Enjoy this older man younger romance at a terrific discount. His kid is amazing. He gets it from his dad, obviously. And I'm falling dangerously fast for my professor ... I wasn't looking for anything but a little escape that night, okay? Not even looking for that, really, but my roommate Annie dragged me out to prevent me from combusting into nunhood. How was I supposed to know he'd be on the dance floor? What were the chances that the next day the same Adonis would walk into the class I'd just signed up for? Not a good idea, Hannah. But there was no escaping the attraction. My common sense ... just ... poof. And then he asked me to babysit his kid. Like I was going to say no to an adorable 7-year-old. Or to the chance to spend time with his dad. Yes, I know; bad idea all around. We agreed we were going to keep it totally professional. That was doable, right? WRONG. 'Doable' was Austin Parks, along with kind, funny, a great dad, an amazing teacher ... So how did Mr. Amazing end up breaking my heart into a million smithereens? And can I ever forgive him? Better With Age - Lane Hart 2021-02-11

Enjoy three hot older man age gap romances! Wreck Me I never expected to fall for Riley, but she's all I think about. She knows how much I want her, too. That's why the beautiful tease is trying her best to break me. Like being caught in the riptide, she's impossible to resist. And no matter how hard I try, I can't stay away. She's completely wrecked me. Indiscretion I don't care what anyone says, loving Sam wasn't a mistake. The only mistake I ever made was letting the wrong person see the two of us together. Her best friend knew the only chance he had with Sam was to get rid of me. That's why the bastard had me arrested. I rotted away for ten agonizing months in prison while that jackass tried to take my place. Sam may think that she's moved on with her life. That's exactly what I wanted her to do until I found out his plan worked. The two of them have been living together, playing house while I struggled to survive. What the prick doesn't realize is that she's mine and there's nothing he can do to keep us apart. I'm coming for her, and I would love to see him try and stop me. Crazy in Love As crazy as it sounds, I drank the same "love potion" that my best friend Josie did. She was able to find her soulmate thanks to the mysterious brew, so I thought what do I have to lose? I was hoping for the best, but what I got was the absolute worst. Thanks to that stupid, purple liquid, I almost killed my college professor...two weeks before graduation. Professor Daughton is the type of man I've always dreamed of marrying. He's smart, funny and so hot it hurts to look at him three hours a week during his lecture. I've had a huge crush on him all semester; but now that I'm certain he's my soulmate, I have to convince him we're meant to be together. Unfortunately, the psychic who sold us the potion said I only have seven days to make that happen or I'll lose him forever. Gage --- I mean, Professor Daughton, eventually admits that he wants to be with me too, but he insists that we can't cross that line as long as I'm still his student. And I can't drop his class because I need it to walk across the stage in two weeks with my Master's Degree. Time is running out, so there's only one thing left for me to do --- seduce him. However, that's easier said than done since I don't know the first thing about wooing a man. I'll have to go from 24-year-old virgin to vixen in a week if I want my happily ever after.

His To Protect - Kristen Kelly 2019-04-15

Patrick Life was complicated as hell. It was about to become more so. The last thing I needed was a woman in my life. Especially one that was old enough to be my daughter. I shouldn't have touched her. I knew she was too young. Too inexperienced, but when she looked at me like I was the only man in the world, I caved to that hot, sultry smile. Devoured those soft pouty lips. I had to have her. She was everything I needed in my life, and everything I'd resisted. Stability. Passion. Love. I was a cop. So why couldn't I protect her... From me? A standalone, older man, younger woman romance with a happily ever after "Patrick is so shy, he's absolutely adorable." "So much steam you'll need a shower." An Older Woman Loving a Younger Man - Bradley Preston 2008-11

What could they possibly have in common? She's old enough to be his mother. I just don't see how it could ever work. Have you ever been confronted with one of these statements because you're with someone younger? You are about to embark on a journey that will change your mind about May/December relationships. So many times in life people make judgments about one another based solely upon the traditions of the sect of society in which they were raised. More times than not their judgments are wrong, simply because they've chosen to base them on incomplete information. Once they have all the pertinent information concerning that subject their perception changes drastically. Changing people's perceptions is precisely why we wrote this book. Our hope is that once people read this book about our lives they will see that love truly does conquer all. Society says it's OK for a much older man to date a much younger woman. Yet when it comes to a much older woman dating a much younger man the double standard is revealed. Love truly transcends all of our societal misinformation. Love does not look at age, appearances, wealth, health, or any of the other ridiculous limitations that humans have put on relationships. Love knows no boundaries. It's not limited by our finite thinking. Love is the pure essence of two souls merging to become one. This is our story of two souls becoming one.

Dating and the Older Man - Jerome Albers 2003

The book is based on my real life experiences as an older man in the Dating game for over 15 years. After years in the dating game I experienced many events, situations, and types of women. I look at these experiences honestly and humorously. The statuses of women that an older man has available for dating are reviewed. Also what a single man needs to do to attract desirable women and where and how to go to meet desirable women are discussed, because we all know where to meet undesirable women. The pleasures and pitfalls of dating, romance, and sex are discussed. It does not show how to solve all dating problems, but most of the dating problems to avoid are discussed. It seems that both men and women hate dating and it is our own fault. I encourage men to take control of their life and their dating. The book describes the characteristics that men desire in women and the characteristics which men find not tolerable in women. It also describes the places to meet women and which are good and which are a waste of time and money. It is an honest, humorous and witty look at this confusing and illogical part of our social life.
