Oneworld - 2002

Muslim Masculinities in Literature and Film

- Peter Cherry 2023-04-20

A climate of Islamophobia allows anxieties about Muslim men living in and migrating to Britain to endure. British Muslims men are often profiled in highly negative terms or regarded with suspicion owing to their perceived religious and cultural heritage. But novels and films by British migrant and diaspora writers and filmmakers powerfully contest these stereotypes, and explore the rich diversity of Muslim masculinities in Britain. This book is the first critical study to engage with British Muslim masculinities in this literary and cinematic output from the perspective of masculinity studies. Through close analysis of work by Monica Ali, Nadeem Aslam, Guy Gunaratne, Sally El Hosaini, Hanif Kureishi, Suhayl Saadi, Kamila Shamsie, Zadie Smith, Zia Haider Rahman and Salman Rushdie, Peter Cherry examines how migrant and diaspora protagonists negotiate their masculinity in a climate of Islamophobic and anti-migrant rhetoric. Cherry proposes a transcultural reading of these novels and films that exposes how conceptions of 'Britishness', 'Muslimness' and those of masculinity are unstable and contingent constructs shaped by migration, interaction with other cultures, and global and local politics.

Glamour - 2006

Bare - Jacqueline Simon Gunn 2020-06-11

"The jock," "a whore," "a closet case," "a paranoid schizophrenic," and "a killer." In life, in entertainment, in myth, we feel drawn to archetypal personalities—to their drama, to their denial and inner conflicts, to their personal journeys, and to what makes them tick. These five are just some of the people who make up BARE: Psychotherapy Stripped, which explores the true-life chronicles of long-term psychotherapy patients while sharing with the reader what goes through the mind of the therapist during the session. Using a first-person, non-traditional novelized format, this case-study book strips away the classical barrier between the psychologist and the patient so the reader can live through the patients' traumas,

their ups and downs, and experience how it feels to sit in the therapist's chair. While empathizing with the patients' lives, readers might just glean insight into themselves and their life in general. BARE peels back the veil of therapy with moving, shocking and sometimes humorous results.

Black Cake (TV Tie-in Edition) - Charmaine Wilkerson 2023-10-17

COMING SOON TO HULU • NEW YORK TIMES BESTSELLER • READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY • Two estranged siblings delve into their mother's hidden past—and how it all connects to her traditional Caribbean black cake—in this immersive family saga, "a character-driven, multigenerational story that's meant to be savored" (Time). In present-day California, Eleanor Bennett's death leaves behind a puzzling inheritance for her two children, Byron and Benny: a traditional Caribbean black cake, made from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking journey Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child, challenge everything the siblings thought they knew about their family, and themselves. Can Byron and Benny reclaim their once-close relationship, piece together Eleanor's true history, and fulfill her final request to "share the black cake when the time is right?" Will their mother's revelations bring them back together or leave them feeling more lost than ever? Charmaine Wilkerson's debut novel is a story of how the inheritance of betrayals, secrets, memories, and even names, can shape relationships and history. Deeply evocative and beautifully written, Black Cake is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.

Dirty Dishes - recipes to ignite passion -

Fiona Lou Collins 2021-09-09

If you thought there was no more you could do with a cook book except change a few ingredients then this is the book for you. In this book, the first of its kind, the author has produced a compilation of tantalising recipes tailored to boost sex drive, heighten desire and

Downloaded from
legacy.opendemocracy.net on
2021-10-03 by guest

tickle your taste buds. Researched and written over a five-year period, 'Dirty Dishes' conjures up easy recipes that will impact your health & sexual life in a rainbow array of ways. Not only do these tantalising dishes aid blood flow to male and female nether regions but also help ward off diabetes, promote healthy heart function and help to lower cholesterol levels. Ingredients used also help boost fertility and sperm motility: Great News if you're trying to get pregnant! Lastly, they can boost serotonin levels, having a positive effect on your mood and energy. Forget the Viagra, these dishes will bring pleasure to the palate, a tingle on the tongue plus a whole new flavour in the bedroom. Having couples come together in the way nature intended; happy, healthy and most importantly, satisfied - simple!

Agnon's Art of Indirection - Nitza Ben-Dov 1993
This study demonstrates how Agnon combined traditional Hebrew lore, modern literary devices and, especially, highly crafted dream-sequences revealing subconscious motivations behind apparently fortuitous acts and decisions, thus creating a unique narrative form reflecting the "indeterminacy" of human behaviour.

Sex Positions for Beginners - Mike Casanova
2019-07-29

Buy the Paperback Version of This Book and Get the Kindle Book Version for FREE If you want to spice up your sex life and learn a lot of simple yet tantalizing sex positions, then get comfortable and keep reading... According to the most recent research in the sexology field... Among American couples, over 50% are dissatisfied or highly dissatisfied with their sex life; Around 37% of them feel that their life would be happier if they had more sexual intercourse; Women are 20% more sensitive to their partner's shortcomings; Almost 50% of them faked an orgasm at least once in their life, keeping the male in the dark; 100% OF THEM FEEL THAT THE ROOT CAUSE OF THEIR SEXUAL DISSATISFACTION IS A LACK OF FUN & VARIETY IN THEIR POSITIONS! As you probably know, this can lead to countless problems in couples. Cheating, crises and ultimately divorces are a daily occurrence in modern society. Luckily, there's a simple yet effective solution... In *Sex Positions for Beginners* you're going to discover: Over 50

beginners' sex positions. With detailed pictures and accurate descriptions. Having fun with those positions will be a piece of cake, even if you're an absolute beginner with sex; The easiest way for a woman to get satisfaction. All the positions to let her have an orgasm in few minutes and without any stress. She will thank you forever and ask for more sex; How to last more, more and more without any pill. Premature ejaculation will just be a distant memory for males. Lasting more, obviously equals more delight for both partners; The ultimate guide to a better sexual life. All the positions you need to know to start and have fun with your partner. Having sex has never been so easy, even if you're 50+; AND MUCH, MUCH MORE. PLEASE CLICK ON THE BOOK COVER AND LOOK INSIDE THE TABLE OF CONTENTS. YOU'LL BE AMAZED! But maybe you're having some more doubts right now... I'M 50+. I'M NOT SO STRETCHY ANYMORE. AM I TOO OLD FOR THIS BOOK? No! This book does not suggest any fancy Kama Sutra sex positions that requires years and years of training and experience. All the positions discussed are easy to perform for older couples too. DOES THIS BOOK INCLUDE PICTURES? THERE ARE TONS OF BOOKS ABOUT SEX POSITIONS OUT THERE, BUT WITHOUT ANY PICTURES. THAT SOUNDS WEIRD... Of course! A sex positions book without pictures is a joke and will lead you nowhere. All the positions described in this book have a detailed picture attached to let you perform it in a couple of minutes. IS THIS JUST A THEORETICAL BOOK? I'D LIKE TO HAVE FUN IMMEDIATELY. I NEED IT... You will be able to start having fun with your partner in just 5 mins. Open the book, choose the position you like, look at the picture, read the description and have fun. No theory allowed here. This is not the average sex positions book. This has been crafted on purpose for beginner couples who want to enjoy the beauty of sex with ease. Having fun with sex has never been so easy. Are you ready to start and change your sex life forever? Scroll up and click the "Buy Now" button! Buy the Paperback Version of This Book and Get the Kindle Book Version for FREE

edition discusses subjects including, alternative family structures, de-westernizing media studies, industry practices, "Sex and the City", Oprah, and "Buffy."

The Elusive Orgasm - Vivienne Cass

2002-02-02

Are you one of the thirty percent of women who has difficulties with orgasm? Do you want to experience greater sexual satisfaction? In easy to read language, *The Elusive Orgasm* provides a full overview of women's sexual pleasure, covering sexual triggers, stages of arousal, the power of mind, and how women differ from men. Longtime clinical psychologist and sex therapist Dr. Vivienne Cass reveals all the causes of women's orgasm difficulties-and how to remedy them. In *The Elusive Orgasm*, you'll learn: What an orgasm is, How the clitoris is much more than "a little button", The five types of orgasm difficulties, The twenty-five causes of those difficulties, Self-awareness via quizzes and questionnaires, Step-by-step plans to help you and your partner. An extraordinarily thorough, all-inclusive exploration of every possible reason why women have orgasm challenges, *The Elusive Orgasm* gives you the tools to discover the source of your own orgasm difficulties, along with straightforward remedies. Book jacket.

Generation P? - Susanne V. Knudsen 2008-08-01

This book provides insight into the young generations relations and experiences with pornography. *Generation P?* is based on a unique and comprehensive study giving voice to the words and opinions of the young people themselves. Never before have pornography and sexualized material been so readily available and pervasive in young people's everyday life. TV programmes, advertising, and the music industry exploit and play with pornographic codes and scenarios. The sex industry launches and promotes its products via youth channels and websites. How do young people navigate through this pornographic landscape? Does the omnipresence of pornography breed curiosity or resistance? How does pornography challenge the role of parents and teachers? *Generation P?* provides answers to these questions and presents a unique body of new research on youth, gender and pornography. The study shows that the vast majority of young people in the Nordic countries have seen porn. But young

people do not swallow the pornographic messages without resistance, and some are very critical of or actively opposed to them. It is very seldom that the voices of young people are heard in the public debate on pornography. In *Generation P?* focus is set on the voices, definitions and experiences with pornography of young people themselves. The book contains contributions from leading researchers from different academic fields: sociology, psychology, media research, social work and public health.

Library Journal - Melvil Dewey 2006

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

New Books on Women and Feminism - 2006

Sisterhood, Interrupted - D. Siegel 2007-08-24

Contrary to clichés about the end of feminism, Deborah Siegel argues that younger women are not abandoning the movement but reinventing it. After forty years, is feminism today a culture, or a cause? A movement for personal empowerment, or broad-scale social change? Have women achieved equality, or do we still have a long way to go?

Sex Positions for Couples - Anita Massey

2021-05-21

According to the most recent research in the sexology field... - Among American couples, over 50% are dissatisfied or highly dissatisfied with their sex life; - Around 37% of them feel that their life would be happier if they had more sexual intercourse; - Women are 20% more sensitive to their partner's shortcomings; - Almost 50% of them faked an orgasm at least once in their life, keeping the male in the dark; - 100% OF THEM FEEL THAT THE ROOT CAUSE OF THEIR SEXUAL DISSATISFACTION IS A LACK OF FUN & VARIETY IN THEIR POSITIONS! Female Ejaculation and the G-spot - Deborah Sundahl 2003

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.

Let Me Eat Cake - Leslie F. Miller 2009-04-14

Few creations are more associated with joy or more symbolic of the sweet life than cake. After all, it is so much more than dessert. As a book about cake would demand, this one is a multilayered, amply frosted, delicious concoction

with a slice (or more) for everyone. *Let Me Eat Cake* is not a book about baking cake, but about eating it. Author Leslie F. Miller embarks on a journey (not a journey cake, although it's in there) into the moist white underbelly of the cake world. She visits factories and local bakeries and wedding cake boutiques. She interviews famous chefs like Duff Goldman of Food Network's *Ace of Cakes* and less famous ones like Roland Winbeckler, who sculpts life-size human figures out of hundreds of pounds of pound cake and buttercream frosting. She takes decorating classes, shares recipes, and samples the best cakes and the worst. The book is held together by the hero on a quest, one that traces cake history and tradition. If we were to bake a cake to celebrate the birth of cake (cake is an Old Norse word, first used around 1230), it is hard to say how many candles would go on top. Though the meaning of the word (originally "lump of something"), not to mention our expectations of its ingredients, has changed over time, we now celebrate cake as the coming together of flour, sugar, butter, eggs, vanilla, baking powder, and a pinch of salt. And what a celebration. Baking a cake is hard work, but tasting it is pure pleasure. So put on some elastic-waist pants and grab a fork.
