

# Sex Life Time To Choose

**Good Sex** - Martin Buss 2014-01-13

Good Sex presents sexual ethics in the light of faith. Speaking on behalf of Christianity, Buss describes "love your neighbor as yourself" as the only Christian "rule"; it is a positive rule rather than one that focuses on prohibitions. Since this call is never fulfilled in practice, it is joined by forgiveness for oneself and others. More concrete guidelines need to be aided by "wisdom," which is not specifically Christian. Detailed biblical support is provided at the end. Stipe, a contemporary Pagan, advocates respect for all living things and doing no harm as a minimal ethical guide, leaving positive prescriptions to individual judgment. Buss and Stipe discuss details of sexual ethics in largely positive terms--what is good to do--but also with a concern for problems that should be avoided. They agree in many practical matters, just as Christians and Pagans did many years ago, before sexual equality became an ideal. They discuss various kinds of sex, including seeing and being seen, touching, masturbation, and penetration; different sexual identities; committed and uncommitted relationships, including the advisability of extended relations; having and raising children; abortion; and sensuous awareness in a spiritual setting.

**Shameless Sex** - Amy Baldwin 2023-11-14

Take control of your own sexual journey with Shameless Sex, a compass to guide you toward your most authentic and vibrant self. Embrace your desires, gain confidence in your relationships, and explore your own ever-changing world of sexual pleasure with this guide to cultivating the sex life of your dreams. No matter your gender, sexuality, or relationship status, Shameless Sex: Unlock the Pleasure You've Been Waiting For lets you choose your own pleasure path while feeling normal, whole, and supported. With real questions from Shameless Sex podcast listeners—and the best advice and most trusted tools drawn from interviews with hundreds of doctors, sex educators, therapists, coaches, and other

experts—hosts Amy Baldwin and April Lampert address the most-asked questions around sex, including: How do I figure out what I want in the bedroom—and how can I ask for it? How can I become a better lover? How can I have hotter, steamier sex? How can I keep the fire burning? Shameless Sex is more than just a fascinating and insightful read—this guide is designed to be revisited time and time again when new inevitable relational and sexual questions arise. Are you ready to open yourself up to creating the lasting change you desire in your sex and relationships? Join the Shameless Sex revolution, and find the passion, richness, depth, and connection you've been looking for.

**The Essential Elements of Sex** - Eryn-Faye Frans LL B. 2012-12

The Essential Elements of Sex; provides you with the building blocks you need for the sex life you have always hoped for and dreamed about in your marriage. We are facing an epidemic of divorce in the church, and the dirty little secret is that these marriages are falling apart because we, as Christians, are woefully unprepared for the most taboo aspect of our relationship—sex. The Essential Elements of Sex outlines information crucial to the foundation of sexual intimacy and describes the nine essential elements necessary to build a strong, sustainable partnership. Eryn-Faye Frans combines the authoritative research of some of the most renowned experts in the field with her own experience coaching thousands of individuals and couples across North America. In The Essential Elements of Sex, she provides a biblically based, scientifically established understanding of the issues men and women face in the bedroom. She debunks myths about sexual intimacy, provides answers to commonly asked questions, offers tips and how-tos, and suggests practical exercises that can improve communication, intimacy and appreciation for each other.

**Sex Empire** - Joshua Kayode Oladimeji 2016-12-28

I am too sure you are surprised to see the title of this book-Sex Empire. It is about the tale of a great and wise king who has ever lived. It is not a fiction; he actually had sexual practices with the highest number of women history has ever recorded, though history simply plays down on this aspect of his life. He actually built an empire which he devoted to sexual practices. The reason he ventured into this act was not disclosed. He lived in a season of life when women were regarded absolutely as mere household property. He was a wealthy king who had enough resources to finance this project. Sex as it were is an amazing exercise that has added great value to human existence on earth. If sex is not part of human life, can you imagine how boring life would have been? Sex is thrilling and exciting practices during man's voyage in this temporary world. As pleasurable as it has been, it has brought untold pain to many lives. Many men and women are living in endless pain because of negative effect of sexual activity in their lives. This book is a great eye opener to this generation on the effect that unguarded appetite for sex can cause in a life time. Life is not a rehearsal, it's real. Whatever part you choose, you are either using it to damage or building somebody somewhere and it can affect generation yet unborn. The deepest pain most ladies are going through in the world today has its root in unhealthy sex practices. In this book, I will share with you the strength of sex in pervert leaders; the great wastage of human resources in the past and our contemporary world. The consequences of Sex Empire built by this king and the present day sex empire. Reading this book is an adventure into a world of total success and ending well in this sexually inflicted generation.

Mind the Gap - Karen Gurney 2020-03-05

'This book taught me so much about female desire. A must read!' Cherry Healey Did you know that there is an orgasm gap of around 30% between heterosexual couples when they have sex? In Mind The Gap, Dr Karen Gurney, a clinical psychologist and certified psychosexologist, explores not just this gap, but the gaps in our knowledge of so much of the most important new science around sex and desire. In this book, you will learn that nearly everything that you've been led to believe about

female sexuality isn't actually true. And that, despite what you might think, it is possible to simultaneously feel little to no spontaneous desire and have a happy and mutually satisfying sex life long term. Exploring the mismatch between ideas about sex in our society and what the science tells us, Mind The Gap also explains how this disconnect lies at the root of many of our sexual problems. Combining science with case studies, practical exercises and tips, this is a book for anyone who wants to better understand the mechanics of desire and futureproof their sex life, for life.

Sex and Marriage - Rochelle Foxx 2015-03-21

MARRIED COUPLES EDITION - DIRTY SECRETS REVEALED! Discover How You Can Transform a Dull Sex Life Into The Sexual Fantasy You Always Dreamt Of Here Is A Sneak Peak of Sex In Marriage... (FREE BONUS INSIDE: SIGN UP FOR FREE BOOKS ON SEX & MARRIAGE) Discover The 10 Ways To Turn Your Love Life Into a Lustful Desire Why More Relationships Are Failing No More Routines, Only Passionate Love Making How To Communicate Your Sexual Desires And Needs How Quickies Really Should Be Done Learn How Your Body Image Plays a Big Role In Satisfying Your Partner Discover the Physical And Emotional Benefits Of Sex No More Fake Orgasms The Kind Of Blowjobs That Will Give Him Pure Ecstasy Make Her Go Wild With These Oral Sex Tips Role-Playing For More Intense Orgasms Sexual Foods That Will Put You In The Mood Much, much more! "Whether you are happy with your sex life, or are looking for ways to spice it up, or you're flat out BORED and maybe even frustrated with how dull your sex life has turned out to be, then this book will definitely give you new eyes and desires for what your sex life could look like... Because this book is \*filled\* with all the juicy details that will do that for you. We all know how fast paced the world has become and our work days are getting longer and longer. You may feel that there is no time to romantic and intimate with our partners like we used to. It's much easier to just watch TV the rest of the night after putting the kids to bed, than it is to take initiative to have crazy wild sex. And the days you do have sex, it rather lacks excitement and is more of a fast release than passionate love making. If this is what your

by guest

sex life has turned into, then you're not alone. The fact that you decided to pick up this book proves you truly care about your marriage and are willing to put in the work. With these NEW strategies you'll learn NEW methods that'll draw you closer to each other in new, fun and exciting sexual ways. (and frankly I'm relieved your marriage is worth more to you than the price of a \$2.99 book! That's a pretty good deal for someone who wants to revolutionize their sex life, or wouldn't you agree?) In many ways this book is also Divorce Prevention 101. Did you know 90% of spouses that cheat do so because they feel SEXUALLY UNFULFILLED in their relationship? Do not let that happen to your marriage! Start taking your sex life to the next level today, don't let life pass you by. Choose happiness, choose to live out your sexual fantasies with your special someone."-Rochelle Foxx More info can be found here:

[Exploring the Biological Contributions to Human Health](#) - Institute of Medicine 2001-07-02

It's obvious why only men develop prostate cancer and why only women get ovarian cancer. But it is not obvious why women are more likely to recover language ability after a stroke than men or why women are more apt to develop autoimmune diseases such as lupus. Sex differences in health throughout the lifespan have been documented. *Exploring the Biological Contributions to Human Health* begins to snap the pieces of the puzzle into place so that this knowledge can be used to improve health for both sexes. From behavior and cognition to metabolism and response to chemicals and

infectious organisms, this book explores the health impact of sex (being male or female, according to reproductive organs and chromosomes) and gender (one's sense of self as male or female in society). *Exploring the Biological Contributions to Human Health* discusses basic biochemical differences in the cells of males and females and health variability between the sexes from conception throughout life. The book identifies key research needs and opportunities and addresses barriers to research. *Exploring the Biological Contributions to Human Health* will be important to health policy makers, basic, applied, and clinical researchers, educators, providers, and journalists-while being very accessible to interested lay readers.

*Medical and Psychosocial Care of the Cancer Survivor* - Kenneth D. Miller 2010-10-25

This ground-breaking clinical reference provides a comprehensive perspective of the multiple issues facing cancer survivors, ranging from early post-treatment through long-term care. Clear, clinically practical chapters written by experts in the field concentrate on multi-dimensional issues that confront cancer survivors. Divided into four, focused sections—overview of survivorship, medical care, psychosocial care, and epidemiologic—this book is evidence-based and uses case examples and illustrations throughout to add to the understanding of the material and its application to the individual patient. Primary care physicians, nurses, oncologists, hematologists, students of medicine, and survivorship researchers will all find this to be a valuable asset in setting the standard of care in the field of cancer survivorship.

**Sex Positions** - Pamela Red 2020-05-20

**A Lifetime of Sex** - Stephen C. George 1998  
With more than 300,000 copies in print, the guide that looks at sexuality at every stage in a man's life is now available in paperback. The book is written in the lively and accessible "Men's Health" tone, with advice from 150 sex experts. 22 illustrations.

**Getting Your Sex Life Off to a Great Start** - Clifford Penner 1994-11-10

Many couples put more planning into the wedding ceremony than they do for what comes after the wedding. Intelligent, deliberate

preparation for a lifetime of sexual leasure is a worthy investment you won't regret. In *Getting Your Sex Life Off to a Great Start*, renowned sexual counselors and best-selling authors Clifford and Joyce Penner guide you through an encouraging process that begins by dispelling sexual myths and then guides you in getting to know yourself and each other emotionally and physically. With reassuring enthusiasm and straightforward advice, the Penners show you how to clarify your expectations and pursue the joyous marital passion described in Scripture. Through creative, step-by-step exercises and easy-to-understand examples, you'll learn how to: Design a successful honeymoon Prepare for your first sexual time together Choose and use family planning Create a mutually enjoyable wedding night Get past disappointments Keep the spark alive Thousands of couples have discovered the marvelous gift of a positive sexual relationship through the Penners' helpful books and enlightening seminars. As your wedding day nears-or even if you're already newlyweds-this extraordinary book will help you get your sex life off to a great start.

**The Impact of the Equal Rights Amendment** - United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution 1985

*How to Teach Your Kids about Sex So You Won't Get Embarrassed & They Won't Get AIDS, a Disease Or a Baby* - Carole Marsh 1991

*Sane Sex Life and Sane Sex Living* - Harland William Long 2022-09-15

This book brilliantly describes normal sex life and the art of love while giving detailed instructions on the intimacies of healthy sex life. The writer wrote this book to help improve health, extend life, promote virtue, and reduce crime and vice.

*Come As You Are: Revised and Updated* - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science,

studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

**The Side We Choose to See** - Abena Antwi  
Angel-Zoe Foundation 2013-08-13

This book gives a breathtakingly vivid account of twelve stories of women who are incarcerated in Ghana, West Africa. The narration combines real life stories with a tinge of fiction to keep the reader continuously engaged to the point of falling off their seat, in shock. Each narration is unique with regards to the story line and draws out intricate details of how the crimes were perpetuated by the imprisoned women some of who still profess their innocence. Based on the stories beautifully narrated, relevant thoughts and lessons are drawn out based on the Author's perspective. The reader is also given an

opportunity to make judgements for themselves after immersing themselves into a particular story. The stories are different yet they are interwoven by one theme: Crime.

44 Chapters About 4 Men - BB Easton  
2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.
