**Betty** Georges Simenon 1975 A psychopathic woman pours out her life story to the widow who nurses her through her latest drinking binge.

**Twelve Years A Slave, Illustrated Edition** Solomon Northup 2014-04-08 Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

**Little Dancer Aged Fourteen** Camille Laurens 2018-11-20 This absorbing, heartfelt work uncovers the story of the real dancer behind Degas's now-iconic sculpture, shedding light on the struggles of late nineteenth-century Parisian life. She is famous throughout the world, but how many know her name? You can admire her figure in Washington, Paris, London, New York, Dresden, or Copenhagen, but where is her grave? We know only her age, fourteen, and the work that she did—because it was already grueling work, at an age when children today are sent to school. In the 1880s, she danced as a “little rat” at the Paris Opera, and what is often a dream for young girls now wasn't a dream for her. She was fired after several years of intense labor; the director had had enough of her repeated absences. She had been working another job, even two, because the few pennies the Opera paid weren't enough to keep her and her family fed. She was a model, posing for painters or sculptors—among them Edgar Degas. Drawing on a wealth of historical material as well as her own love of ballet and personal experiences of loss, Camille Laurens presents a compelling, compassionate portrait of Marie van Goethem and the world she inhabited that shows the importance of those who have traditionally been overlooked in the study of art.

**The Last One** Fatima Daas 2021-11-23 “Fatima Daas carves out a portrait, like a patient, attentive sculptor...or like a mine searcher, aware that each word could make everything explode.” —Virginie Despentes Drawn from the author's experiences growing up in a Paris banlieue, a powerful, lyric debut that explores the diverse, often conflicting facets of her identity—French, Algerian, Muslim, lesbian. The youngest daughter of Algerian immigrants, Fatima Daas is raised in a home where love and sexuality are considered taboo, and signs of affection avoided. Living in the majority-Muslim suburb of Clichy-sous-Bois, she often spends more than three hours a day on public transportation to and from the city, where she feels like a tourist observing Parisian manners. She goes from unstable student to maladjusted adult, doing four years of therapy—her longest relationship. But as she gains distance from her family and comes into her own, she grapples more directly with her attraction to women and how it fits with her religion, which she continues to practice. When Nina comes into her life, she doesn't know exactly what she needs but feels that something crucial has been missing. This extraordinary first novel, anchored and buoyed by the refrain “My name is Fatima,” is a vital portrait of a young woman finding herself in a modern world full of contradictions. Daas's journey to living her sexuality in spite of expectations about who she should be offers a powerful perspective on the queer experience. PEN Translation Prize Finalist *Bustle*: Best Book of the Month *Library Journal*: Best Debut Novel of the Season *Lambda Literary*: Most Anticipated Book of the Month

**Aurélien, Clara, Mademoiselle and the English Lieutenant** Anne Herbert 1996 A shimmering fable that captivates and dazzles with its simple beauty.

**Fashion and Modernity** Christopher Breward 2005 What is the relationship between fashion and modernity, and how is this unique relationship manifested in the material world? This book considers how the relationship between fashion and modernity tests the very definition of modernity and enhances our understanding of the role of fashion in the modern world.

**Livres hebdo** 2000

**Surreal Friends** Stefan van Raaij 2010 *Surreal Friends* brings together for the first time the work of three women Surrealist artists, brought together in exile in Mexico in the 1940s: British painter Leonora Carrington, Spanish painter Remedios Varo and Hungarian photographer Kati Horna. For all three women, Mexico offered freedom to explore their art in ways that had not been possible in Europe. *Surreal Friends* tells the fascinating story of their artistic friendship.

**The Wretched of the Earth** Frantz Fanon 2019-12-23 A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's *Orientalism* or *The Autobiography of Malcolm X*, and it is now available in a new translation that updates its language for a new generation of readers. *The Wretched of the Earth* is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of postindependence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been reflected all too clearly in the corruption and violence that has plagued present-day Africa. *The Wretched of the Earth* has had a major impact on civil rights, anticolonialism, and black consciousness movements around the world.

**Scrap Book, 1900-1981** Sir Roland Penrose 1981

**Hysteric** Nelly Arcan 2014 In this daring act of self-examination and confession, the late novelist Nelly Arcan explores the tortured end of a love affair. All the wrong signals were there from the start, but still, she could not help falling. More than a portrait of an affair gone wrong, *Hysteric* is a chronicle of life among the twenty- and thirty-somethings, a life structured by text messages, missed cell phone calls, the latest DJs and Internet porn. When the writer's aunt read her tarot cards, no predictions for her future ever appeared. This tale, an astounding feat of literary realism, shares the story of a woman who loses her identity in a man in hopes of finding love. Told in the same voice that made her first novel *Whore* an international success, Nelly Arcan manages to answer the challenges she set down for herself in her previous books.

**The Bloody Countess** Valentine Penrose 2013-10-12 Descended from one of the most ancient aristocratic families of Europe, Erzsebet Bathory bore the psychotic aberrations of centuries of intermarriage. From adolescence she indulged in sadistic lesbian fantasies, where only the spilling of a woman's blood could satisfy her urges. By middle age, she had regressed to a mirror-fixated state of pathological necro-sadism involving witchcraft, torture, blood-drinking, cannibalism and wholesale slaughter. These years, at the latter end of the 16th century, witnessed a reign of cruelty unsurpassed in the annals of mass murder, with the Countess' depredations on the virgin girls of the Carpathians leading to some 650 deaths. Her many castles were equipped with chambers where she would hideously torture and mutilate her victims; hundreds of girls were killed and processed for the ultimate, youth-giving ritual: the bath of blood. *The Bloody Countess* is Valentine Penrose's true, disturbing case history of a female psychopath, a chillingly lyrical account beautifully translated by Alexander Trocchi (author of *Cain's Book*), which has an unequalled power to evoke the decadent melancholy of doomed, delinquent aristocracy in a dark age of superstition.

**Cinema and Sensation** Martine Beugnet 2007 *Cinema and Sensation: French Film and the Art of Transgression* looks at a much-debated phenomenon in contemporary cinema: the reemergence of filmmaking practices (and, by extension, of theoretical approaches) that give precedence to cinema as the medium of the senses. France offers an intriguing case in point here. A specific sense of momentum comes from the release, in close succession, of a series of films that exemplify a characteristic awareness of cinema's sensory impact and transgressive nature: *Adieu*; *A ma soeur*; *Baise-moi*; *Beau Travail*; *La Blessure*; *La Captive*; *Dans ma peau*; *Demonlover*; *L'Humanité*; *Flandres*; *L'Intrus*; *Les Invisibles*; *Lady Chatterley*; *Leçons de ténèbres*; *Romance*; *Sombre*; *Tiresia*; *Trouble Every Day*; *Twentynine Palms*; *Vendredi soir*; *La Vie nouvelle*; *Wild Side*; and *Zidane, un portrait du XXIème siècle*. These films, among others, typify a willingness to explore cinema's unique capacity to move us both viscerally and

intellectually. Martine Beugnet focuses on the crucial and fertile overlaps that occur between experimental and mainstream cinema. Her book draws on the writings of Deleuze, Merleau-Ponty, and Bataille, among others, but first and foremost, she develops her arguments from the films themselves, from the comprehensive description of specific sequences, techniques, and motifs that allows us to engage with the works as material events and as thinking processes. In turn, she demonstrates how the films, envisaged as forms of embodied thought, offer alternative ways of approaching today's most burning sociocultural debates—from the growing supremacy of technology, to globalization, exile, and exclusion.

A Reference Grammar of French R. E. Batchelor 2011-07-14 A Reference Grammar of French is a lively, wide-ranging and original handbook on the structure of the French language. It includes new information on register, pronunciation, gender, number, foreign words (Latin, Arabic, English, Spanish, Italian), adjectives and past participles used as nouns, texting, word order, frequency of occurrence of words, and usage with all geographical names. Examples come not only from France, but also from Quebec, Belgium and Switzerland. Readers will appreciate the initial passages illustrating the grammatical features of a given chapter. Also included is a user-friendly introduction to the French language, from its Latin origins to modern times. A full glossary explains any terms that might confuse the less experienced reader, and the index leads the student through the detailed labyrinth of grammatical features. This handbook will be an invaluable resource for students and teachers who want to perfect their knowledge of all aspects of French grammar.

**What You Need From The Night** Laurent Petitmangin 2023-02-09 'One of the most exquisite debuts I've read for some time' Daily Telegraph 'Affecting and haunting' Observer After the death of his wife, a father raises his two sons alone. His bond with Fus, the eldest, and Gillou, the youngest, is a close one. But their town is not one of opportunity, and it soon becomes clear that the boys are heading down different paths. Gillou sets his sights on university in Paris. Fus, despite his socialist upbringing, falls in with the local far-right group. Though he joins mostly for the camaraderie, their activities, which might on the surface appear harmless, lead to a violent confrontation. How can a father and son find common ground when everything seems set to break them apart? A sudden tragedy will force them to find an answer. Tense, sharp and ultimately heartbreaking, Laurent Petitmangin's first novel, *What You Need From The Night*, shines a spotlight on lives that are unfolding in forgotten corners of France and asks what acts can truly be forgiven. 'A tragedy of unconditional love' - L'Obs 'Heartbreaking . . . haunts you long after you've put it down' - Libération 'As sublime as it is painful' - Le Parisien

The new edition of *Media, Gender and Identity* is a highly readable introduction to the relationship between media and gender identities today. David Gauntlett discusses movies such as *Knocked Up* and *Spiderman 3*, men's and women's magazines, TV shows, self-help books, YouTube videos, and more, to show how the media play a role in the shaping of individual self-identities. **In the Shadow of the Wind** Anne Hebert 1994-01-01 "On a hot summer night in 1936 Olivia and Nora Atkins go for a stroll along the beach in Gaspé. They never return. When the body of one of them is washed ashore days later, the tiny community of Griffin Creek is electrified. The teenagers have been murdered. But by whom?"

Like *Indiana*, her first, it explores the relationship between men and women. *Valentine*, an aristocratic girl, falls desparately in love with Benedict, the son of a poor farmer. Again, like *Indiana*, this novel challenges preconceived masculine assumptions about woman's role in society. In loving Benedict, *Valentine* rebels against her family and her class.

**L'écriture du bonheur dans le roman contemporain** Ruth Amar 2011-01-18 Through the ages, the pursuit of Happiness has been at the heart of the needs and desires each individual would seek to fulfill, while as a concept, Happiness has always resonated strongly in poetic as well as philosophical, sociological and psychological contexts. But what about Happiness today, in a world dominated by technology, driven by productivity and dictated by efficiency? Does Happiness still feature in contemporary fiction in any significant way? Or has it perhaps gone underground, adopting different guises? Would we still call that "duty of happiness" that Pascal Bruckner saw as "present at the second half of the twentieth century" a relevant force today? Or has it waned perceptibly? The articles brought together in this volume seek to work out answers to these and similar questions, creatively addressing the imminent risks but also eagerly following up the intriguing possibilities one encounters when interrogating Happiness in the contemporary novel. Originally based on an international conference organized at the University of Haifa, Israel, in May 2010, the volume is structured around the axes we found useful as a basis for the various approaches towards Happiness in Europe and the historical and

social events that influenced the writing of Happiness as they defined the 20th century and have impacted on the 21st: the Holocaust, the Soviet dystopia, consumerism, postmodernism, "everyday life," the various as yet unarticulated new modes of life they have given rise to, and so on. A new writing of happiness then? At the very least this volume targets the contemporary novel without wanting to solidify works, instead taking into account the fluctuations Happiness has been subjected to, and the diversity and especially the paradoxes it has created, while we have been keen to preserve a "precise" reading of the texts and have felt compelled to respect and preserve the particular features that make the writings of the authors we focus on stand out. Thème philosophique aussi bien que poétique, sociologique et psychologique, le bonheur s'édifie à la mesure de chacun. « N'est-il pas vrai que, nous autres hommes, nous désirons tous être heureux ? » (Platon). Or dans notre monde actuel dominé par la technique, la recherche à outrance du productif et de l'efficacité, qu'en est-il du bonheur ? Est-il encore présent aux écritures romanesques contemporaines ? Sous quelles formes se présenterait sa recherche ? Ce « devoir de bonheur propre à la deuxième moitié du XXe siècle » dont parle Pascal Bruckner, continue-t-il toujours à être d'actualité ? S'est-il renforcé ou, au contraire, s'est-il affaibli? Le projet d'un questionnement du bonheur dans le roman contemporain comportait de gros risques, mais il offrait en même temps des possibilités stimulantes. A la suite du colloque international organisé à l'université de Haïfa en mai 2010, les textes réunis dans ce livre, cherchent à élaborer des éléments de réponse à ces questions. Le volume offre un état des lieux du bonheur dans le roman depuis 1980 et présente une large diversité d'approches, de définitions, d'interrogations sur l'écriture du bonheur sur trois décennies. Le recueil s'articule autour d'axes qui ont servi de base aux différentes approches du bonheur en Europe et d'événements historiques et sociaux qui ont pu influencer l'écriture du bonheur aux différentes périodes du XXe et XXIe siècles, telles que l'Holocauste, la dystopie en Russie, le postmodernisme et le consumérisme, le quotidien, les différents paradoxes du bonheur, les nouveaux modes de vie. Nouvelle écriture du bonheur? Du moins, ce volume vise-t-il le contemporain sans figer les œuvres, tout en tenant compte des fluctuations du sujet, de sa diversité, de ses paradoxes surtout, tout en conservant la lecture précise des textes et en respectant la particularité de l'écriture des auteurs traités.

**A History of the French in London** Debra Kelly 2013 This book examines, for the first time, the history of the social, cultural, political and economic presence of the French in London, and explores the multiple ways in which this presence has contributed to the life of the city. The capital has often provided a place of refuge, from the Huguenots in the 17th century, through the period of the French Revolution, to various exile communities during the 19th century, and on to the Free French in the Second World War. It also considers the generation of French citizens who settled in post-war London, and goes on to provide insights into the contemporary French presence by assessing the motives and lives of French people seeking new opportunities in the late 20th and early 21st centuries. It analyses the impact that the French have had historically, and continue to have, on London life in the arts, gastronomy, business, industry and education, manifest in diverse places and institutions from the religious to the political via the educational, to the commercial and creative industries.

The Silver Dark Sea Susan Fletcher 2012-07-05 The powerful new novel from the award-winning author of 'Eve Green' and 'Oystercatchers' is a tale of love and the lore of the sea.

*Rewriting the Rules* Meg Barker 2012 We live in a time of great uncertainty about relationships. We search for "The One," but find ourselves staying single because nobody measures up. The reality of our relationships is not what we expected, and it becomes hard to balance it with all the other things that we want out of life. At the same time that marriage shows itself to be the one 'recession proof' industry; the rates of separation and break-up soar ever higher. *Rewriting the Rules* is a friendly guide through the complicated - and often contradictory - rules of love: the advice that is given about attraction and sex, monogamy and conflict, gender and commitment. It asks questions such as: which to choose from all the rules on offer? Do we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? This book considers how the rules are being 'rewritten' in various ways, for example the 'new monogamy', alternative commitment ceremonies, different ways of understanding gender, and new ideas for managing conflict and break-up where economics and child-care make complete separation a problem. In this way *Rewriting the Rules* gives the power to the reader to find the approach which fits their situation.

**Corydon** André Gide 2001 In 1907 Andre Gide began work on a series of Socratic dialogues on the subject of homosexuality and its place in society. These were published piecemeal, without the author's name, in private editions of twelve copies (1911) and twenty-one copies (1920) before a signed, commercial edition finally appeared in France in 1924. In his preface to the first American edition--published in 1950, the year before his death--Gide says: "Corydon remains in my opinion the most important of my books."

*Difference and Subjectivity* Francis Jacques 1991 This prize-winning book, first published in France in 1982 and now available in an English translation, investigates the question of human subjectivity.

*Returning to Reims* Didier Eribon 2018-06-07 'A deeply intelligent and searching book, one that makes you re-consider the narrative of your own life and reframe the story you tell yourself' Hilary Mantel "There was a question that had come to trouble me a bit earlier, once I had taken the first steps on this return journey to Reims... Why, when I have had such an intense experience of forms of shame related to class ... why had it never occurred to me to take up this problem in a book?" *Returning to Reims* is a breath-taking memoir of return, a family story of class, sexuality, gender and of the shifting political allegiances of the French working classes. A phenomenon in France and a huge bestseller in Germany, Didier Eribon has written the defining memoir of our times.

**Surrealist Women** Penelope Rosemont 2000-12-01 *Surrealist Women* displays the range and significance of women's contributions to surrealism. Penelope Rosemont, affiliated with the Paris Surrealist Group in the 1960s and now a Chicago poet and painter, has assembled nearly three hundred texts by ninety-six women from twenty-eight countries. She opens the book with a succinct summary of surrealism's basic aims and principles, followed by a discussion of the place of gender in the origins of the movement. The texts are organised into historical periods ranging from the 1920s to the present, with introductions describing trends in the movement for each period; and each surrealist's work is prefaced by a brief biographical statement. Authors include El Allailly, Bruna, Cunard, Carrington, Cesaire, Gauthier, Giovanna, van Hirtum, Kahlo, Levy, Mansour, Mitrani, Pailthorpe, Joyce Peters, Rahon, Svanmajerova, Taub, Zangana

*Children of the Goddess* Marine Carrin 2018 The women featured in this book *Children of the Goddess: Devotion and Female Priesthood in Bengal* live on the frontier between the tribal and the low-caste society in Bengal, and turn to religion in order to forge a new identity. Often rejected by their own community, and having lived through long and difficult personal crises some of them turn to religion to accultured identity. Some may succeed in becoming female priests, presiding over a Goddess shrine, having given up their femininity by ceasing to menstruate. As Parvati, the central personality of the book, puts it: 'Now I no longer need a child. I am the child of the Goddess', even as she innovates on the boundaries of Hinduism. The book provides a window to a little-known world where social marginality, subaltern assertion, the politics of gender, and the contestation between tribal religion and Hinduism merge to produce a unique perspective on popular Hinduism.

**The Fairies are Thirsty** Denise Boucher 1982 Three women--a housewife, a whore and the Virgin Mary--fight to break their stereotypes. Cast of 3 women.

But now Mad is being threatened with deportation and marrying Alice strikes both friends as the best solution to their problems. On the eve of her wedding, Alice reflects on their years of friendship--from their childhood together to the first time she ever heard racial slurs being directed at her friend to the victory of Jean-Marie Le Pen in the presidential primaries in 2002"--Publishers website, viewed September 30, 2011.
