

Sex Addiction Meaning

Sex Addiction 101 - Robert Weiss 2015-10-27

As technology and the internet have become more accessible, the number of affordable, easy links to pleasurable sexual content and activity has increased with it, and so too has the number of people struggling with sex, porn, and love addiction. Unfortunately, very few people possess a comprehensive understanding of this incredibly complicated disease. Sex Addiction 101 covers everything from what sexual addiction is and how it can best be treated, to how it affects various subgroups of the population, such as women, gays, and teenagers, to how sex addicts can protect themselves from the online sexual onslaught. Sex Addiction 101 is intended to enlighten the clinical population as well as actual sex addicts and their loved ones.

Along with his mentor Patrick Carnes, Weiss has become the face of and driving force behind understanding and treating sexual addiction; this book should be a core title in every addiction collection.

Sexual Anorexia - Patrick J Carnes 2009-08-07

A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. Author Dr. Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder, sexual addiction and compulsivity,

often arise from a background of childhood sexual trauma, neglect, and other forms of abuse, Carnes explores the numerous dimensions of sexual health, examining key issues which must be addressed and resolved for recovery to proceed. Utilizing extensive research and elucidating case studies, Carnes develops concrete tasks and plans for restoring nurturing and sensuality, building fulfilling relationships, exploring intimacy, and creating healthy sexuality. Woven throughout the book are stories of recovery which illustrate sexual healing principles, model new behavior, and support motivation for change. Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but, instead, a deeply sensual, passionate, fulfilling, and spiritual experience that all human beings are innately entitled to.

Out of the Shadows - Patrick J Carnes 2009-06-21
Unhooked from regular

routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the

shadows of sexual compulsion and back into the light and fullness of life.

Treating Out of Control Sexual Behavior - Douglas Braun-Harvey, MA, MFT, CGP, CST
2015-11-05

Out of control sexual behavior is referred to variously as "sex addiction", "sexual compulsivity", and "hypersexuality", among other terms, has been a controversial and attention-getting issue since it first captured both public and professional attention over 30 years ago. Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized, medical issue on par with substance abuse addictions, or, in backlash, as simply irresponsible behavior indicating weakness in the individual. In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems, the authors present a model for working with clients in both

group and individual treatment settings. Based on their experience with hundreds of clients, this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior, not a psychiatric or addictive disorder. The book includes step-by-step tools for assessment, treatment planning as well as treatment implementation. It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control. The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools, as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior.

Getting Real about Sex

Addiction - Graeme Daniels

2022-02-15

This groundbreaking, engaging clinical resource for psychotherapists, sex therapists, and related clinicians is replete with rich and empathetic case material and offers a practical, powerful argument for using psychodynamic approaches when working with sex addicts and their partners to achieve long-lasting relational results.

A Gentle Path Through the Twelve Principles - Patrick

Carnes 2012-05-31

A Gentle Path through the Twelve Principles

Bound to Shame - Johannes Arens 2011

This thesis is an attempt to add understanding and meaning to the concept of sexual addiction by correlating the clinical observation that sex addicts in particular, and shame-bound people in general, behave in cycles of control and release to the types of the two sons in the Lukan parable of the prodigal. This parable may be understood as shedding light on the equal dangers of

patterns of control and release. Additionally, sex addiction is viewed from an Augustinian perspective of sin. It is argued that human vulnerability to shaming is a result of original sin and that sexual addiction can be understood within this framework as one possible reaction to shame damage. It is suggested that at the heart of the Christian gospel is a severe warning that to attempt to hide and deny a distorted and painful perception of oneself presents a particularly deadly spiritual condition. To view sex addicts as shame-bound people poses the question as to whether the church faithfully participates in the continuing mission of the triune God and how far its ministry helps towards the healing of shame. On the other hand, we need to explore whether the church adds to the shaming of individuals and groups, is unaware of the dynamics of shame, or even exploits those affected by this. In the context of the current discourse within the Christian church about human sexuality, and in view of

Downloaded from
legacy.opendemocracy.net
on 2023-11-15 by guest

recent scandals of sexual abuse, the question of ministry towards those whose sexuality is wounded is of particular concern.

My Booky Wook - Russell Brand 2008-11-13

Russell Brand grew up in Essex. His father left when he was three months old, he was bulimic at 12 and left school at 16 to study at the Italia Conti stage school. There, he began drinking heavily and taking drugs. He regularly visited prostitutes in Soho, began cutting himself, took drugs on stage during his stand-up shows, and even set himself on fire while on crack cocaine. He has been arrested 11 times and fired from 3 different jobs - including from XFM and MTV - and he claims to have slept with over 2,000 women. In 2003 Russell was told that he would be in prison, in a mental hospital or dead within six months unless he went in to rehab. He has now been clean for three years. In 2006 his presenting career took off, and he hosted the NME awards as well as his own MTV show, 1

Leicester Square, plus Big Brother's Big Mouth on Channel 4. His UK stand-up tour was sold out and his BBC Radio 6 show became a cult phenomenon, the second most popular podcast of the year after Ricky Gervais. He was awarded Time Out's Stand Up Comedian of the Year and won Best Newcomer at the British Comedy Awards. In 2007 Russell hosted both the Brit Awards and Comic Relief, and continued to front Big Brother's Big Mouth. His BBC2 radio podcast became the UK's most popular. Russell writes a weekly football column in the Guardian and is the patron of Focus 12, a charity helping people with alcohol and substance misuse. He also hosts a podcast, Under the Skin, in which he delves below the surface of modern society. Diagnostic and Statistical Manual of Mental Disorders (DSM-5) - American Psychiatric Association 2021-09-24

Getting Off - Erica Garza 2018-01-09

"Erica Garza has written a

Downloaded from
legacy.opendemocracy.net
on 2023-11-15 by guest

riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read” (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to Getting Off. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we’ve all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica’s life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing,

self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. Getting Off offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—“a profoundly genuine, gripping story that any reader can appreciate” (Vice). “In reading Garza’s insight into her own experiences, we better understand ourselves” (The New York Times Book Review).

Don't Call It Love - Patrick Carnes 2013-12-18

Downloaded from
legacy.opendemocracy.net
on 2023-11-15 by guest

"Dr. Patrick Carnes is a creative, pioneering, and courageous human being. His books are changing the lives of thousands!" "I lost three marriages, all because of affairs." "I became suicidal because of multiple intense involvements." "I spent money on sex when I needed it for children's clothes." "I lost promotion opportunities and a special scholarship because my co-workers found out about my sex life." Every day they face the possibility of destruction, risking their families, fiances, jobs, dignity, and health. They come from all walks of life: ministers, physicians, therapists, politicians, executives, blue-collar workers. Most were abused as children--sexually, physically or emotionally--and saw addictive behavior in their early lives. Most grapple with other addictions as well, but their fiercest battle is with the most astounding prevalent "secret" disorder in America: sexual addiction. Here is a groundbreaking work by the nation's leading professional expert on

sexual addiction, based on the candid testimony of more than one thousand recovering sexual addicts in the first major scientific study of the disorder. This essential volume includes not only the revealing findings of Dr. Carne's research with recovering addicts but also advice from the addicts and co-addicts themselves as they work to overcome their compulsive behavior. Positive, hopeful, and practical, Don't Call It Love is a landmark book that helps us better understand all addictions, their causes, and the difficult path to recovery.

The Sexual Addiction -
Patrick Carnes 1983

Extraordinary Sex Therapy -
Gina Ogden 2017-10-02

How do we help our clients discover the depth and breadth of sexual healing?

Extraordinary Sex Therapy offers a range of innovative health-based approaches and models to explore the complexities inherent in sexual pleasure and potential as well as in trauma, pain, and dysfunction. The practitioners

Downloaded from
legacy.opendemocracy.net
on 2023-11-15 by guest

whose work is represented here expand the clinical conversation about sex beyond performance goals and tread courageously into unquantifiable realms of sexual and relational desire, health, and transformation. All of these practitioners describe work that embodies therapeutic collaboration with their clients as they confront sexual concerns that include body image, emotions, meanings, and nuances of partner interactions along with the influence of neurobiology, language, gender, addiction, socioeconomics, and cultural conditioning about pleasure. Their interventions range from education, visualization, and role-play to identifying erotic archetypes, coaching about sensual touch, and using plant spirit medicines to activate imagination and spiritual connection. Their descriptions ring with singular authenticity, depending on their training and the particular clients and issues they address. Each practitioner provides clinical examples and techniques in

enough detail so that readers can incorporate elements of these approaches into their own practices. This book was originally published as a special issue of the Journal of Sexual and Relationship Therapy.

Compulsive Sexual Behaviours

- Silva Neves 2021-05-10

Compulsive Sexual Behaviours offers a unique approach to the struggles people face with their out-of-control sexual behaviours. This comprehensive guide is deeply rooted in the science of sexology and psychotherapy, demonstrating why it is time to re-think the reductive concept of 'sex addiction' and move towards a more modern age of evidence-based, pluralistic and sex-positive psychotherapy. It is an important manual for ethical, safe and efficient treatment within a humanistic and relational philosophy. This book will be an important guide in helping clients stop their compulsive sexual behaviours as well as for therapists to self-reflect on their own morals and ethics so

that they can be prepared to explore their clients' erotic mind.

Sex Addiction: The Partner's Perspective - Paula Hall
2015-08-20

Sex and pornography addiction are growing problems that devastate the lives of partners as well as sufferers. Sex Addiction: The Partner's Perspective has been written to help partners and those who care about them to survive the shock of discovering their partner is a sex addict and to help them make decisions about the future of their relationships and their lives. First and foremost, it is a practical book, full of facts, and self help exercises to give partners a much needed sense of stability and control. Like its sister book, Understanding and Treating Sex Addiction, it includes case examples and survey results revealing the reality of life for partners of sex addicts. Sex Addiction: The Partner's Perspective is divided into three parts. Part I explores the myths surrounding sex addiction and provides up to

date information about what sex addiction is and what causes it before moving on to explain why the discovery hurts partners so much. Part II is about partners' needs and includes self-help exercises and strategies to help partners regain stability, rebuild self-esteem and consider their future. The controversial topic of co-dependency is also explored with guidance on how to identify it, avoid it and overcome it. Part III focuses on the couple relationship starting with the difficult decision of whether to stay or leave. Whatever the decision, partners will then find help and support for rebuilding trust and reclaiming their sexuality. This book has been written to help partners not only survive, but to grow stronger and move on with their lives - whether alone, or in their relationship. Readers will find revealing statistics and real life stories shared by partners who kindly took part in the first UK survey of sex addiction partners. This book will this book be a valuable guide for partners, but

also for the therapists who seek to support them on their journey of recovery.

[A Couple's Guide to Sexual Addiction](#) - Paldrom Collins
2011-11-18

Like other psychiatric disorders, sexual addiction is a condition that affects peoples' relationships with others as much as it affects their own mental state. Individuals suffering from sexual addiction typically pursue sex through any means possible and often engage in risky forms of sexual activity such as exhibitionism, promiscuous sex with multiple partners, online sex, etc. It's easy to see how a couple's relationship may be challenged by the manifestations and reality of a disorder like this one. [A Couple's Guide to Sexual Addiction](#) discusses common relationship issues within the context of sexual addiction and provides the reader with exercises, information, and advice on the following topics: Trust
Communication
Healthy sexuality & sexual behaviors
Family
By understanding the

reality of sexual addiction and what it means for a relationship, couples will be able to better relate to each other and plan for a successful future.

Sex Addiction - Paula Hall
2019-02-04

[Sex Addiction: A Guide for Couples and Those Who Help Them](#) is a practical book that provides empathic support, guidance, information and pragmatic strategies for couples who want to survive sex and porn addiction - whether that's together, or apart. Sex and porn addiction devastates couple relationships, and unlike the impact of infidelity, there is no 'before' to get back to and no 'after'. This book adopts the metaphor of a boat, presenting addiction as the tidal wave that devastates the relationship, leaving both crew members

fighting for survival. There's guidance to ensure each partner makes it safely back to shore and advice on surveying the damage to your relationship and deciding if you want to save it and set sail again. You'll find practical advice for both the partner and the addicted partner, including first-hand accounts of couples that have already undertaken the journey. There are exercises to do alone, and many to share together, to help you understand what's happened, consider your future, and if you choose to stay together, begin the task of rebuilding trust and intimacy. Sex Addiction is not only a practical guide for couples, but also for the therapists who support them. This book will be a companion to Paula Hall's previous books on sex addiction and builds on the already known frameworks and models used, but it is also written to stand alone.

What's Wrong with Addiction? - Helen Keane 2002

This is an impressive work: carefully structured,

researched and written . . . a refreshingly lucid account that is both intellectually stimulating and professionally helpful. -Janet McCalman Addicts are generally regarded with either pity or grave disapproval. But is being addicted to something necessarily bad? These attitudes are explicit both in contemporary medical literature and in popular, self-help texts. We categorise addiction as unnatural, diseased and self-destructive. We demonise pleasure and desire, and view the addict as physically and morally damaged. Helen Keane's thought-provoking text examines these assumptions in a new light. In asserting that the 'wrongness' of addiction is not fixed or indeed obvious, she presents a refreshing challenge to more conventional accounts of addiction. She also investigates the notion that people can be addicted to eating, love and sex, just as they are to drugs and alcohol. *What's Wrong with Addiction?* shows that most of our ideas
