Reading Like a Girl - Sara K. Day 2013-06-03

By examining the novels of critically and commercially successful authors such as Sarah Dessen (Someone Like You), Stephenie Meyer (the Twilight series), and Laurie Halse Anderson (Speak), *Reading Like a Girl: Narrative Intimacy in Contemporary American Young Adult Literature* explores the use of narrative intimacy as a means of reflecting and reinforcing larger, often contradictory, cultural expectations regarding adolescent women, interpersonal relationships, and intimacy. *Reading Like a Girl* explains the construction of narrator-reader relationships in recent American novels written about adolescent women and marketed to adolescent women. Sara K. Day explains, though, that such levels of imagined friendship

lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels. Day coins the term “narrative intimacy” to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story’s narrator and the reader. Through critical examination, the inherent contradictions between this enclosed, imagined relationship and the real expectations for adolescent women’s relations prove to be problematic. In many novels for young women, adolescent female narrators construct conceptions of the adolescent woman reader, constructions that allow the narrator to understand the reader as a confidant, a safe and appropriate location for disclosure. At the same

## **In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships**

time, such novels offer frequent warnings against the sort of unfettered confession the narrators perform. Friendships are marked as potential sites of betrayal and rejection. Romantic relationships are presented as inherently threatening to physical and emotional health. And so, the narrator turns to the reader for an ally who cannot judge. The reader, in turn, may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds.

### **Abusive Relationships and Domestic**

**Violence** - Jennifer Lombardo 2018-12-15

Domestic violence often seems clear-cut, but some forms of abuse are not as easy to identify as physical abuse. Emotional abuse leaves no visible marks, although its effect on a person's psyche can be just as devastating.

Understanding abuse is the first step toward ending an abusive relationship. Enlightening charts, annotated quotes from experts, and real-world examples help young adults identify abuse

in relationships with romantic partners, close friends, or family members. This knowledge gives them the tools they need to break free of an unhealthy relationship or help a loved one do the same.

*Stalking Crimes and Victim Protection* - Joseph A. Davis 2001-06-26

Although stalking is an age-old phenomenon, it is only recently receiving due attention. In a span of just ten years, all fifty states have passed anti-stalking legislation. For the first time, *Stalking Crimes and Victim Protection: Prevention, Intervention, Threat Assessment, and Case Management* brings together in one source all the research done by professionals in various fields since 1990. It covers all the angles, from the psychological aspects of stalkers to the legal ramifications of stalking. This comprehensive work emphasizes a multidisciplinary concept and approach. It compiles and assesses studies of law enforcement, legal counsel, medical

## In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships

professionals, forensic mental health professionals, security personnel, and criminologists. These authors combine their academic research and clinical knowledge to provide you with helpful guidelines and suggestions in the areas of victim assistance and predatory stalking including: Intervention Prevention education Risk analysis Threat assessment Case management. Editor Joseph A. Davis, Ph.D., a nationally recognized expert in the field of public safety psychology, with a background in both psychology and law, has assembled a team of experienced professionals who have contributed to this comprehensive text, which educates, informs, and raises public awareness of this growing phenomenon. Including several case examples for study and clinical-forensic comparison, Stalking Crimes and Victim Protection will help you provide better services to victims, evaluate the mental state of the stalker, provide assessments of potential threat, and consult on security issues,

case management, and safety planning.

Women in Relationships - Zoe Lowery

2017-07-15

Relationships are so common that it is easy to take them for granted, but successful relationships take some amount of work to keep them healthy and happy for both parties.

Readers will learn what it takes to keep relationships going strong, as well as how to handle toxic or stressful relationships, long-distance relationships, family relationships, romances, and more. This edifying text also highlights important qualities to look for in any relationship and how to handle the struggle when people disagree or break up. It even discusses how to have a good and healthy relationship with yourself!

**Sexual Abuse of Children** - Roger J. R.

Levesque 1999

This book considers how human rights law can help define what could and should be done to protect children from sexual maltreatment. The

## **In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships**

volume explores diverse forms of sexual maltreatment, compares societal responses to existing research and policies, uncovers basic themes, and proposes directions for future action. Roger Levesque places particular emphasis on the ways abusive activities in different countries and societies are linked with one another and the way diverse societal views of children place them at risk.

How (and Why) to Get Students Talking - Jean Sunde Peterson 2020-08-03

Unique, practical resource helps teachers, counselors, and youth leaders bring students together to talk openly about important issues in their lives. In our digital era, young people need a safe, supportive place to connect and “just talk” with caring peers and an attentive adult. With more inclusive language, new discussion topics about social media, and a revised introduction, this updated edition of How (and Why) to Get Students Talking addresses the unique issues faced by today’s middle and high

school students. Through guided group discussions, young people gain self-awareness, build important verbal communication skills, cope with difficult emotions, practice problem-solving, and more. The book’s guided conversations are proven ways to reach out to young people and address their social-emotional development, and the discussions can be easily adapted and customized. Introductory and background materials prepare group leaders of all experience levels to feel confident as discussion facilitators. Includes digital content with reproducible handouts from the book.

**In Love and in Danger** - Barrie Levy  
2008-05-22

Describes the experiences of teens who have had abusive dating relationships and gives advice on how to end the cycle of abuse and forge healthy and loving, violence-free relationships. This accessible book shows teens how to identify abusive relationship

**Relationships** - Bethany Bezdecheck

## In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships

2010-01-15

Girls and women are faced with crucial daily decisions concerning personal wellbeing and self-awareness. Relationships can be challenging, confusing, and destructive if chosen poorly. They can also be rewarding, enriching, and life-altering if chosen well. This helpful guide provides information on how to make friends, maintain intimate relationships, and how to approach challenges in a productive way.

**In Love and In Danger** - Barrie Levy

2006-09-28

Describes the experiences of teens who have had abusive dating relationships and gives advice on how to end the cycle of abuse and forge healthy and loving, violence-free relationships. This accessible book shows teens how to identify abusive relationships -- emotional, physical, and sexual -- and how to leave them. The author provides facts about dating violence, the differences between healthy and addictive love, resources for help, and more.

Violence in Families - Al Miles 2002

Straightforward facts about a frightening issue.

The Essential Guide to Talking with Gifted Teens

- Jean Sunde Peterson 2007-11-15

Like other kids their age, highly capable adolescents experience developmental challenges. They're forging identity, finding direction, exploring relationships, and learning to resolve conflicts. These are difficult tasks to do alone, no matter how smart one may be. The 70 guided discussions in this book are an affective curriculum for gifted teens. By "just talking" with caring peers and an attentive adult, kids gain self-awareness and self-esteem, learn to manage stress, build social skills and life skills, and discover they are not alone. Each session is self-contained and step-by-step; many include reproducible handouts. Introductory and background materials help even less-experienced group leaders feel prepared and secure in their role. For advising teachers, counselors, and youth workers in all kinds of

## **In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships**

school and group settings working with gifted kids in grades 6-12.

**Gender, Violence, and Justice** - Pamela Cooper-White 2019-03-20

Gender, Violence, and Justice is a volume of collected essays by an expert in the field of violence against women and pastoral theology. It represents over three decades of research, advocacy, and pastoral theological reflection on the subject of sexual and domestic violence. Topics include intimate partner violence, sexual abuse and trauma, and clergy sexual misconduct; controversial theological issues such as forgiveness; and, as well, positive frameworks for fostering well-being in families, church, and society. Framed by a foreword and an introduction that place this work in the context of new and contemporary challenges in theory and practice, these essays show an evolution of issues and frameworks for theology, care, and activism arising over time from the movement to end violence against women (both

within and beyond religious communities)—while at the same time demonstrating an unchanging core commitment to gender justice.

**Ending Violence in Teen Dating Relationships** - Al Miles

"The remedy we need to protect teens from physical, sexual, and emotional abuse lies within this book: information. Al Miles, a nationally recognized expert in the field of domestic and teen relationship violence awareness, teaches parents, educators, and pastors about the abuse tactics being used against their teens. Miles helps readers understand how offenders use popular culture and Christian traditions to excuse and justify their violence. And most important, he offers parents and pastors key strategies to build bridges with the teens in their lives and protect them, in order to end violence in teen dating relationships."--BOOK JACKET.

**But I Love Him** - Jill Murray 2009-10-13  
One in three girls will be in a controlling,

## In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships

abusive dating relationship before she graduates from high school - from verbal or emotional abuse to sexual abuse or physical battering. Is your daughter in danger? Dr. Jill Murray speaks on the topic of dating violence at high schools around the country, reaching more than 10,000 students, teachers, and counsellors each year. In every school she visits, she is approached by teenage girls in miserable relationships who, when confronted with the option of breaking up with the boy, exclaim, "But I love him!" Many young women - and their parents, aren't even aware of the indications of a potentially abusive relationship. What's most alarming is that these warning signs are also some of the behaviours that girls find most flattering: A boy pages and calls a girl often - but as a form of control, not affection. He wants to spend all his time with her, but eventually won't allow her to spend time with her friends. He says "I love you" very early in the relationship. These behaviours can escalate into blaming, isolating, manipulating,

threatening, humiliation, and sexual and physical abuse. In *But I Love Him*, Dr. Murray identifies these controlling, abusive patterns of behaviour and helps you get your daughter out of the relationship without alienating her. You will learn what draws her to this type of relationship, why she has a hard time talking to you about it, the special barriers teens face when breaking off a relationship, and what's going on in the mind of a teen abuser. Dr. Murray will help you show your teen what a respectful relationship looks like, and teach her the importance of respecting herself. edition. *Coping With an Abusive Relationship* - Carlene Cobb 2000-12-15

Discusses the symptoms and effects of emotional, physical, and sexual abuse.

*Ditch that Jerk* - Pamela Jayne 2000

A gritty, hard-hitting guide to turning an extra-nasty man into an ex-boyfriend or ex-husband uses examples from the author's counseling sessions to illustrate the patterns an abusive

male and shows women how to spot the danger signs. Simultaneous.

**Dating Violence** - Laura La Bella 2015-07-15  
Women between the ages of sixteen and twenty-four experience the highest rate of dating violence—almost triple the national average. Understanding what dating violence is can help would-be victims—whether male or female—avoid getting involved with someone who could become violent, or provide readers much-needed guidance if they are already in a potentially violent relationship. Resources are provided to help victims end an unhealthy relationship and recover both emotionally and physically. Warning signs, causes, statistics, and options for legal recourse are also included.  
*Breaking the Cycle of Abuse* - Beverly Engel 2015-10-23

This “clear, empathetic self-help book . . . is an excellent choice for readers who come from an abusive past and are struggling to make a brighter future”(Publishers Weekly). If you were

emotionally, physically, or sexually abused as a child or adolescent, or if you experienced neglect or abandonment, it isn't a question of whether you will continue the cycle of abuse but rather a question of how--whether you will become an abuser or continue to be a victim. In this breakthrough book, Beverly Engel, a leading expert on emotional and sexual abuse, explains how to stop the cycle of abuse once and for all. Her step-by-step program provides the necessary skills for gaining control over emotions, changing negative attitudes, learning healthy ways of communicating, healing the damage from prior abuse, and seeking out support. Throughout, Engel shares many dramatic personal stories including her own experiences with abusive behavior. *Breaking the Cycle of Abuse* gives you the power to shatter abusive patterns for good and offers a legacy of hope and healing for you and your family. “A beacon of hope for women and men who fear that they will pass the abuse they have suffered

## In Love And In Danger A Teens Guide To Breaking Free Of Abusive Relationships

on to their children, partners, or employees.”  
—Lundy Bancroft, author of *When Dad Hurts Mom* and *Why Does He Do That?* “In this remarkably powerful, wise, and compassionate book, Beverly Engel . . . offers expert advice and strategies to help parents and would-be parents avoid doing to their children what was done to them and helps both abusers and victims in emotionally and physically abusive relationships make vitally important changes in their relationships.” —Susan Forward, Ph.D., author of *Toxic Parents and Emotional Blackmail*

**In Love And In Danger** - Barrie Levy  
1998-02-01

Describes the experiences of teens who have had abusive dating relationships and gives advice on

how to end the cycle of abuse and forge healthy and loving, violence-free relationships.

**The Batterer as Parent** - Lundy Bancroft 2012  
Moving beyond the narrow clinical perspective sometimes applied to viewing the emotional and developmental risks to battered children, this book, offers a view that takes into account the complex ways in which a batterer's abusive and controlling behaviors are woven into the fabric of daily life. This book is a guide for therapists, child protective workers, family and juvenile court personnel, and other human service providers in addressing the complex impact that batterers -- specifically, male batterers of a domestic partner when there are children in the household -- have on family functioning.
