Sex and the Marriage Covenant - John Kippley 2014-01-23
 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant. From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act. Thus the title, *Sex and the Marriage Covenant*, is an appropriate description of the book's contents. Marriage comes into being by a couple unreservedly entering God's covenant of marriage; contraceptive intercourse contradicts the very essence of the marriage covenant. From these considerations, Kippley developed the covenant theology of sexuality described in this book.

Same-sex Marriage - 2004

What does God say about same-sex marriage in the Bible? is same-sex marriage simply a matter of personal values, or part of some diabolical plot

Family Likeness - Mary Jean Corbett 2010

Mary Jean Corbett shows how the domestic fiction of novelists from Jane Austen to Virginia Woolf reflected the shifting boundaries of 'family' & in turn helped to refine those boundaries.

A Biblical Guide to Love, Sex and Marriage - Derek Thomas 2007

This book is about marriage and its relationships, based on the Song of Solomon. Interpreting this book of the Bible has been a controversial issue for many years. First, it is a book about love, marriage and sex. It is

thoroughly immersed in the goodness of the created order. Second, in teaching us about intimate relationships in marriage, it helps us understand how marital union reflects Christ's relationship to the church corporately, and the believer individually. Thirdly, the Song of Solomon is God's inerrant Word. It is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness that the man of God may be adequate, equipped for every good work (2 Tim. 3: 16-17). We cannot keep this issue buried beneath the surface but hovering over everything we understand of the Song. Being persuaded of its divine authorship and sanctifying intent should keep us from embarrassment on the one hand and sentimentality on the other. The Holy Spirit thought it necessary that we be given these love poems to teach and exhort us to love more deeply the one he has provided to share our lives with. It is only right, therefore, that we reciprocate with gratitude for this gift.

Sex and Marriage - Rochelle Foxx 2015-03-21

MARRIED COUPLES EDITION - DIRTY SECRETS REVEALED! Discover How You Can Transform a Dull Sex Life Into The Sexual Fantasy You Always Dreamt Of Here Is A Sneak Peak of Sex In Marriage... (FREE BONUS INSIDE: SIGN UP FOR FREE BOOKS ON SEX & MARRIAGE) Discover The 10 Ways To Turn Your Love Life Into a Lustful Desire Why More Relationships Are Failing No More Routines, Only Passionate Love Making How To Communicate Your Sexual Desires And Needs How Quickies Really Should Be Done Learn How Your Body Image Plays a Big Role In Satisfying Your Partner Discover the Physical And Emotional Benefits Of Sex No More Fake Orgasms The Kind Of Blowjobs That Will Give Him Pure Ecstasy Make Her Go Wild With These Oral Sex Tips Role-Playing For More Intense Orgasms Sexual Foods That Will Put You In The Mood Much, much more! "Whether you are happy with your sex life, or are looking for ways to spice it up, or you're flat out BORED and maybe even frustrated with how dull your sex life has turned out to be, then this book will definitely give you new eyes and desires for what your sex life could look like... Because this book is *filled* with all the juicy details that will do that for you. We all know how fast paced the world

has become and our work days are getting longer and longer. You may feel that there is no time to romantic and intimate with our partners like we used to. It's much easier to just watch TV the rest of the night after putting the kids to bed, than it is to take initiative to have crazy wild sex. And the days you do have sex, it rather lacks excitement and is more of a fast release than passionate love making. If this is what your sex life has turned into, then you're not alone. The fact that you decided to pick up this book proves you truly care about your marriage and are willing to put in the work. With these NEW strategies you'll learn NEW methods that'll draw you closer to each other in new, fun and exciting sexual ways. (and frankly I'm relieved your marriage is worth more to you than the price of a \$2.99 book! That's a pretty good deal for someone who wants to revolutionize their sex life, or wouldn't you agree?) In many ways this book is also Divorce Prevention 101. Did you know 90% of spouses that cheat do so because they feel SEXUALLY UNFULFILLED in their relationship? Do not let that happen to your marriage! Start taking your sex life to the next level today, don't let life pass you by. Choose happiness, choose to live out your sexual fantasies with your special someone." -Rochelle Foxx More info can be found here:

Sex, Marriage, and Family in World Religions - Don S. Browning 2009-04-24

"Spanning thousands of years, this new collection brings together writings and teachings about sex, marriage, and family from the Jewish, Christian, Islamic, Hindu, Buddhist, and Confucian traditions. Chosen and introduced by leading scholars of each religion, the volume's

selections include a wide array of traditional texts. The book also contains contemporary writings, responding to the changing mores and conditions of modern life." "Sex, Marriage and Family in World Religions reveals the similarities and differences among the various religions and the development of ideas and teachings within each tradition. It sheds light on each religion's views on a wide variety of subjects, including sexuality and sexual pleasure, the meaning and purpose of marriage, the role of betrothal, the status of women, the place of romance, grounds for divorce, celibacy, and sexual deviance."--BOOK JACKET.

Marriage, Gender, and Sex in a Contemporary Chinese Village - Xinbang Ruan 2004

This book explores changing concepts of marriage and gender relationships and attitudes toward sex in a rural Chinese community over the past five decades. The book is based on a study of an industrialized peasant village in Guangdong Province from 1994 to 1996 and subsequent visits from 2000 to 2002. According to the authors, the rural economic reforms of the 1980s in southern China have challenged and reinforced the deep structure of Chinese familism and this has led to tensions between tradition and modernity. The first section of the book explores how attitudes toward marriage and courtship have changed over the past fifty years through personal accounts of three different marriages from different generations. In Part II, the transition from a traditional to a modern society is discussed from the perspective of several women from different generations. The third section focuses on sexual relationships and the growing sex trade in the village. Part IV includes updates to the original survey and takes a look at village politics.

Lesbian Marriage - Kim Chernin 2014

Now that lesbian marriage and lesbian couples are stepping into full recognition by culture and society, there is more pressure to succeed as a couple - and potentially a family. There is also the invitation to fill the age-old institution with a new spirit and new forms of living. When you fall in love, you want love and sex, as well as passion and intimacy to be around forever. And why not? Whether you are in a committed lesbian

relationship, on the path to marriage or already married, you want to make sure your sexual attraction will never fade. You would like to receive all the blessings of marriage: sex and romance, closeness and tenderness, honesty and harmony... until death do you part. We all know that keeping sex and romance alive is not a piece of cake. Let this book help you along in the spirit of frankness and humor. You will find stories, reflections, and "love & sex forever" tools. *Lesbian Marriage: A Love & Sex Forever Kit* offers couples: *Realistic and effective guidance to keep sex and romance hot *Shrewd advice and handy tools for the major challenges of lesbian marriage *Fun lists of what to do and not to do when faced with these challenges *Taboo-breaking revelations about what really goes on in bed *Encouragement to see the anxieties and pitfalls of lesbian marriage with humor *Reassurance that the new pressures to succeed in lesbian marriage can be met creatively ' Kim Chernin and Renate Stendhal are relationship experts, award-winning and bestselling authors who have written extensively about women's issues, love and sex. In *Lesbian Marriage: A Love & Sex Forever Kit*, their eye-opening insights illuminate long-term lesbian relationships and the new potentials of lesbian marriage. Order a copy of this groundbreaking, taboo-smashing book today and keep the spark of passion and romance alive for years to come.

The Family, Sex and Marriage in England 1500-1800 - Lawrence Stone 1977

During the period 1500 - 1800 there were massive changes in world social and cultural systems, and the family unit as we recognize it today came into being. The emphasis on the individual, the right to personal freedoms and the desire for privacy developed during this period and were symptomatic of world-wide shifts in attitude that also affected religion and politics. This is a study of the evolution of the family, from the (to us) impersonal, economically bonded and precarious extended family group of the sixteenth century to the smaller, affectively bonded nuclear unit that had appeared by the end of the eighteenth century, and shows how this process radically influenced child-rearing, education, contraception, sexual behaviour and marriage. This work challenges

many of the conventional views hitherto held about English society at that period.

Between a Man and a Woman? - Ludger H. Viefhues-Bailey 2010
Through a probing investigation of conservative Christianity and its response to an issue that, according to the statistics of conservative Christian groups, affects only a small number of Americans, Ludger Viefhues-Bailey alights on a profound theological conundrum: in today's conservative Christian movement, both sexes are called upon to be at once assertive and submissive, masculine and feminine, not only within the home but also within the church, society, and the state. Therefore the arguments of conservative Christians against same-sex marriage involve more than literal readings of the Bible or nostalgia for simple gender roles. Focusing primarily on texts produced by Focus on the Family, a leading media and ministry organization informing conservative Christian culture, Viefhues-Bailey identifies two distinct ideas of male homosexuality: gender-disturbed and passive; and oversexed, strongly masculine, and aggressive. These homosexualities enable a complex ideal of Christian masculinity in which men are encouraged to be assertive toward the world while also being submissive toward God and family. This web of sexual contradiction influences the flow of power between the sexes and within the state. It joins notions of sexual equality to claims of "natural" difference, establishing a fraught basis for respectable romantic marriage. Heterosexual union is then treated as emblematic of, if not essential to, the success of American political life?yet far from creating gender stability, these tensions produce an endless striving for balance. Viefhues-Bailey's final, brilliant move is to connect the desire for stability to the conservative Christian movement's strategies of political power.

Love, Sex, and Marriage - Roland Bertram Gittelsohn 1980
A textbooks, with a Jewish viewpoint, on all aspects of male- female relationships from dating to love, sex, marriage, and divorce.

"Same-Sex Marriage" Is an Oxymoron - Richard A. McKenzie
2019-06-20

In the late twentieth and early twenty-first centuries, when the debate

about same-sex marriage was active and leading to legislation, my wife and I followed the news avidly but with only one thought—same-sex marriage is wrong. As Christians, we believed in our marriage in church and in the vows taken. We could accept differences, and to us, the acts of civil union seemed to give same-sex couples an identity and a protection from abuse, which they were entitled to. When these acts were passed, it was not enough. Laws were passed to allow same-sex marriage, which to us, compounded the position. The element of same-sex couples denying their sexuality by contriving to become parents by utilizing, in some way, the services of the opposite sex seemed totally against the law of nature and the very sexuality that gays and lesbians had wanted legalized in the first place. Laws may be passed, but it does not mean that Christians and churches have to accept these laws as being scriptural and Christian. There is nothing in the Bible that supports same-sex marriage, yet general assemblies of denominations have approved same-sex marriage—often without the approval of individual congregations. This cannot be right in principle or practice. Sadly, my wife died in September 2015, but our united stance continues.

Making Sense of Sex - Adrian Thatcher 2012-06-21

All living creatures are sexed. Human beings belong to societies where traditions about who can have sex with whom, and how, and when, are centuries old. Making sense of sex assumes that there is a rational way of understanding our basic drives. But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex. The Christian tradition, especially in its conservative forms, is often thought to be unhelpful in making sense of sex. Christian sexual ethics may seem overly demanding: holistic in theory, yet sexist and pessimistic in practice. Adrian Thatcher argues, however, that instead of being pessimistic about sex, Christians can be grateful realists instead. Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality. Exploring topics such as desire, bodies and the Body of Christ, sexual difference, homosexuality, marriage, and Paul's reflection on 'flesh' and 'spirit', it will help to guide readers towards a spiritual understanding of shared sexual love.

Sex, Marriage, and Family in John Calvin's Geneva - Jr. Witte, John
2005-10-20

You would not expect this from his dour reputation, but John Calvin transformed the Western understanding of sex, marriage, and family life. In this fascinating, even sensational, volume John Witte and Robert Kingdon treat comprehensively the new theology and law of domestic life that Calvin and his fellow reformers established in sixteenth-century Geneva. Bringing to light and life hundreds of newly discovered cases and theological texts, Witte and Kingdon trace the subtle historical forms and norms of sex, marriage, and family life that still shape us today.

Love, Sex & Marriage in the Middle Ages - Taylor & Francis Group

2022-04-21

This updated edition collects an extensive range of evidence for how people in the European Middle Ages thought about the emotional state of love, the physical act of sex and the social institution of marriage. Included are extracts from literary and theological works, medical and legal writings, conduct books, chronicles and letters. These texts discuss married couples who are not having sex, and unmarried ones who are. We encounter marriages for creating alliances, marriages for love and promises of marriage made in the hope of obtaining sex. Learned texts discuss the etymology of sexual terms and the medical causes of difficulties in conceiving. There are accounts of clandestine marriages, sexual violence, the madness of love-melancholy, and much more. By drawing on diverse voices and presenting less accessible material, this sourcebook provides a nuanced view of how medieval people thought about these subjects and questions the similarities and differences between their perspectives and our own. With an expanded range of texts, wider geographical scope, suggestions for further reading and updated explanatory material to reflect changes in scholarship in over two decades, this edition is an invaluable resource for students interested in sexuality, gender, and relationships in the Middle Ages.

Same-Sex Marriage and the Constitution - Evan Gerstmann 2004

Does the Constitution protect the right to same-sex marriage? Much of the writing on this subject has been highly one-sided. This book takes a careful second look at the issue. Not only does it carefully look at the legal debate, but it also asks whether, in a democratic society, the courts should settle this question rather than the voters and it takes on the issue of whether such a court-created law could be effective in the face of public opposition. The book argues that this issue is one of the most significant constitutional issues facing society because it challenges society's commitment to the promise of true legal equality.

The Marriage Guide - Frederick Hollick 1850

The Marriage of Likeness - John Boswell 1996

Same-sex Marriage - Patricia M. Stockland 2007-08-01

Discusses the controversial viewpoints regarding same-sex marriages.

God, Sex, and Your Marriage - Juli Slattery 2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.
