Sexual Alchemy Donald Tyson 2000 Chances are that you've heard of Tantra and Taoist sexual practices. Now, as a result of studying the inner mysteries of alchemy, Donald Tyson presents a Western system of sacred sexuality in Sexual Alchemy. Here you will learn how to have erotic relationships with loving spirits. That means the methods presented here can function as a Western alternative to Eastern sexual practices. They also can be used by a solitary person and need not depend upon the participation of a partner. The first part of this book presents a history of sex with spirits. It also goes into the secrets of Eastern internal alchemy and how the books of Western alchemy often made secretive references to sexual magick. You will also learn how to create a physical representation of the spirit you are going to use as a partner. The second part of the book includes the practices and techniques which the author found to be effective from other sources or developed himself. This includes techniques of diet, exercise, breathwork, banishings, purifications, and finally, an invocation ritual to summon the spirit who is going to be your lover! Then you will learn the previously hidden secrets of having sex with a spirit lover. You'll learn how to prepare and recognize the signs that this is an actual occurrence and not simply a fantasy. And then, when you have accomplished your ritualized mating, you will learn how to collect and use the resulting, highly charged fluids for magical purposes. Everything we are, everything we have, is a gift from the Divine. Doesn't it make sense that we use all of our abilities to honor the source from which they came? That means we can even make use of our sensual natures to honor the Gods. If you want to follow a system based on western traditions, this book can be your guide.

Love Goddesses of the Tantra Matthew Martin 2016-01-01 This book is about spiritual tantric love. It is not a tantric sex how-to-do-it manual, though it does show new ideas and ways to experience the love relationship and the love ritual. This book does not contain any sexual images, though it does contain tantric metaphor and figurative language. This book is more about unique kinds of experience - different perspectives, attitudes, and ways of being in the love ritual. It is about different ways of loving and different kinds of lovers. Moreover, it's about understanding oneself and the other. The emphasis is mostly on increasing one's understanding of the spiritual powers and energies potentially involved in the love-sex experience, and also having an attitude of spontaneity and exploration, so that we are always in wonder and discovery in the magic of love. Yet any real learning about this whole subject, as well as any increase of one's love powers, will have to come from personal experience - from exploration and discovery. So all that this teaching can provide are ideas and suggestions to explore. This book is primarily about the powers and qualities of Goddesses - in relation to sexual love and the love ritual. Our main focus here is on four love Goddesses, their unique powers and qualities, as well as their unique attitudes and approaches in the love-sex relationship, as manifested through a woman. These goddesses can also be understood as love archetypes; each with a distinctly unique power and quality, attitude and approach. Each woman will recognize at least one of these goddesses in her self-experience, perhaps even a few, or maybe all four goddesses in varying degrees. Part Two focuses on the spiritual sacredness of each other, in love and in love-making, and how to spiritually experience one another as manifestations and expressions of the Great Divine. In this are ideas and ways to greatly enhance and spiritualize the love experience for both lovers, woman and man. The man will begin to see his woman lover as the expression of one of the Love Goddesses, or even as the Goddess Herself. He will experience the woman as the Goddess loving him, and he will be worshiping and devoting himself to Her. Likewise, the woman will begin to see her man lover as the expression of the Divine Love God. She will be the Divine Attraction and he the Divine Force. He will be the Divine loving her, and she will be the Divine loving him. Then both will come back into Union as One. Part Three focuses on the Great Goddess Shakti and her spiritual love relationship with the Great God Shiva. Tantric love, at its heights of realization, is the love play and enjoyment between Shiva and Shakti, and their eventual re-union as being really One Being. Here we find juicy love metaphors at its erotic depths. The goddesses, Kali and Maya, also come into this love play.

Tantrism: Sex Magick for the Soul Joseph Leal 2018-05-29 Modern spirituality and new age information is filled with distortions, misconceptions, and is leading humanity astray from our individual ascension. The power and connection to the soul has never been so limited and continues to create a world that is predominately living in their minds. We all have the power to become magical. We all have the power to live out our dreams and find a true soulmate. Working with sexual energy in tantric relationships is required to have an energetic impact on the non-physical (astral) planes to create astrally a future we wish to create, rather than face the destiny that the matrix or

"time" has in store for us. We entered this world choosing our character knowing how our life would begin and how it will end. Ascension means creating our future astrally before we experience our fixed destiny. This is what magic and our lesson as humans is all about.

Sex and the Goddess Karin E Weiss Ph.D., PhD 2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980's... a period of flourishing women's liberation movements against the patriarchal status quo. Books about women's sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School's "Program in Human Sexuality." In addition, I conducted women's self-enrichment groups and workshops in my private practice... "Woman's Discovery Institute" ... where I also gave professional Astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women's unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women's menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many-faceted selves and gain confidence to pursue their goals. Yet for various reasons my book manuscript remained in my own bookshelf, never getting published. Until now... the times again call for women to claim their autonomy and gain equality in an overly male-dominated and viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I am thrilled to finally see my "Life's Masterwork" in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your friends, I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers.

The Goddess, an Expression of the Divine Feminine Gracie Ackerman 2012-08-02

In all religions, the goddess or the feminine aspect of God has been hidden under doctrine and dogma. The root of equality is left trampled in the ruins of the ancient temples that scatter the globe; Gracie created this book to bring her back to her original glory. This book is intended to help women love their flesh, their original beauty, to do away with the plastic and the pornographic. Real

women are organic, their bodies unique; their bodies are their own. Gracie's dreams led her down this path; because of her vivid spiritual and mystical dreams, she began to study Jungian dream analogy; Jung led her to Albert Einstein. These two brilliant minds could connect the mysteries for her. She understands it is the mysteries that lead us. It is Gracie's intention to bring into awareness, sacred sexuality through the God and Goddess archetypical wisdom of healthy, mature sexuality for the sake of love, lust, and spirituality.

False Dawn Lee Penn 2004 The interfaith movement, which began with the 1893 World's Parliament of Religions in Chicago, has grown worldwide. Although this movement has been largely unknown to the public, it now provides a spiritual face for globalization, the economic and political forces leading us all from nationalism to "One World". The most ambitious organization in today's interfaith movement is the United Religions Initiative (URI), founded by William Swing, the Episcopal Bishop of California. Investigative reporter Lee Penn, a Catholic ex-Marxist, exhaustively documents the history and beliefs of the URI and its New Age and globalist allies, the vested interests that support these movements, and the direction they appear to be taking. The interfaith movement is no longer merely the province of a coterie of little-headed religious idealists with grandiose visions. The URI's proponents have ranged from billionaire George Soros to President George W. Bush, from the far-right Rev. Sun Myung Moon to the liberal Catholic theologian Hans Küng, and from the Dalai Lama to the leaders of government-approved Protestant churches in the People's Republic of China. The interfaith movement, including the URI, is being promoted by globalist and New Age reformers who favor erosion of national sovereignty, marginalization of traditional religions, establishment of "global governance", and creation of a new, Earth-based "global spirituality"—in effect, a one-world religion. Therefore, the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order: the "new civilization" now proposed by Mikhail Gorbachev, the last leader of the Soviet Union. In *The Reign of Quantity and the Signs of the Times*, French metaphysician René Guénon spoke of the "anti-tradition" (the forces of materialism and secular humanism) finally giving way to the "counter-tradition" (the satanic inversion of true spirituality), leading to the regime of Antichrist. The "anti-tradition" weakens and dissolves traditional spiritualities, after which the "counter-tradition" sets up a counterfeit in their place. Since Guénon's time, as is well known, anti-traditional forces have greatly advanced worldwide. It is less well-known that counter-traditional movements have also made great strides, and now stand closer to the centers of global political and religious power than ever before. The "counter-tradition" is making inroads on the political and cultural Right, as much as it is doing on the Left. *False Dawn* painstakingly documents these trends, and speculates on their future development. In so doing, the author takes investigative reporting to the threshold of prophecy, and gives us a stunningly plausible picture of the global religious landscape of the 21st century. This extraordinary project is the literary equivalent of turning over a flat rock. There is much to be seen and learned here—all of it unsettling, disquieting, occasionally downright scary. "William Murchison, Radford Distinguished Professor, Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods, something has gone horribly wrong. In *False Dawn*, Lee Penn has produced a comprehensive and critical history of the United Religions Initiative. This book sounds a clear warning: Anyone who makes theological truth subservient to utopianism denigrates all religions." —Douglas LeBlanc, Editor, GetReligion.org
