Bisexual and Gay Husbands Fritz Klein 2014-02-04 What happens when married men face their gay/bisexual needs? This astonishing volume offers an intimate look into the lives and thoughts of bisexual men. Already married to women, these men are undeniably attracted to other men. Their struggle with conflicting needs, desires, and loyalties is not filtered through theories or evoked in brief interviews. It comes straight from their own keyboards. The stories told in *Bisexual and Gay Husbands* are taken from an Internet mailing list, which allows people to speak freely and in anonymity, yet also encourages the development of a tightly knit community. Men at all stages of the coming-out process share their experiences, their secrets, their pain, shame, anger, and hope. One man writes, "I have found the answer to my bisexual needs and am afraid to embrace it. I need help and advice to know what to do. What you people have done in your lives may hold the key to helping me decide on a course of action. I am either going to create a dream come true or hell on earth as I destroy my marriage. I can't tell which, and of course you can't either. But you CAN tell me how you are handling the problems I am facing." *Bisexual and Gay Husbands* includes advice and information on the issues that touch these men most deeply, including: how do I tell my wife and kids? what does it mean to self-identify as bisexual or gay? what kinds of relationships do I want with men? can triads work? how do I deal with my children's reaction? do I have to leave my wife? The insight, intelligence, and honesty revealed in *Bisexual and Gay Husbands* make it a riveting read, but it also has great clinical and historic value for therapists, sex theorists, and bisexual men and their families.

I Like You, I Love Her J.R. Rogue 2018-09-27 Severin It feels like I've been in love with Bryan Winthrop my entire life. Before he kissed me in front of the entire school. As he danced with her the night of our senior prom. After his younger brother, Ben, made me smile through my tears. "It'll never work with him. He will never leave her..." It's been more than ten years since I let myself fall for the boy whose heart wasn't mine. And the Prom King's lips are finally mine to kiss. "When I came back here I wasn't expecting to see you, and when I did, I felt this tumble..." But he's still keeping me in the shadows. As his younger brother breaks me open in the day. Ben You shouldn't covet whom your brother desires. Our pastor father would say he taught me better than that. But I knew over ten years ago my brother didn't deserve her. And nothing's changed since she came back into both our lives. "You think what you felt for my brother back then was love, but what I felt can't be the same?" I'm still the one who makes her laugh—the one who challenges her. And he's still the one treating her like a dirty little secret. "You really are a watercolor, Severin Thompson. I can read you..." You shouldn't covet whom your brother desires. This summer, I'll remind him of that.

Piece of Mine Phyl Anderson 2012-11 Angry at the world for a series of bad luck events that are common sometimes in single parent homes, Brandy takes to crime to resolve some of the financial issues her family experiences thinking that because she is the oldest she is supposed to help support the family. Breaking the heart of her mother who plays piano for the church, silencing the repore she had with her younger brother and sister and severing the relationship she had with her family and community; Brandy must somehow find a way back the roots of her happiness and joy. In prison she expected to be beaten up, mistreated, starved and other unfavorable things to happen; but instead she finds friends she keeps for life, people who no longer judge her and humility that will last for the rest of her life. She hated feeling like she did not deserve God's love because she had

stolen, lied, cheated and other things. She was told God did not love lesbians and she could not deny who she was. This based on a true life story will make you re-evaluate how you perceive the world around you.

A Woman Needs Love from a Real Man Gail Slaughter 2013-05-28 I have dreams for my book, A WOMAN NEEDS LOVE FROM A REAL MAN, to be an inspiration to all the women in the entire world. There are real men out there that will search for your love. Women that have been in bad

relationships should have an idea of what a MAN is. There is a difference between a man and a REAL man. A man is selfish, inconsiderate, immature and often disrespectful. A REAL man is loving, mature, passionate and supportive of everything you accomplish in life. I also want the women that are reading this book to know that you have to love yourself before you could love anyone else.

extraordinary journey shared by father and son. "Lessons of Life" meanders through the lives of Dr. Taylor and his son while exposing the unlikely situations where surprising lessons are learned.
