African Union Mourns Chinua Achebe - The Patriotic Vanguard

Hart Crane - Brian M. Reed 2006-04-02

"This volume studies the relation between globalization and inequalities in emerging societies by linking Area and Global Studies, aiming at a new theory of inequality beyond the nation state and beyond Eurocentrism"--

American Book Publishing Record - 2003

[The New Moulton's Library of Literary Criticism: Medieval-early](#)

[library-of-other-orpheus-homosexuality-literary-criticism](#)

[Renaissance](#) - Harold Bloom 1985

[Ancient Rome and the Construction of Modern Homosexual Identities](#) - Jennifer Ingleheart 2015

This volume analyses the importance of ancient Rome in the construction of post-classical homosexual identities. Essays by leading and emerging scholars explore the contested history of responses to Roman homosexuality, in areas including literature, the visual arts, popular

culture, scholarship, and pornography. Much has been written about the contribution of ancient Greek homosexuality to modern discourses of homosexuality, but this volume argues that Rome has been largely overlooked in this respect.

Historical Abstracts - 1988

Book Review Index - 1983

Every 3rd issue is a quarterly cumulation.

Gay & Lesbian Literature - Sharon Malinowski 1994

Biographical, bibliographical, and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900.

National Library of Medicine Current Catalog - National Library of Medicine (U.S.) 1973

First multi-year cumulation covers six years: 1965-70.

The Other Orpheus - Merrill Cole 2004-06-01

First published in 2003. This volume aims to re-establish an interest in poetry by integrating questions of prosody and aesthetics with political literary inquiry. The broader theoretical goal is nothing less than a rehabilitation of the concepts of affect and imagination, though the study also argues against anti-formalist approaches to literature.

A Portrait of the Artist - Foster Hirsch 1979

Library of English Literature ... - 1850

Tennessee Williams - J. Bak 2013-02-18

This Literary Life draws extensively from the playwright's correspondences, notebooks, and archival papers to offer an original angle to the discussion of Williams's life and work, and the times and circumstances that helped produce it.

My Gay Middle Ages - A. W. Strouse 2015-05-13

In the world of My Gay Middle Ages, Chaucer and Boethius are the secret-sharers of A.W. Strouse's "gay lifestyle." Where many scholars of the Middle Ages would "get in from behind" on cultural history, Strouse

instead does a "reach around." He eschews academic "queer theory" as yet another tedious, normative framework, and writes in the long, fruity tradition of irresponsible, homo-medievalism (a lineage that includes luminaries like Oscar Wilde, who was sustained by his amateur readings of Dante and Abelard during the darks days of his incarceration for crimes of "gross indecency"). Strouse experiences medieval literature and philosophy as a part of his everyday life, and in these prose poems he makes the case for regarding the Middle Ages as a kind of technology of self-preservation, a posture through which to spiritualize the petty indignities of modern urban life. With a Warholian flair for insouciant name-dropping and a Steinian appetite for syntactic perversion, Strouse monumentalizes the medieval within the contemporary and the contemporary within the medieval. "Today, almost nobody reads Boethius, which if you ask me is a crying shame. Because Boethius is so gay. First of all, the heroine of the Consolation is this great big fierce diva, whose name is Lady Philosophy. She's a Lady, and she doesn't stand for anybody's crap. At the beginning of the book, Boethius is crying, all alone in prison, depressed that he's lonely and loveless and is going to be killed. Lady Philosophy descends from the heavens, a la Glinda the Good Witch in The Wizard of Oz. The first thing Boethius notices about her is that she's wearing an amazing dress with Greek letters embroidered on it-they stand for practical and theoretical philosophy. Her dress has been torn to shreds by the hands of uncouth philosophers. They didn't know how to treat a lady." (from "My Boethius")

TABLE OF CONTENTS // The Most Famous Medievalist in the World - My Boethius - Memory Houses - The President of the Medieval Academy Made Me Cry - My Medieval Romance - The Formation of a Persecuting Society - The Medieval Heart is Like a Penis - Jilted Again - My Orpheus - Medieval Literacy - My Cloud of Unknowing - The Post-Medieval Unconscious - Coda: The Dedication"

Orpheus Girl - Brynne Rebele-Henry 2019

When sixteen-year-old mythology-obsessed Raya and her true love Sarah are sent from their conservative Texas town to a re-education camp, Raya assumes the role of Orpheus to save them.

Tennessee Williams, T-shirt Modernism and the Refashionings of Theater - S. E. Gontarski 2021-07-06

Tennessee Williams, T-shirt Modernism and the Refashionings of Theater reappraises the received wisdom that Williams's work fell into decline in the late 1960 as the Naturalism he was associated with, not always through his own choice, was replaced by European theatrical experimentalism and as culture saw a lifting of sexual restrictions. It suggests, instead, that Williams was always experimental, always more Chekhov than Ibsen, a lyrical playwright inflected with the poetry of Harte Crane, and that his late plays are as central to Williams's reshaping of American theater as those works of the immediate post-World War II era that brought him fame and fortune. Its general aim, then, is to engage the perception that "Tennessee Williams is the

greatest unknown playwright America has produced" (David Savran, City University of New York). In many respects the work of Tennessee Williams, after a protracted period of neglect, is primed for reappraisal, reinterpretations and, subsequently, re-stagings. This work is part of that process, academically at very least, but performatively as well as academic reinterest often regenerates theatrical reinterest. The New Moulton's Library of Literary Criticism: Bibliographical supplement and index - 1985

Handel as Orpheus - Ellen T. Harris 2004-09-30

Handel wrote over 100 cantatas, compositions for voice and instruments describing the joy and pain of love. In the first comprehensive study of the cantatas, Harris investigates their place in Handel's life as well as their extraordinary beauty.

Sexual Ambivalence - Luc Brisson 2002-03-28

Analysis of sexual ambivalence in antiquity, which was both deeply threatening to the social order and profoundly attractive.
