Nathan Bedford Forrest's Escort and Staff -
Bradley, Michael R. 2010-09-23

Most staff officers and escort members of famous Civil War generals have faded into obscurity. However, the escort company and staff officers of Nathan Bedford Forrest were held in awe by men on both sides of the conflict during the war and long after, and they continue to be held in esteem as figures as legendary as Forrest himself. Not merely guards or couriers, these men were an elite force who rode harder and fought more fiercely than any others. As Bradley writes in his introduction, In him they recognized not only the daring, able, and successful leader, but also the commanding officer who would not hesitate to punish with

severity when he deemed punishment necessary. They possessed as an inheritance all the best and most valuable fighting qualities of the irregulars, accustomed as they were from boyhood to horses and the use of arms, and brought up with all the devil-may-care lawless notions of the frontiersman. But the most volcanic spirit among them felt he must bow before the superior iron will of the determined man who led them. There was something about the dark gray eye of Forrest that warned his subordinates he was not to be trifled with and would stand no nonsense from either friend or foe. *Nathan Bedford Forrest's Escort and Staff* reveals the symbiotic relationship between Forrest and his men, and how their unusual

abilities as fighters, thinkers, and leaders made for a team of men who formed a unique brotherhood that lasted long after the war. A testament to their loyalty is the fact that the escort is the only Confederate unit whose numbers were greater when they surrendered than when the unit was organized.

Where to from Here? - Brian Grogan 2012

If you've ever felt challenged as a Christian to say what you believe about life after death, you will find intelligent proposals here. Fr. Grogan's deep knowledge of the current scholarship on subjects like judgment, heaven, hell and purgatory is matched by his skill at clearly presenting insights through stories and examples. This book begins with the idea that every inhabitant of this planet contributes to the shaping of God's project - the life of the world to come - and it emphasizes that the relationships between God and ourselves endure eternally. Rooting everything in this sense of ongoing relationship, Grogan poses and responds to

questions such as: Could hell be empty? Can knowledge of the future transform the present? What will it be like to be fully alive? What will we do in heaven? He also makes a clear call to engage with God now in transforming our present relationships, so that everyone may become more truly/fully alive. This is the Christian gift to the world. "The next time anyone asks me about heaven, hell, purgatory, limbo, or anything related to what awaits us after our earthly lives have ended, I will recommend this excellent new book. Father Grogan's approach is wise without being preachy, scholarly without being overly academic and hopeful without being naive. He covers almost any question that a Christian might have about the 'last things' and does so by taking those concerns seriously, answering them carefully and grounding them in Scripture and tradition. Highly recommended." James Martin, SJ, author of *The Jesuit Guide to (Almost) Everything* Eternal paradise, eternal torment...

is there more to the Christian afterlife than these concepts? ... Father Brian Grogan discusses questions surrounding the afterlife, exploring many ideas that aren't normally presented surrounding the ideas of fate, our lives, and what ultimately lies ahead of us as human beings. Where to From Here is a fascinating read and addition to Christian and spirituality collections. The Midwest Book Review Read full review at Midwest Book Review Fr. Brian Grogan, SJ takes a fresh and intelligently satisfying approach to such well-worn topics as the general judgment, heaven, hell, and purgatory ... [He] offers a fresh and hopeful look at the Christian vision of life after death and is an excellent choice for group discussions on life after death. Escort - Skye Warren 2022-12-12

A male escort. His virgin client. What happens when one night isn't enough? There is no shame in pleasure. And no love in business. I have a blind date tonight, and I know with 100% certainty that I'm getting lucky. There shouldn't be any surprises, not for one as jaded as me, but when I walk into the penthouse suite of L'Etoile, everything changes. 1) For one thing, Bea is heartstoppingly gorgeous. Pale green eyes and endless freckles. Curves I want to spend all night exploring, as if her body was made for me. 2) Her innocence makes me want to use my entire inventory of bedroom tricks on her and

then invent a few more. 3) Except that... she's a virgin. I can initiate her into the world of desire without letting her get attached, can't I? A few hours of tutoring, and at the end of the night a small fortune will be deposited into my bank account. Yes, you read that right. There are many words for what I do. After all, mine is the oldest profession. I'm an escort, which means this date is nothing more than a mutually enjoyable transaction. But once I realize one night with her won't be enough, I'm the one who's screwed. "ESCORT is perfection only Skye Warren can deliver—a poetically erotic tale of exquisitely damaged characters, devastating secrets, revenge and redemption." - Samanthe Beck, USA Today bestselling author

An Italian's Escort Lover - Lady Prim 2022-06-10
"Why did you follow me, Nicco? We are nothing to each other now." I whispered with so much pain and sorrow coating my voice. "A few months ago, time was favorable to you and you chose to leave me." Nicco inched towards me with furious red eyes and clenched jaws in anger but held my hand ever so gently like he always does. "Now my time has come. See, I found you, and now I will make sure you never leave me again. If I need to glue you to me, so be it." He declared firmly and crashed his lips on mine. Phoebe Smith, an escort of thirteen years sweet and gentle, fell in love with Niccolo Russo who was her only master and the only person who ever touched her. He was her first best friend, her first kiss, and her first in everything. So why did she run away from him if she loves him so much? Niccolo Russo, CEO of the Russo empire, Arrogant and bad-tempered yet so understanding; felt his heart skip a beat several times only for one woman. Phoebe. She was his

friend, his adviser, and his sanity. Then what had he ever done to make her run away from him? Follow the journey of two people bound by promises, duties, and responsibilities pulling them apart and how love binds them together forever.

Mistaken for an Escort - S.E. Law

Angie: My grandmother needs medication for her asthma, and I make a pittance working as a line cook at a greasy spoon diner. As a result, I answered an ad looking for models. Little did I know but this "modeling gig" was of an adult nature. What? This isn't what I signed up for! I want out. NOW. Peter: I don't usually use escorts, but boredom was literally making me dizzy so I took City Girls up on its offer to "show me a good time." (their words, not mine) They had all the girls in a room dressed in the frilliest of nothings, and customers were allowed to observe through a two-way mirror. None of the

women caught my attention ... until I saw *her.*
Angie was busting out of her red dress with flames in her eyes and steam hissing from her ears. The curvy girl's got me hooked with her spirit and fire and now, I want my baby in her belly! This is the next installment in the City Girls series. You'll love this steamy tale that touches on the taboo because how many customers really get to select the woman they love from a line-up? However, at City Girls anything is possible because it's va-va-voom fun! This is a follow-up to First Time Escort and My Roommate's Dad, but all my books are standalones and may be read in any order. As always, no cheating, no cliffhangers, and always an HEA for my readers.

novel. Brielle Sometimes life doesn't go as planned. Mine certainly didn't. One moment I was going off to NYU on a fully paid scholarship, and the next, I had become something I never thought I would be. I learned quickly and the money I made allowed me to pay for my mother's chemo treatments. Once all of our debts were paid off, I met a man and got out of the business. Then a string of events forced me back inside the world of escorting. But this time, things were different. I built a business and became a high-end escort to the wealthy of the wealthiest; to men who paid me well and allowed me to live a comfortable life. Then one night at an event, I met a man. A sexy, rich, single man who paid me a ridiculous amount of money to spend one night together. I broke my number one rule: Never fall in love with a client.

Caden The moment I saw her, I had to have her. I knew what she was, and I didn't care. I would pay any amount of money for one night with her. After our night was over, I wanted more. I

craved more. She was the perfect woman and I didn't have to worry about her wanting a relationship or falling in love. I made her an offer she couldn't refuse. I owned her. Everyone has a price. Then things became complicated, and the more time I spent with her, the more my past haunted me. Feelings for her started to take over, but the demons inside me kept me in check, reminding me of what I'd done and making sure that I'd never make the same mistake again. 18+
