Little did she know, the man with whom she shared that lightning bolt of lust was star Everett Hughes. For Everett, women and sex came as easily as fame. But how could he hope to convince the guarded Joy that beneath the hard body and sexy façade of celebrity was a real man who wanted only one, real woman? In the heat of an intoxicating affair, Everett endeavors to break down her barriers, gain her trust, and expose himself as the real deal. But can Joy do the same, and reveal to him the vulnerable woman who longs to be loved, wanted, and desired forever?

**The Tycoon's Marriage Exchange** - Elizabeth Lennox 2012-04-27

Kallista couldn't believe what Hector Christophe was suggesting. He wanted to marry her? But they barely knew each other! They'd

exchanged possibly three or four sentences over the past several years, and now he was suggesting that they marry to save her father's business. Only Hector had the resources, but Kallista's father wouldn't accept help from anyone but family. Hector's solution? Become part of Kallista's family. She didn't understand him - he was kind and considerate one moment, then grouchy and insulting the next. So how could his touch send sparks of electricity through her body? Why does his kiss make her forget everything? How could she fall in love with such a mercurial man? Hector knew he didn't deserve Kallista. She was sweet and pure, intelligent and witty. He'd grown up an orphan, survived on the streets by stealing for his next meal and slept in places others had abandoned. If it weren't for Kallista's father, he might still be stealing but the man had picked Hector up and cleaned him up, given him hope and urged him to become something. Now he had the power and wealth to pay her father back but the only way he could do that was by marrying his daughter. Falling in love with Kallista had been the last thing he'd wanted to do. But she got under his skin, wove through his defenses and he'd been no match for her smile or kindness.

*Remember When 3* - T. Torrest 2013-11-21

"I'd spent too long in limbo. It was time to put The California Plan back into effect." ~Layla Warren I've been in love with Trip Wiley since I was sixteen years old. Yep. That Trip Wiley. Academy award-winning actor, known philanthropist, People's Sexiest Man Alive two years running...Yeah. It's not like I'm some delusional stalker-fan. It just so happens that he was my high school sweetheart back in 1991. In the years since, he's simply been The One That Got Away. We just can't seem to get on the same page at the same time. Our timing may have sucked, but the feelings had already been confirmed. Years ago. At least his were. He doesn't know that I had chosen to love him back. I need to fix that. And I need to do it now. *Remember When 3* is the third and final book in the *Remember Trilogy*. It's a story about taking chances and following your heart...and knowing that sometimes, you just have to learn when to let go.

**The Spanish Love Deception** - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair,

also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

**Something About You** - Julie James 2010-03-02

There's something about the New York Times bestselling Julie James... *FATE HAS THROWN TWO SWORN ENEMIES...* Of all the hotel rooms rented by all the adulterous politicians in Chicago, female Assistant U.S. Attorney Cameron Lynde had to choose the one next to 1308, where some hot-and-heavy lovemaking ends in bloodshed. And of all the FBI agents in Illinois, it had to be Special Agent Jack Pallas who gets assigned to this high-profile homicide. The same Jack Pallas who still blames Cameron for a botched crackdown three years ago—and nearly ruining his career... ...INTO EACH OTHER'S ARMS Work with Cameron Lynde? Are they kidding? Maybe, Jack thinks, this is some kind of welcome-back prank after his stint away from Chicago. But it's no joke: the pair is going to have to put their rocky past behind them and focus on the case at hand. That is, if they can cut back on the razor-sharp jibes—and smother the flame of their sizzling-hot sexual tension...
