THE PARTIAL CRUSH - SHRIJIT NANDA 2021-12-08

The Partial Crush is designed to be used by all couples, teens, young engaged, men & women who consider love is unexpected, not surprises, just small gestures. Remembering small things you don't expect anyone to remember but they do. Confessions, when they open up to you and find comfort in you. Realisations, appreciation, a hug and a forehead kiss you didn't ask but really needed. I feel her voice etched on parchment now browning at the edges. It's a moment frozen in time, words that stop mid-sentences, mid page, mid chapter, a beginning without an end, a place you thought you'd return to once the day had finished. Some stories bleed unwritten ink, tales that have only beginnings and never an end. Some lives have no closure, just an empty space where we were meant to continue on.

[The Worst Vacation Crush](#) - Kristen Iten 2022-07-12

He's the guy I didn't realize I needed in my life. I'm the enemy he doesn't even know he has. I just met my Hawaiian tour guide for the week. He thinks he's irresistible, and there's no point in arguing with him because I completely agree. But as I get to know him better, I begin to see that there's more to him than a pretty face and smokin' beach body. I'm into him. He's into me. We could totally make beautiful ukulele music together. So why can't I give in, enjoy the romantic sparks that won't stop flying, and make this a vacation neither of us will forget? Because I'm not on vacation. My new boss at the travel agency has given me the lovely task of going undercover as a tourist to spy out our competition. My job depends on delivering a report detailing exactly how we can shut down our competitors—which includes my almost-boyfriend's generational family business. If I don't come through for my boss, I'll lose my job and have to crawl home with my tail between my legs. But if I do, it'll crush the dreams of my worst vacation crush ever. I've only got a matter of days to figure out how to save both our jobs. The scariest thing is, if I don't get this right, I just might ruin both our lives and any shot we ever had at a happily ever after. ***Be sure to check out the next book in the Love at First Laugh series, *The Worst Fake Boyfriend*. Both of these hilarious, stand-alone romantic comedies will make you laugh 'til you cry and swoon 'til you sigh.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Crush - Penelope Ward 2021-02-22

From New York Times bestselling author Penelope Ward, comes a new standalone, second-chance story of forbidden love... It's natural to want the one you can't have. And for as long as I could remember, I'd secretly wanted my brother's best friend, Jace. He was six years older and always treated me like the sister he never had. Fast forward a decade. We were all in our twenties now. Jace had moved in with my brother, Nathan, and me to help us make ends meet after our parents died. It was just the three of us—an odd family dynamic. Living under our roof, Jace was as bossy and protective as ever. But he certainly didn't look at me like a sister anymore. That was what made things so complicated. I was pretty much hot and bothered twenty-four-seven. And he was torn. The signs were subtle, at first. Like on movie night, I'd casually rest my leg against his, and he wouldn't exactly shift away. Still, I assumed he would never...go there. Nathan would kill us. The knowledge of that wasn't enough to stop the inevitable, though. Eventually our slow burn exploded. But more than the physical attraction, we'd developed a strong connection. We just couldn't get caught, right? That sounded simple. Until it wasn't. This is a story of forbidden love, broken trust, and an unexpected second chance.
