*Dictionary Catalog of Official Publications of the State of New York* - 1985

Includes information from the Checklist of official publications of the State of New York.

**Both Sides of the Circle** - Christmas Humphreys  
2015-03-24

First published in 1978, Christmas Humphreys' autobiography presents the fascinating history of a life rich and varied in both private and in public. Spanning seven decades it touches on many events of historical interest in which he was personally involved. Among them the abdication of Edward VIII, the Japanese War Trials and his time with the Dalai Lama after his flight from Tibet. The

author gives a graphic portrait of life behind the Bar and on the Bench - of what it is like to prosecute and to defend, and of the immense difficulties which face a judge when passing sentence. Here too are recollections of many famous cases of the twentieth century, and of the many murder trials in which he appeared as prosecuting counsel or judge. Of equal interest is his fifty years' of work in the field of English Buddhism. In 1924 he and his wife founded the Buddhist Society, which would become hugely influential in the spread of Buddhism throughout the West. Both Sides of the Circle is rich in humour and humanity. There is the joyful account of the author's Edwardian Boyhood

followed by the tragedy of his brother's death in World War 1, which lead to the awakening of his interest in Buddhism and Theosophy. He speaks freely of his encounters with the Dalai Lama, with D.T. Suzuki, with Jung and with the Royal families of Thailand, Sikkim and Nepal, as well as his travels throughout the Europe and in the Orient. Both sides of the Circle is more than autobiography - it is also a spiritual odyssey whose reissue will be of great interest to those who've enjoyed Christmas Humphreys' other work and wish to know more about his brilliant career. It will also be very welcome to those wanted to learn about Buddhism in general, and the origins of English Buddhism in particular.

*Suffolk Surnames* - Nathaniel Ingersoll Bowditch 1857

**Language and the Sexes** - Francine Frank 1983-01-01

In a highly readable and lively text, the authors explore the way language mirrors our cultural assumptions,

especially those concerned with gender distinctions. Focusing on contemporary issues, they draw on their knowledge of sociolinguistics and other languages to illustrate how sexism may be hidden by habits of language. In making the reader aware of these, they suggest options for change. Language and the Sexes synthesizes a wide range of up-to-date information and research under several topics: naming, stereotypes of language behavior, the politics of conversation, forms of address, asymmetry in vocabulary, and possibilities of reform. The book concludes with suggested projects related to these topics, guidelines for non-discriminatory language use, and an extensive bibliography.

**A Guide to Resources on Women and Gender Studies at the University of Chicago** - Ruth Murray 1989

Language and the Sexes - Francine Harriet Wattman Frank 1983-01-01

From the Back Cover: In a

highly readable and lively text, the authors explore the way language mirrors our cultural assumptions, especially those concerned with gender distinctions. Focusing on contemporary issues, they draw on their knowledge of sociolinguistics and other languages to illustrate how sexism may be hidden by habits of language. In making the reader aware of these, they suggest options for change. Language And The Sexes synthesizes a wide range of up-to-date information and research under several topics: naming, stereotypes of language behavior, the politics of conversation, forms of address, asymmetry in vocabulary, and possibilities of reform. The book concludes with suggested projects related to these topics, guidelines for non-discriminatory language use, and an extensive bibliography.

American Book Publishing Record - 1985

**A Field of One's Own** - Bina Agarwal 1994

This is the first major study of gender and property in South Asia. In a pioneering and comprehensive analysis Bina Agarwal argues that the single most important economic factor affecting women's situation is the gender gap in command over property. In rural South Asia, the most significant form of property is arable land, a critical determinant of economic well-being, social status, and empowerment. But few women own land; fewer control it. Drawing on a vast range of interdisciplinary sources and her own field research, and tracing regional variations across five countries, the author investigates the complex barriers to women's land ownership and control, and how they might be overcome. The book makes significant and original contributions to theory and policy concerning land reforms, 'bargaining' and gender relations, women's status, and the nature of resistance.

□□□□□□□□ - 1996

*The Sea-pie* - 1842

Research Libraries 1975

**Catena Librorum**

**Tacendorum** - Henry Spencer  
Ashbee 1885

**Women's Studies** - Catherine  
Loeb 1987

**Chicano Library Resource  
Center Bibliography** - Jeff  
Paul 1989

The History and Topographical  
Survey of the County of Kent -  
Edward Hasted 1782

A Century of Artists Books -  
Riva Castleman 1997-09  
Published to accompany the  
1994 exhibition at The Museum  
of Modern Art, New York, this  
book constitutes the most  
extensive survey of modern  
illustrated books to be offered  
in many years. Work by artists  
from Pierre Bonnard to  
Barbara Kruger and writers  
from Guillaume Apollinaire to  
Susan Sontag. An important  
reference for collectors and  
connoisseurs. Includes notable  
works by Marc Chagall, Henri  
Matisse, and Pablo Picasso.

**Recording for the Blind &  
Dyslexic, ... Catalog of  
Books** - 1996

Government Publications** -  
New York Public Library.

**The British Library General  
Catalogue of Printed Books,  
1986 to 1987** - British Library  
1988

**Language and Gender** -  
Penelope Eckert 2013-02-07  
Updated and restructured new  
edition of a textbook for  
courses in language and  
gender which is accessible to  
non-linguists.

*Feministische  
Bibelwissenschaft im 20.  
Jahrhundert* - Elisabeth  
Schüssler Fiorenza 2015-07-15  
Der Band führt eine innovative  
und kritische Konzeption der  
Bibelwissenschaft bis in die  
Gegenwart weiter, die mit der  
Frauenbewegung begann. In  
den einzelnen Beiträgen wird  
der Schlüsselbegriff  
"Feminismus" nicht im engeren  
Sinn von Frauen- oder

Geschlechterforschung verstanden, sondern er benennt performativ unterschiedliche soziokulturelle und theoretisch-religiöse Standorte. "Feministisch" umfasst gender- und befreiungstheologische, postkoloniale, queere und interreligiöse Forschungen und

viele andere patriarchatskritische Perspektiven. Das Thema "Frauen und Bibel" wird zwischen den internationalen Frauenbewegungen und der akademischen Erforschung biblischer und anderer heiliger Texte situiert.
