Not Tonight Mr Right - Kate Taylor 2007-02-01

'There are three possible parts to a date, of which at least two must be offered: entertainment, food and affection. It is customary to begin a series of dates with a great deal of entertainment, a moderate amount of food and the mere suggestion of affection. As the amount of affection increases, the entertainment can

be reduced proportionally. When the affection is the entertainment, we no longer call it dating.' Miss Manners In Not Tonight, Mr Right, Kate Taylor teaches modern women how, why and when not to have sex. OK, it doesn't sound very liberated, but it is very empowering . . . well, it's mainly just hilarious, but does make a lot of sense too. Quiz: How Much Do You Need This Book? 1. Have you ever had sex when, looking back, a simple 'Thanks for dinner' or 'I'm sorry I forgot your birthday' would have sufficed? 2. Have you ever tried to win back a bored boyfriend with a complicated technique called something like 'Crouching Tiger, Hidden Hard-On'? 3. Have you ever had sex with someone you weren't that keen on, but still felt irrationally annoyed when they didn't call you again afterwards? 4. Have you ever wished you knew the perfect moment to shag?

Premarital Sex in America - Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging

adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

Why Wait - ROSE PUBLISHING. 2001-06

Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This *Why Wait* Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, *Why Wait? Why does God care if I have sex? Everyone else is doing it.* In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

Sex before Marriage. What's the harm? - Daniele Luciano Moskal 2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor

thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

No One Told Me Marriage Is A Ministry - Francine Dent, Ph.D 2020-07-08

Marriage, no one showed me, no one counseled me, no one told me, it would be like this. Why, why, why, did I have to learn the hard way that marriage is a ministry? One night after a huge fight I was done; my bags were packed and I was leaving. But God said, "No!" I asked God, "Why didn't someone tell me about marriage?" He said, "You didn't ask." As you read this book you will get a deeper understanding of the four phases of marriage and what it takes to minister to each other through each phase. About the Author Dr. Francine Dent is an anointed woman of God. She's dedicated to doing and abiding in the will of God as a woman, wife, mother, grandmother, counselor, teacher, pastor, and author. She is married to Pastor L. Alphonso Dent, a wonderful godly man of faith. Her ministry began in 1978, having served on a variety of auxiliaries until she was called to ministry in February 1986 and began teaching, preaching, and conducting women's retreats and workshops. Many have been blessed, healed, and delivered from New York to Georgia. Dr. Dent's greatest accomplishment, other than preaching, has been developing and implementing a four-year Biblical Counseling Training Program, CEO of Agape Christian Counseling and Crisis Center, and becoming an author. She attended Northern Virginia Community College, Prince George's Community College, Washington Bible College for her undergraduate studies, and Faith Christian University and Schools, where she completed her Master's and PhD in Philosophy in Christian Counseling. She is also a Licensed Professional Christian Therapist. Dr. Dent published her first book in 2011 entitled *No More Chains Holding Me*. Through her book, *No More Chains Holding Me*, she addresses how to break the chains of physically, emotionally, and verbally abused, and give hope to those who yet stayed and stayed thinking there will never be a way out. She explains how to get free, and be free in Christ, who has made us free. Her second book is *Heart to Heart Meditations*, which is comprised of daily devotions written by her deceased mother and her to not only inspire the readers but also allow them to reflect on what the message means through a series of questions.

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.
