Mating in Captivity - Esther Perel 2012-02-16

When you love someone, how does it feel? And when you desire someone, how is it different? In *Mating in Captivity*, Esther Perel looks at the story of sex in committed couples. Modern romance promises it all - a lifetime of

togetherness, intimacy and erotic desire. In reality, it's hard to want what you already have. Our quest for secure love conflicts with our pursuit of passion. And often, the very thing that got us to into our relationships - lust - is the one thing that goes missing from them. Determined to reconcile the erotic and the domestic, Perel explains why democracy is a passion killer in the bedroom. Argues for playfulness, distance, and uncertainty. And shows what it takes to bring lust home.

Smart, sexy and explosively original, *Mating in Captivity* is the monogamist's essential bedside read.

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages,

resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide **Finding Love (Again!)** - Connie Merritt 1997 "Finding Love (Again!)

Intimacy - Juli Slattery

2015-09-22

Is _____ok in the bedroom? If I'm single, how far is too far? How do I get past my shame? Whether you are married or single, having great sex or no sex, your sexuality is inseparable from your spirituality. Sadly, most churches are silent on the subject. Dr. Juli Slattery is breaking the silence. In 25 Questions You're Afraid to Ask about Love, Sex, and Intimacy, she tackles the most common and critical questions women ask her about sexuality, like: What if I don't like sex? Can I be single and sexual? Is masturbation a sin? How do I make time to make love? What if I want sex more than my husband does? Candid, wise, and practically minded, Dr. Slattery addresses matters like sexual abuse, pornography, betrayal in marriage, intimacy in the bedroom, singleness, and more, calling women to think biblically about all areas of their sexuality. Find answers to your questions, liberation from your fears, and freedom to

explore God's good gifts of love, sex, and intimacy. [If...](#), Volume 3 - Evelyn McFarlane 2007-12-18
From the Introduction: "Love. Romance. Sex. From the imaginative lover to the imaginary one, our imaginations play central role in our love lives. Pity the person who believes there exists no connection between the heart and the imagination, or pity their lover, anyway. From the first time we begin to discover there's a thing called love—tumultuous, chaotic, confusing, frightfully powerful, and stunningly joyous—we begin to imagine what might be if . . . And as long as we are able to love (in other words, as long as we are alive), our imaginations help us through it, fill in the gaps, make us hopeful, steel our nerves, augment our romantic ideas, protect our humility, guide our actions, and help keep things interesting. Would we dare enter into love otherwise? Yet as wonderful and wrenching as romantic love can be, it remains startlingly

incomprehensible, and the mysteries of our own hearts tantalize us. Can we know more? Are we meant to? Ask yourself some of these questions, and ask those you love, or would like to. Where will they take you? What will they reveal? Do you have the courage to answer? Be prepared for anything. And always, always, treasure the game of love. We would like to add that some of the following questions are rather direct, and personal, and not everyone will choose to ponder them, but in no case do we intend offense."

99 Questions You Must Ask a Man Before Sleeping with Him and Definitely Before Having SEX - Armani Valentino
2008-01-01

The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on

dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino's national bestselling book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom, Steve Harvey's best friend and Bodyguard, Best-selling author and the self-proclaimed "Bodyguard for Women's Heart's" says, "Armani is right on point. His generation and others need this book." Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, "Most of the time people don't really know what to ask. Many people like to avoid asking questions for fear of finding out something they don't want to know. The sad part about this is, STD's are on the rise. Even if you don't

contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved." Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, "The Art of Asking Questions." This chapter teaches you how to become an interview expert . Fortune 500 companies use this to process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, "My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you." He also says, "The non-physical side of SEX is something that we need to talk more openly about. I

think my book helps individuals to do this. That's why Chapter 4 of the book is probably my favorite. Chapter 4 is "Love & SEX...The Two Most Powerful Energies and How Not to Get the Two Confused." The 3-year National Best-seller, "99 Questions," written by one of the nation's premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. "The Most USEFUL DATING BOOK on the market!" ~DFW Singles Magazine "Armani Valentino's book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, is one book that you must have in your library." - Street Pop Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino

says, "Most of the time we think we know what to ask before getting involved with someone. Although we probably do, we don't have that information in-front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It's kind of like dating insurance."

True Love Dates - Debra K. Fileta 2013-10-08

It is possible to find true love through dating. In True Love Dates, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. True Love Dates provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. A More Beautiful Question - Warren Berger 2014-03-04

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so

deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.
