

Our Money Ourselves Redesigning Your Relationship With Money

Under Sonoran Skies: Prose and Poetry from the High Desert - 2011

"Drawing on diverse life experiences, spanning education, engineering, ministry, law, and the performing arts, the authors bring a similarity of tone, style, and rhythm to both fiction and non-fiction in the eleven chapters of this anthology"--Insert.

The Naked Millionaire - Maxine Hyndman 2005

Why is it that so many people have recurring financial problems? Are they undisciplined? Are these people not intelligent enough to grasp basic financial processes? No. Financial problems don't stem from our shortcomings; they stem from our distorted perceptions of money. Many of us have a dysfunctional relationship with money. We often feel overwhelmed by financial concerns and decide that we are incapable of coping with money matters. This is wrong. You have everything you need. This book will help you ask the right questions. It can help you find the courage to get 'naked' and do the work that will help you overcome your financial roadblocks.

New Books on Women and Feminism - 1999

Our Money, Ourselves - C. Diane Ealy 1999

A guide that will help women build a more positive and productive relationship with money

The Power of Positive Choices - Gail McMeekin 2001-06-21

"Gail has the ability to show us how to move our lives forward with power, dignity and grace . . . She is truly the Goddess of Creativity."
—Loretta LaRoche, bestselling author of *Juicy Living*, *Juicy Aging* The world is on overload, at least from our modern-day Western perspective. Gail McMeekin believes that we can effectively reduce stress in our lives and bring more meaning into them, and she has developed a program to

help people to do just that by showing them the power of making positive choices. Readers are taught to see their Serenity Stealers—issues, habits, people—that need to be “subtracted” from their lives. With those negative life choices gone—choices that deplete their energy and sidetrack them from their goals—readers are shown how to make positive life choices. Carefully selected and added one at a time, these life choices will bring them closer to the joy and meaningfulness they need and desire. *The Power of Positive Choices* is short and brief by design. Filled with probing questions and helpful self-tests, it is “a brilliant distillation of the steps we each need to take to make the power of choice work . . . [a] clear, vibrant, go-go juice of a book” (Jennifer Loudon, author of *Why Bother?: Discover the Desire for What’s Next*). “By showing us how to confront and banish what’s holding us back and how to consciously choose what’s best in the long run, this book reminds us that we have choices that affect the quality of our lives and helps us create a life in which joy plays a leading role.” —Patti Breitman, author of *How to Say No Without Feeling Guilty*

The 12 Secrets of Highly Creative Women - Gail McMeekin 2011-11-01

“Earnestly recounting how 45 successful women achieved their dreams, McMeekin aims to provide ‘mentors’ who can help readers transcend creative blocks.”—Publishers Weekly From the popular creative coach Gail McMeekin—author of *The 12 Secrets of Highly Successful Women*—comes advice about the specific challenges in life that creative women face today. Identified in a survey of 1,500 CEOs to be the key

leadership skill of the 21st century, creativity can help women entrepreneurs and business leaders realize their dreams. The 12 Secrets of Highly Creative Women explores the profiles of 45 of today's most successful women, combining their insights with Gail's own proven strategies. Each chapter offers the 12 secrets, keys, and challenges to help women work through their creative process. Together they offer an inspirational roadmap, providing all the tools women need to uncover their own authenticity and realize their creative dreams, including how to:

- Dismantle limiting beliefs
- Take positive and calculated risks
- Make career changes fueled by passion and purpose
- "Filter and Focus" to give creative ideas time and space to evolve
- Prioritize
- Overcome procrastination
- Declutter and create workable workspaces
- Find resources and support

"Such a wonderful reading experience. I couldn't wait to hear each story and glean all the wit, humor, and wisdom from each woman's own experience."—Carol Adrienne, coauthor of *The Celestine Prophecy: An Experiential Guide*

"An empowering book for those ready to confront self-defeating patterns related to creativity, and a great booster shot for those of us who have already faced and conquered some of the dragons."—Caroll Michels, author of *How to Survive and Prosper as an Artist*

[Chick Lit](#) - Suzanne Ferriss 2013-03-07

From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions—positive and negative—it has provoked. The contributors explore the characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick

lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women's fiction.

Voicing Our Stories/remaking Our Lives - Grassroots Women's Collective 1999

With clarity and conviction, this book relates women's stories of adversity and triumph. Twelve women from diverse backgrounds and experiences talk about struggle and recovery in this inspiring collection of personal writings. Native women, immigrant and working-class women, wives, mothers and war refugees speak of sexual and physical abuse, workplace harassment, alcoholism, eating disorders and emotional breakdowns. They also document their determination and strength to overcome and move forward. Women in struggle and the general reader will be informed and inspired by the extraordinary determination of these 'ordinary,' women.

[Minding Her Own Business](#) - Jan Zobel 1999-07-19

Whether you have years of experience as an entrepreneur or have just begun to consider self-employment, this down-to-earth and comprehensive guide is the one-stop source for answers to all your most pressing questions including: -- What kind of records does the IRS expect me to have? -- What expenses are deductible? -- Which tax forms do self-employed people use? -- What should I do if I don't have enough money to pay my taxes? -- What are my chances of being audited? -- And many more!

The Publishers Weekly - 1998

[De Gruyter Handbook of Personal Finance](#) - John E. Grable 2022-03-07

The De Gruyter Handbook of Personal Finance provides a robust review of the core topics comprising personal finance, including the primary

models, approaches, and methodologies being used to study particular topics that comprise the field of personal finance today. The contributors include many of the world's leading personal finance researchers, financial service professionals, thought leaders, and leading contemporary figures conducting research in this area whose work has shaped—and continues to affect—the way that personal finance is conceptualized and practiced. The first section of the handbook provides a broad introduction to the discipline of personal finance. The following two sections are organized around the core elements of personal finance research and practice: saving, investing, asset management, and financial security. The fourth section introduces future research, practice, and policy directions. The handbook concludes with a discussion on an educational and research agenda for the future. This handbook will be a core reference work for researchers, financial service practitioners, educators, and policymakers and an excellent supplementary source of readings for those teaching undergraduate and graduate-level courses in personal finance, financial planning, consumer studies, and household finance.

Financial Behavior and Marital Satisfaction - Natasha Kendal 2003

The Library Journal - 1998-10

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The Awakened Millionaire - Joe Vitale 2016-04-18

Radical formula transforms your money and spiritual growth into global change The Awakened Millionaire is a practical manifesto guiding you to new dimensions of personal wealth, spiritual growth, and as a result, global transformation. Crafted by Dr. Joe Vitale, a famed millionaire, best-selling author, and star of the blockbuster movie "The Secret," you'll discover a controversial formula that accomplishes what few believe possible: combining money and spirituality together to bring you more of both, while transforming you into a force for good in a world that desperately needs it. This book is a call to action, pushing you to wake

up, stand up, and transform yourself into a powerful expression of your passion, your wealth, and your desire to make a difference. It is an invitation to become a true Awakened Millionaire, starting today. While most consider money and spirituality a blasphemous duo, Dr. Vitale shatters these social norms and shows you the true nature of money empowered with soulful purpose. At turns inspirational, motivational, and conversational, this page-turner ultimately narrows in on practical steps anyone can use to see instantaneous results, regardless of your past failures, current financial situation, or future goals. But his mission is not to simply transform you. Dr. Vitale's mission is to create a swarm of Awakened Millionaires transforming the world with every action they take, while enjoying personal luxury and soulful fulfillment new levels of money and spiritual growth can give them. The book reveals: How to turn your passion into wealth How to transform money into a spiritual tool How to create a soulful mission that changes the world If you desire both wealth and spirituality, this book finally reveals how.

Canadian Saturday Night - 1999

It Pays to Talk - Carrie Schwab-Pomerantz 2002-12-24

Does your family talk about money? Do your kids understand your money values? Do you and your mate agree on how you spend and invest your money? Do you know if your parents are financially secure? These are the questions that Carrie Schwab-Pomerantz and her father, Charles Schwab, ask at the beginning of this invaluable family financial primer. The authors acknowledge that these are difficult questions but stress that families must grapple with them and come up with answers. Despite the proliferation of the financial news media, money remains a taboo subject in most families. Often the mere thought of talking about money with a family member causes enormous personal stress and confusion. But it doesn't have to be that way. The goal of this father-daughter collaboration is to bring solid financial advice into the context of family, where it can be explored, understood, and implemented to the benefit of everyone. The first essential thing that must happen is conversation, and It Pays to Talk is filled with advice about how to start talking. The

authors are both working parents with a combined sixty-five years of knowledge and experience in the investment field. In this book they present a road map that every family can follow as they develop and implement an investment strategy and money-management plan. They begin by covering the fundamental principles that every investor needs to understand in order to succeed for the long term, and then they move on to cover joining forces in marriage; building your family's wealth regardless of market conditions; investing for your children's future and raising money-savvy kids; retirement planning; estate planning for you and your parents; and dealing with the unexpected—insurance, divorce, and investing a windfall. Throughout the book, the authors offer advice

about how to start the often difficult conversations that lead to smart decision-making, as well as how to talk gently, intelligently, and respectfully about the many issues that define and shape our attitudes about money. It does pay to talk. This valuable and expert book will get you started and help you at every stage of your family's investment career.
