In *The Secrets of Happily Married Women*, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site www.HappilyMarriedWomen.com. They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."
