in 1918. The Maudes are classical translators of Leo Tolstoy who worked directly with the author and gained his personal endorsement.

**FALLING NIGHT AND RISING DAY** Rachel Strayer 2013-12 For hundreds of years, fortune tellers and commoners alike have used tarot cards as tools to predict the future. Rife with symbols of divine beings and the power of the stars, an air of mystery and superstition has long surrounded these elaborately crafted decks. When the past and the future melt together in a chaotic mind, however, they can be the only path out of a place where reality clashes with fantasies and nightmares alike. A modern day oracle, fearing the rapid approach of madness within her unquiet thoughts, dives into Olympian dreamscapes and psychological battlegrounds in a journal that serves as a road map through insanity. When she is engulfed in the darkness of the suit of swords, however, the only light to be found is fire.

*Why We Love* Helen Fisher 2005-01-02 A groundbreaking exploration of our most complex and mysterious emotion Elation, mood swings, sleeplessness, and obsession—these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience—which cuts across time, geography, and gender—is a force as powerful as the need for food or sleep. *Why We Love* begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves, at last, what researchers had only suspected: when you fall in love, primordial areas of the brain "light up" with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love, why you choose one person rather than another, and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction, that love at first sight comes out of nature, and

that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion, and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

**Cheyenne Moon** Cathy Keeton 2012-05-19 Find a time with no distractions, sit in your favorite chair and dive into a world of long ago, a different place and time. Abby is a young teacher living with her widowed father on the American frontier in the 1860's. She is kidnapped by the very renegade that brutally murdered her mother. Shadow Spirit a Cheyenne brave rescues Abby from a perilous situation and certain death; He is like no other man she has ever met, tall and muscular with bronzed skin and dazzling green eyes. His mother is a beautiful Irish redhead and his father is the noble Chief of their people. The undeniable attraction mounts between them, spinning their lives out of control. With a love known by few, Shadow Spirit and Abby are forced to make choices affecting future and past generations.

**How to Tell If Someone Truly Loves You** Femi Ogunjinmi 2020-03-25 Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

**My Dearest Husband:-** Elizabeth Riggs 2002-08-25 Financial woes, child-rearing, and employment concerns sound like modern problems, but Lizzie and Berte Ingels faced those same troubles in 1893 and faced them halfway across the nation from each other. Their letters invite today's readers to share the challenges and the joys of life on an Ohio River farm in Victorian times. Elizabeth Riggs, their granddaughter, has woven the letters into a narrative that tells their story. As a senior in high school in 1885, Lizzie kept a journal which vividly describes her studies and commencement as well as her adventures on the Ohio that year. She later treasured Berte's romantic notes during their engagement in 1890. The letters, the journal, and the pre-nuptial notes together provide a window into a time gone by. Lizzie and Berte never made the history books, but their words make history come to life.

Past Forward Amit Ghule 2019-09-25 She jumped barefoot out of the car, chasing an obscure figure she thought was familiar. It disappeared amidst the smoke and sounds of a hundred vehicles whizzing past them on the bustling streets of Mumbai. He exasperatedly dashed after her to make sure she was okay. She stood dazed in the middle of the street, wondering if she had really seen the one she had never expected to see after all these years. His voice snapped, "Is this how it's going to be? Me chasing you while you chase someone else for the rest of our lives?" Indeed. Had her past caught up to her? Or was she tossing away her present for the chance to relive her past?

[How to Attract Women If You're Not That Attractive](#) Enrique Voltaire 2017-04-13 What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

[She Loves You](#) Sundus Mirza 2021-04-23 Some stories don't need a description. They are written to be read. This is one of those stories written from the heart for hearts. To introduce myself, I write fiction and humour! My life mission is to bring a smile to people's face. For this, one must bring peace. To bring peace, one must respect the differences. To respect the differences, one must practice diversity. A writer's job is to imagine a world that includes all differences to give people an idea that it is cool. When I think about people of various faiths, I wonder why everyone is so intolerant to each other. The questions like "who is God and what he wants from us" causing conflicts among nations. People are literally killing each other to prove their God is right. So I decided to write a story that includes everyone's beliefs (including atheists) and shows a larger picture. And my story makes more sense than other fairy tales! This story is user friendly because I wrote it in easy language using modern terminologies. I deliberately wrote a short booklet to encourage the next generations to give it a read who won't read otherwise. This story will make them happy and positive. To give an example of diversity in my story, I heard Bob Marley singing, "Heaven is inside the earth," and I included it in my story. I heard a feminist activist lesbian saying, "God is a black woman," and I included it in my story. I heard a Hindu saying, "Cow created the universe," and I included it in my story. I heard jews and co saying, "Adam ate the apple in heaven, and he was punished and sent to earth," I included it in my story. I wrote this story to include every belief while telling how this world is created to make people respect each other's beliefs. My message remains, "Never believe in a belief that doesn't empower you!"

**22 Things a Woman Must Know If She Loves a Man with Asperger's Syndrome** Rudy Simone 2009-05-15 Although having Asperger Syndrome (AS) can make romantic relations difficult, having a fulfilling relationship with an Asperger man is certainly not impossible. A woman in love with a man with AS may interpret his difficulties with communication and socialization as a lack of interest in the relationship. He may vacillate between being gentle and caring to seeming cold and distant. She may find his behaviour hard to understand, resulting in feelings of loneliness, isolation, and confusion. This book shows how to overcome these difficulties and maintain a loving relationship with an AS partner. From an unwillingness to show affection in public or even sleep in the same bed to problems holding down a job, this book looks at 22 common traits that women may discover when they are dating, living with or married to a man with Asperger's Syndrome. Rudy Simone explores the complications of Asperger's relationships with honesty and understanding, drawing on research and personal experience to inform and advise women with AS partners. She offers helpful tips for improving the relationship and finding fulfillment both individually and as a couple. This book will help women to understand the male Asperger's mind and, equally, it can help men with AS to see things from their partner's perspective. It will also be of interest to counsellors working with couples where the male partner has Asperger's Syndrome.

**Worth the Risk** Lissanne Jones 2020-02-28 Will taking a shot at love be worth risking the friendship of a lifetime? Jessica Coleman and Rory Cooke have been best friends since they were children, but as they approach their thirtieth birthdays they realize the love they feel for each other is no longer platonic. Rory is sure that Jess is the woman for him and always has been, but he's forced to stand by and watch her date another man. What if she never works out what he has - that they're meant to be together? Jess finally recognizes Rory for who he truly is - the man she's in love with. But she's afraid to take that leap, because if their romance ends she's not only lost her lover, but her best friend as well. Will they decide that being in love is worth the risk of losing the extraordinary friendship they already have, or will they stay just friends forever?

**She Loves You (Yeah, Yeah, Yeah)** Ann Hood 2018-06-26 "Filled with love, hope, and longing, this is a novel for readers of all ages." - Holly Goldberg Sloan Bestselling author Ann Hood crafts a funny, heartfelt story of a girl growing up in the heart of Beatlemania. The year is 1966. The Vietnam War rages overseas, the Beatles have catapulted into stardom, and twelve-year-old Rhode Island native Trudy Mixer is not thrilled with life. Her best friend, Michelle, has decided to become a cheerleader, everyone at school is now calling her Gertrude (her hated real name), and the gem of her middle school career, the Beatles fan club, has dwindled down to only three other members--the least popular kids at school. And at home, her workaholic father has become even more distant. Determined to regain her social status and prove herself to her father, Trudy looks toward the biggest thing happening worldwide: the Beatles. She is set on seeing them in Boston during their final world tour--and meeting her beloved Paul McCartney. So on a hot August day, unknown to their families, Trudy and crew set off on their journey, each of them with soaring hopes for what lies ahead. In her signature prose, Hood crafts an extraordinary story of growing up, making unexpected connections, and following your dreams even as the world in front of you--and the world at large--is changing too fast.
