Falling In Love All Over Again: The Sullivans (Babymoon Novella) - Bella Andre 2018-11-14
"Heartwarming, sweet, amusing! Bella Andre has a way of making you fall in love. She has a way of making you laugh one minute only to be crying the next. She fills your heart with love and laughter and then melts it with the romance and love that oozes off the pages. The ending to *Falling In Love All Over Again* was definitely a 'get your box of tissues' moment and I couldn't have been happier or smiling bigger through all the sloppy happy tears that I shed." 5 stars
Catch up with the whole Sullivan clan in this funny, sizzling hot, heartwarming novella! Lori

"Naughty" Sullivan has always been a force of nature—and marriage to Grayson Tyler, her sexy cowboy, hasn't mellowed her out one bit. She's still dancing in stilettos, laughing too loud, and lovingly plotting new ways to drive her husband crazy. It's almost time for their most exciting adventure yet, and Lori can't wait for the next phase of their lives to begin—as parents. Especially when she's certain that Grayson is going to be the best father ever. But has he truly made peace with his tragic past? Or will it come back to haunt him just when their future together should have never looked brighter?
FALLING IN LOVE ALL OVER AGAIN is part of

Bella Andre's New York Times and USA Today #1 bestselling series about The Sullivans. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books, too. about. Megan Harris knows she owes the heroic firefighter everything for running into a burning building to save her and her seven-year-old daughter. Everything except her heart. Because after losing her navy pilot husband five years ago, she has vowed to never suffer through loving - and losing - a man with a dangerous job again. Only, when Gabe and Megan meet again and uncontrollable flames of desire ignite between them, how can he possibly ignore her courage, determination, and beauty? And how can she deny not only his strong bond with her daughter...but the way his sweetly sensual kisses are challenging her to risk everything she's been guarding for so long? This winter, if one - or both - of them aren't careful, they just might end up falling in love.*** Book 1 in the Sullivan series, THE LOOK OF LOVE, Book 2, FROM THIS MOMENT ON, and Book 4, I ONLY HAVE EYES FOR YOU, are also available! ** *REVIEWS: "Gabe just might be my favorite Sullivan yet!
