The Routledge Handbook of Critical Discourse Studies - John Flowerdew 2017-07-06

The Routledge Handbook of Critical Discourse Studies provides a state-of-the-art overview of the important and rapidly developing field of Critical Discourse Studies (CDS). Forty-one chapters from leading international scholars cover the central theories, concepts, contexts and applications of CDS and how they have developed, encompassing: approaches analytical methods interdisciplinarity social divisions and power domains and media. Including methodologies to assist those undertaking their own critical research of discourse, this Handbook is key reading for all those engaged in the study and research of Critical Discourse Analysis within English Language and Linguistics, Communication, Media Studies and related areas.

Cooking for Healthy Healing: Healing Diets - Linda Page 2002

You will discover the healing secrets of different kinds of foods, for example: fruits, vegetables and chlorophyll -- how they cleanse your body and heal health problems; green superfoods and medicinal mushrooms -- how they work for faster healing; herbs and sea greens -- how they help the body remain in balance; spices and herbs -- how they boost thermogenesis to burn calories for hours. Also includes complete nutrient value reference sections for food, herbs and nutrients, and a complete section dedicated to the importance of organic foods. There are over 80 complete healing diets and programs -- from allergies, to childhood disease control, to recovery after radiation and surgery -- each detailed programme shows how to develop the healing diet and then refers to the easy-to-use recipes in 'Cooking For Healthy Healing: Book Two -- The Healing Recipes'.

The Adultery Diet - Eva Cassady 2007-08-07

Cheat on your husband, not on your diet! Eva Cassady is stuck in a marriage that's completely lost its luster. She's even envious of her twenty-year-old daughter, living la vie Parisienne (complete with les condoms) in France for a year. Somewhere inside, Eva knows she's still a woman with dreams and desires -- but her whole dull, status-quo existence can be summed up by the tyrannical numbers on her bathroom scale. At 176 pounds, is she just one more invisible, middle-aged woman who will never inspire lust in a man again? Then fickle fortune -- via her job -- puts Eva back in touch with Michael Foresman, her passionate lover one unforgettable college spring break. Michael seems très interested in meeting up and rekindling some old sparks, but she can't possibly let him see her the way she looks now. With reborn fantasies burning through her blood, Eva starts dieting and exercising like a woman possessed...by passion. With the pounds dropping away, Eva feels as if twenty years have rolled back as well. She feels young, sexy, desirable...and when Michael arrives, he obviously agrees. So now Eva has to make a choice. When a diet promises to change your life, just how big a change do you really want to make? To every woman who has ever craved a spoonful of ice cream or agonized over the minefields of romance, this book is for you. It's witty, it's wonderful, it's smart and perceptive. The Adultery Diet is a light-hearted but emotionally honest look at life, love, letting go...and, of course, losing weight.

Better Sex the Herbal Way - Hari Datt Sharma 2007-09

This slim book is a valuable guide to teach us in simple straight-forward manner some salient points of better sex. It guides us about proper food, drinks to boost sexual pleasure. the main focus is on herbs. An irrepressible force that keeps driving man perennially, the sexual urge has led to an eternal search for the ultimate aphrodisiac. Amongst a host of others, the latest performance boosters to set global libidos afire is Viagra. This book, however, cautions you on the health hazards associated with sex enhancers in modern science.

Sexuality - Linda Page 1998-05

In this edition of Dr. Linda Page's Healthy Healing Guide To Sexuality, Dr. Page brings forth the very latest information about alternative treatments and natural therapies. This book is a must for every natural healing library.

Vegetarian Times - 2001-02

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle

information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

Diet and Health - National Research Council 1989-01-01

Diet and Health examines the many complex issues concerning diet and its role in increasing or decreasing the risk of chronic disease. It proposes dietary recommendations for reducing the risk of the major diseases and causes of death today: atherosclerotic cardiovascular diseases (including heart attack and stroke), cancer, high blood pressure, obesity, osteoporosis, diabetes mellitus, liver disease, and dental caries.

Better Nutrition - 1999-04

Reaching nearly 1 million readers monthly, Better Nutrition celebrates 70 years as a leading in-store distributed magazine for health conscious consumers. Widely distributed to thousands of health-food stores and grocery chains across the country, Better Nutrition provides authoritative, well-researched information on food nutrition, dietary concerns, supplements and other natural products.

Better Sex Better Eating! -

The Best Foods For Your Sex Life - Marsha Gujurati 2014

Men and women both are often looking to boost their sexual arousal. The best way to do this is with some very great and potent aphrodisiac foods. This is because these kind of foods do contain all of the right things to kick off some really sizzling sex that can last and last. Aphrodisiacs not only do increase the male potency when it comes to his arousal. They also know exactly how to increase her cravings in the very same manner. Therefore, aphrodisiac foods do work their wonders for both men and women on the average. This book will endeavor to cover a good many of the aphrodisiac foods that are out there. Some designed just with women in mind and others totally made for men only. Also, there will be some in depth look at aphrodisiac foods that are awesome for both sexes to benefit from equally when it comes right down to getting some out of this world sex. Aphrodisiac foods also make for some great mood, in addition, as well. It is the great mood that makes for sexual excitement and desire in the bedroom, as well. What are the best aphrodisiac foods for a great sex life? Do read on to learn more. You will be very glad that you did and so will your lover. There is nothing to compare to some superb food for some superb sex that will leave you feeling better than you have ever felt before in your life.

The Orgasmic Diet For Novices And Dummies - Sandra Bronson 2020-11-05

Much of the lore surrounding the desire- and performance-enhancing effects of certain foods is anecdotal. But a good diet can help boost your libido and ensure your body is working well. A poor diet can lead to a host of health issues, which may negatively effect your sex life. For example, erectile dysfunction is often linked to obesity and diabetes, which can be caused by a poor diet. Food is an important part of your everyday life and overall health. So it may not surprise you that your diet can affect your sex life. Changing your eating habits and behaviors may not be a cure-all for sexual issues, but it's a good place to start. Eating a well-balanced diet and taking certain supplements may help improve your overall health and sex life. It's also important to avoid drinking too much alcohol. Fueling your body with the right kinds of food can help boost your mood and energy levels to support a healthy relationship and sex life. For optimum health, eat a nutrient-rich diet that's low in trans fats, saturated fats, added sugars, and sodium. Eat a wide variety of fruits, vegetables, whole grains, legumes, nuts, and lean proteins. To avoid gaining weight, don't eat more calories than you burn in a day. Arginine, also known as L-arginine, is an amino acid used by your body to make nitric oxide. This important chemical helps your blood vessels relax, which promotes good blood flow. If you're a man, good blood flow to the erectile tissues in your penis is important for sustaining an erection. When you take supplemental arginine, your intestines break most of it down before it reaches your bloodstream. It may be more helpful to take L-citrulline supplements. L-citrulline is another amino acid that's converted to arginine in your body. A small study published in Urology found that L-citrulline

supplements were more effective than a placebo for treating mild erectile dysfunction. The link between zinc and sexual health isn't completely understood, but zinc appears to affect your body's production of testosterone. It's also necessary for the development of sperm and semen in men. Adequate zinc levels may boost male fertility. Zinc and other nutrients, such as folate, may also impact female fertility.

The Encyclopedia of Natural Medicine Third Edition - Michael T. Murray 2012-07-10

Explains the principles of natural medicine and outlines their application through the safe and effective use of herbs, vitamins, minerals, diet, and nutrition.

Public Enemy Number 1--stress - Herman Todorov 2000

It can slowly drain the life force from your body over time. Or kill swiftly without warning. But you will never find it on a medical chart or see it listed on a death certificate. It's called stress. It exacts a tremendous toll on our lives. It saps our strength, robs our youth and makes us old before our time. We encounter it day in and day out, yet do little, if anything about it. It's no wonder. In today's 'pressure cooker society', the average lunch hour lasts about 11 minutes. Dinner is often consumed in less than 6 minutes (usually seated in front of the television). The average workday can last 10 hours or more. We seem to be living in a society where there's virtually no time for quality time. Strictly speaking, stress itself is not among the direct causes of ageing, yet it plays an extremely important role in the ageing process. It is a powerful force that serves as a catalyst in every known mechanism that causes us to age. Readers might be surprised to find out that this book has as much to do with ageing, life extension and specific measures we can take to postpone the inevitable as it does with stress. The fact is that stress and ageing are inextricably bound together.

Exciting Natural Ways to Super-Charge Your Sex Life for Married Couples - Marko Mut 2019-06-04

Your sex drive is a good overall indicator of how healthy you are. If you are a male and you aren't waking up with regular erections, then that can be an issue. The happier your body is the more sexual desire it will have. If your sex drive is robust and responsive, then generally speaking, you're probably in pretty good shape hormonally. But if it's not quite what it needs to be and you are experiencing symptoms like erectile dysfunction or ED for men and decreased pleasure, low libido or desire in both men and women, then it may be time to introduce some libido boosting herbs and foods, because, as you may have guessed, these achieve their effect by rejuvenating, balancing and regulating the endocrine system, which is the master controller of your circulating hormones. But even beyond their hormonal and libido boosting properties, many of these supplements and herbs for sex are sacred, revered medicines and foods in their own right.

Sex Matters So...Get Sexually Healthy The Natural Way - Lynn A. Anderson 2010-10-11

Sexuality and well being are the foundation of life. Learn how diet, exercise, herbs, scents, sounds, sights and the natural sciences can enhance your health and your sexuality. Because Sex Matters!

Integrative Sexual Health - Barbara Bartlik 2018

Integrative Sexual Health explores beyond the standard topics in men's and women's health, drawing on a diverse research literature to provide an overview of sexual biology and sexual dysfunction, diverse lifespan, lifestyle and environmental impacts on sexual function, integrative medicine solutions to sexual problems, and traditional eastern and western treatment approaches to healing sexual difficulties. This comprehensive guide written by experts in the field provides clinical vignettes, detailed treatment strategies for mitigating the side effects of both medications and sexual dysfunction associated with medical illness and poor lifestyle habits, and extensive further reading resources. Integrative treatment modalities not typically consulted in mainstream medicine, such as traditional Chinese medicine, Ayurvedic medicine, aromatherapy, and botanical medicine, are presented with the best evidence, in a clinically relevant manner. Part of the Weil Integrative Medicine Library, this volume is a must read for the specialist and non-specialist alike who wish to address sexual problems using an integrative medicine approach, and acquire tools to maintain lifetime optimal health and vitality that supports healthy sexuality. Integrative medicine is defined as healing-oriented medicine that takes account of the whole person (body, mind, and spirit) as well as all aspects of lifestyle; it emphasizes the therapeutic relationship and makes use of

appropriate therapies, both conventional and alternative. Series editor Andrew Weil, MD, is Professor and Director of the Arizona Center for Integrative Medicine at the University of Arizona. Dr. Weil's program was the first such academic program in the U.S., and its stated goal is to combine the best ideas and practices of conventional and alternative medicine into cost effective treatments without embracing alternative practices uncritically.

Vegan Sex - Ellen Jaffe Jones 2018-03-25

Diet for Great Sex - Christine DeLozier 2020-09-21

A cheeky, scientific guide to eating for sexual health with a bonus step-by-step instructions for amazing oral sex! Featured in: o The Huffington Post o Marie Claire o CBS o Daily Mail o The Sun "...a comprehensive, valuable, enjoyable, and potentially society-enhancing resource on how to enjoy mutually magnificent sex regularly and naturally." -Indie Reader Hot Sex, naturally? Sex truly becomes great when our nerves, blood vessels and hormones operate in synchrony. Luckily, modern research has shown that diet affects this trifecta, and having a great sex life might just be as easy as preparing the right dinner. In Diet for Great Sex, author Christine DeLozier, L.Ac. explains how the foods we eat can balance hormones, increase blood flow and strengthen nerve conduction to and from the genitals. Calling upon her years of experience treating sexual health issues, and her training as a research scientist, DeLozier walks readers through the specific foods that will lead to great sex and explains the science of how it works.

Dietary Reference Intakes for Vitamin A, Vitamin K, Arsenic, Boron, Chromium, Copper, Iodine, Iron, Manganese, Molybdenum, Nickel, Silicon, Vanadium, and Zinc - Institute of Medicine 2002-07-19

This volume is the newest release in the authoritative series issued by the National Academy of Sciences on dietary reference intakes (DRIs). This series provides recommended intakes, such as Recommended Dietary Allowances (RDAs), for use in planning nutritionally adequate diets for individuals based on age and gender. In addition, a new reference intake, the Tolerable Upper Intake Level (UL), has also been established to assist an individual in knowing how much is "too much" of a nutrient. Based on the Institute of Medicine's review of the scientific literature regarding dietary micronutrients, recommendations have been formulated regarding vitamins A and K, iron, iodine, chromium, copper, manganese, molybdenum, zinc, and other potentially beneficial trace elements such as boron to determine the roles, if any, they play in health. The book also: Reviews selected components of food that may influence the bioavailability of these compounds. Develops estimates of dietary intake of these compounds that are compatible with good nutrition throughout the life span and that may decrease risk of chronic disease where data indicate they play a role. Determines Tolerable Upper Intake levels for each nutrient reviewed where adequate scientific data are available in specific population subgroups. Identifies research needed to improve knowledge of the role of these micronutrients in human health. This book will be important to professionals in nutrition research and education.

Sex Diet - Aleksandra Orlova 2012-09-05

Sex Diet is a new take on nutrition and healthy eating. Stress, fatigue, tiredness, and low sexual energy are all symptoms of twenty-first-century life. Sex Diet can help! The author of Midnight Moscow now takes us into the world of food, sensuality, libido, and nutrition. With explanations, recipes, and more, we explore the relationship between healthy food and sexuality. Each chapter includes a thorough analysis of the vitamin and nutritional value of the foods, recipes for their preparation, and their libidinal effects. You get over 100 aphrodisiac recipes, ideas for vegetarian meals and sexy memorable dishes. The book also explores the connections among libido, exercise, attitude, and good sleep. Sex Diet provides ideas for kinky sex games and explains why holistic approach is better than synthetic drugs for libido boost. The research shows how lifestyle changes can help develop a healthy body and spirit, a strong relationship with ones partner, and an exciting sex life.
