Secrets of Sex - Kenneth Anderson 1988-01-01

Time Bestseller 'Secrets of Sex' unravels the mysteries of sex. The author, Kenneth Anderson handles this subject with great poise, noble motives and frankness. He brushes aside the taboo on sex secrets and put into the hands of the reader the cause of sexual bliss. The physiology of sexual stimulation is calculated to hold the reader spellbound. He writes with a sense of humour and a deep psychological insight, providing methods and instructions that are easy to follow and bound to produce results.

Women, Men and Eunuchs - Elizabeth James 2013-01-11

The collected papers in this volume present a unique introduction both to the history of women, of men and eunuchs, or the third sex, in Byzantium and to the various theoretical and methodological approaches through which the topic can be examined. The contributors use evidence from both texts and images to give a wide-ranging picture of the place of women and Byzantine society and the perceptions of women held by that society. *Women, Men and Eunuchs* offers a unique and valuable exploration of the issue of gender in Byzantium, which will fascinate anyone interested in ancient and medieval history and gender studies.

The Cosmic Embrace - John Stevens 1999

Here is a survey, through art from around the world, of the sacred dimension of sexuality. It demonstrates beyond a doubt that the notion of sexual relationships as something honorable, nonpossessive, fulfilling, and beneficial is nothing new, nor is the idea limited to the traditions of the mystic East. John Stevens shows how world sexual traditions have always had the spiritual as their highest goal. His survey looks at art from China, India, Native American traditions, ancient Europe, Japan, the South Pacific, Southeast Asia, Tibet, Greece, Africa, and Mexico, as well as art by modern artists like Eric Gill. The book includes an extensive bibliography.
