**Crossing to Safety** Wallace Stegner 2013-10-03 A novel of the friendships and woes of two couples, which tells the story of their lives in lyrical, evocative prose by one of the finest American writers of the late 20th century. When two young couples meet for the first time during the Great Depression, they quickly find they have much in common: Charity Lang and Sally Morgan are both pregnant, while their husbands Sid and Larry both have jobs in the English department at the University of Wisconsin. Immediately a lifelong friendship is born, which becomes increasingly complex as they share decades of love, loyalty, vulnerability and conflict. Written from the perspective of the aging Larry Morgan, Crossing to Safety is a beautiful and deeply moving exploration of the struggle of four people to come to terms with the trials and tragedies of everyday life. With an introduction by Jane Smiley.

**Eva - A Novel by Carry van Bruggen** Carry van Bruggen

2019-11-01 *Eva*, a 1927 novel by Dutch writer Carry van Bruggen, is an experiment in depicting a woman's life from girlhood to marriage, and beyond, to sexual freedom and independence. At the same time, the narrative expresses Eva's dawning sense of self and expanding subjectivity through a stream of consciousness told by a shifting narrator. Burdened all of her life by feelings of shame, at the end of the novel Eva overcomes this legacy of her upbringing and declares that it is 'bodily desire that makes love acceptable'. Carry van Bruggen's rich and varied language conveys Eva's experience of the world. Powerful memories of an orthodox Jewish childhood pervade the novel with its fluid sense of time. As Eva puts it, 'I let these years slip through my fingers like a stream of dry, glinting sand.' Jane Fenoulhet makes this important modernist novel accessible to English readers for the first time. While it can be described as a becoming-woman of both Eva and her creator, so can the translation be seen as the translator's own becoming, as Fenoulhet explains in the accompanying commentary, where she also describes the challenges of translating van Bruggen's dynamic, intense narrative. For Fenoulhet, translation is more a matter of personal engagement with the novel than a matter of word choice and style. In this way, the emotional and intellectual life of the main character is re-enacted through translation.

Awe Paul David Tripp 2015-10-14 Humans are hardwired for awe. Our hearts are always captured by something—that's how God made us. But sin threatens to distract us from the glory of our Creator. All too often, we stand in awe of everything but God. Uncovering the lies we believe about all the earthly things that promise us peace, life, and contentment, Paul Tripp redirects our gaze to God's awe-inducing glory—showing how such a vision has the potential to impact our every thought, word, and deed.

The Book of Pleasures Raoul Vaneigem 2014

**The Virginian** Owen Wister 2012-01-01 This groundbreaking novel is considered by many to be one of the most important early

entries in the western genre. Recounting in rich detail the daily life of a foreman on a vast ranch in Wyoming, this gripping tale has sparked imaginations for more than a century, inspiring at least six film and television versions.

**The Sense of an Ending** Julian Barnes 2011-08-04 'A masterpiece... I would urge you to read - and re-read ' Daily Telegraph \*\*Winner of the Man Booker Prize for Fiction 2011\*\* Tony Webster and his clique first met Adrian Finn at school. Sex-hungry and book-hungry, they would navigate the girl-less sixth form together, trading in affectations, in-jokes, rumour and wit. Maybe Adrian was a little more serious than the others, certainly more intelligent, but they all swore to stay friends for life. Now Tony is retired. He's had a career and a single marriage, a calm divorce. He's certainly never tried to hurt anybody. Memory, though, is imperfect. It can always throw up surprises, as a lawyer's letter is about to prove. Now a major film

God Loves Sex Dan B. Allender 2014-10-28 We live in a sexually mad world where God's gift of sex has been distorted through pornography, promiscuity, prostitution, abuse, trafficking, and rape. The church's position on sexual matters has been made clear throughout history: all sexual activity outside the boundaries of Christian marriage is sin. But rarely has the church honestly addressed the true needs of Christians who are struggling with sexual desires they believe to be counter to the Bible. So we hide our struggles and pretend to live above the erotic fray, or else we cozy up to the culture's redefinition of which sins are acceptable. But what does the Bible really say about sexual desire and sexual intimacy? God Loves Sex offers a truly liberating, godly view of holy sensuality by recovering the clear meaning of the Song of Songs as God-sanctioned eroticism. Then it uses that lens to answer questions posed by a fictional new Christian struggling with expectations of sexual purity. It asks provocative questions, such as What does it mean to be both holy and filled with rich sexual desire? and How can our sexual

struggles take us deeper into the purposes of God? Pairing psychological insight with sound biblical scholarship, Allender and Longman bring it all out into the open, allowing Christians of any age and any marital status to discover sex the way God meant it to be.

**Man, Play, and Games** Roger Caillois 2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

**Human - All-Too-Human - A Book for Free Spirits** Friedrich Wilhelm Nietzsche 2016-03-09 This is Friedrich Nietzsche's seminal work; "Human, All Too Human: A Book for Free Spirits" - first published in 1878. It constitutes the first work in his signature aphoristic style, discussing many different concepts in brief paragraphs and sentences. The 638 aphorisms are divided into nine sections by subject, with a short poem as an epilogue. This fantastic book is highly recommended for students of philosophy, and is not to be missed by fans of Nietzsche's work. Friedrich Wilhelm Nietzsche (1844 - 1900) was a German philosopher, poet, composer, and scholar. He wrote numerous critical essays on morality, culture, philosophy, science, and religion - radically questioning the value and objectivity of truth. Many antiquarian texts such as this, particularly those dating back to the 1900s and before, are increasingly hard to come by and expensive. It is with this in mind that we are republishing this book now in an affordable, modern, high quality edition. It comes complete with a specially commissioned new biography of the author.

**NICOMACHEAN ETHICS** Aristotle 2017-04-20 ♦ EVERY art and every inquiry, and similarly every action and pursuit, is thought to aim at some good; and for this reason the good has rightly been declared to be that at which all things aim. But a certain

difference is found among ends; some are activities, others are products apart from the activities that produce them. Where there are ends apart from the actions, it is the nature of the products to be better than the activities. Now, as there are many actions, arts, and sciences, their ends also are many; the end of the medical art is health, that of shipbuilding a vessel, that of strategy victory, that of economics wealth. But where such arts fall under a single capacity- as bridle-making and the other arts concerned with the equipment of horses fall under the art of riding, and this and every military action under strategy, in the same way other arts fall under yet others- in all of these the ends of the master arts are to be preferred to all the subordinate ends; for it is for the sake of the former that the latter are pursued. It makes no difference whether the activities themselves are the ends of the actions, or something else apart from the activities, as in the case of the sciences just mentioned. ♦

*When the Word Leads Your Pastoral Search* Chris Brauns

2011-01-01 At any given time there are thousands of churches seeking a lead pastor. While a great resume, a friendly smile and a memorable sermon will convince many, what should local congregations focus on to find a new shepherd? Chris Brauns believes to find a great preacher the search must focus on God's Word and how the candidate relates to it and preaches from it. This book is a must have resource for search committees and church leaders addressing the needs of churches in the transition of pastoral leadership. It assists by approaching their responsibilities in a biblical way and providing critical help in key practical matters. From the initial formation of a search committee to the final terms of agreement with the new pastor, Brauns shows you how to "major on the majors" and away from subjective approaches of evaluating candidates and their sermons. Great also for pastors or pastoral students to know how to prepare, the book includes such practical tools as interview questions for candidates and the top mistakes search committees

make.

Against Nature Joris-Karl Huysmans 2013-03-25 Against Nature by Joris-Karl Huysmans is a novel in which very little happens; its narrative concentrates almost entirely on its principal character, and is mostly a catalogue of the tastes and inner life of Jean Des Esseintes, an eccentric, reclusive aesthete and antihero, who loathes 19th century bourgeois society and tries to retreat into an ideal artistic world of his own creation. Against Nature contains many themes which became associated with the Symbolist aesthetic. In doing so, it broke from naturalism and became the ultimate example of decadent literature. Jean Des Esseintes is the last member of a powerful and once proud noble family. He has lived an extremely decadent life in Paris which has left him disgusted with human society. Without telling anyone, he absconds to a house in the countryside. He fills the house with his eclectic art collection and decides to spend the rest of his life in intellectual and aesthetic contemplation. Throughout his intellectual experiments, he recalls various debauched events and love affairs of his past in Paris.

**A Shelter in the Time of Storm** Paul Tripp 2013-04-23 Fifty-two meditations on Psalm 27 to instruct and encourage us to worship God through the ups and downs of life. Psalm 27 is a psalm of trouble and worship, of difficulty and beauty, of the evil of people against people, and of the mercy of God. Because of its honesty about life in this fallen world, Psalm 27 speaks into the life of every believer. At the same time it places joyful and self-sacrificing worship next to the trouble that is the psalm's background theme. The blend makes Psalm 27 unique, interesting, practical, challenging and encouraging. This book takes the reader through this roller-coaster ride of a psalm in fifty-two brief and engaging meditations which are designed to fill hearts with patient hope in times of trouble. Reflection questions at the end of the chapter make these meditations thought-provoking and practical.

*The Sense of Beauty* George Santayana 2012-08-31 It is remarkably appropriate that this work on aesthetics should have been written by George Santayana, who is probably the most brilliant philosophic writer and the philosopher with the strongest sense of beauty since Plato. It is not a dry metaphysical treatise, as works on aesthetics so often are, but is itself a fascinating document: as much a revelation of the beauty of language as of the concept of beauty. This unabridged reproduction of the 1896 edition of lectures delivered at Harvard College is a study of "why, when, and how beauty appears, what conditions an object must fulfill to be beautiful, what elements of our nature make us sensible of beauty, and what the relation is between the constitution of the object and the excitement of our susceptibility." Santayana first analyzes the nature of beauty, finding it irrational, "pleasure regarded as the quality of a thing." He then proceeds to the materials of beauty, showing what all human functions can contribute: love, social instincts, senses, etc. Beauty of form is then analyzed, and finally the author discusses the expression of beauty. Literature, religion, values, evil, wit, humor, and the possibility of finite perfection are all examined. Presentation throughout the work is concrete and easy to follow, with examples drawn from art, history, anthropology, psychology, and similar areas.

**The New Elder's Handbook** Greg R. Scharf 2018-11-20 Pastors and church leaders are in need of mature, godly elders to ensure church health, but the training of elders is often entirely missing or badly neglected. What if there were a process to proactively call and train elders? The New Elder's Handbook is designed to equip elders with the knowledge, character, and skills the office calls for. It takes church leaders through the development of a vision for ministry, recruitment of elders to carry out that vision, and specific, biblical training, providing a way to be intentional about developing elders.

Glory by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine addresses in Weight of Glory offer guidance, inspiration, and a compassionate apologetic for the Christian faith during a time of great doubt.

I Love Jesus, But I Want to Die Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and

fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

**Sex & Character** Otto Weininger 2022-07-21 "Sex and character" explains the characteristics of the human species. Written by Otto Weininger, the treatise focuses on issues important to its time: gender, antisemitism, cultural identity, nazism, misogyny, and biological racism. The book is controversial and readers might not agree with everything within the book, but it provides a different way of looking at these issues.

**The Torture Garden** Octave Mirbeau 2022-11-13 Clara is a sadist and hysteric, who delights in witnessing flayings, crucifixions and numerous tortures, all done in beautifully laid out and groomed gardens, and explaining the beauty of torture to her companion—the narrator. Her hysterical orgasm and resulting exhaustion is a curious exploration of pain and pleasure and made this novel a truly erotic BDSM masterpiece! Excerpt: "One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average

French mind..."

**The Methods of Ethics** Henry Sidgwick 1874

**Redeeming Money** Paul David Tripp 2018-05-16 Money. The thought of it can be overwhelming, and the pursuit of it can be addicting. Our society constantly promises us that money will provide what we want—success, comfort, peace, and happiness—leading our fickle hearts to trust money for things it was never intended to give us. Even if we think we know what the Bible says about money, there seems to be a gap between our theology and our everyday money struggles. In this practical and

hopeful book, best-selling author Paul David Tripp shows us how to view and interact with money in a God-honoring way. Through chapters that expose the depths of our heart struggles and our need for grace, this book offers a roadmap to find peace, generosity, and joy in the world that God created.

*Sex and Money* Paul David Tripp 2013 Pleasure. We live in a world obsessed with finding it, passionate about enjoying it, and desperate about maintaining it. *The Varieties of Religious Experience* William James 2009-01-01 Harvard psychologist and philosopher William James' *The Varieties of Religious Experience: A Study in Human Nature* explores the nature of religion and, in James' observation, its divorce from science when studied academically. After publication in 1902 it quickly became a canonical text of philosophy and psychology, remaining in print through the entire century. "Scientific theories are organically conditioned just as much as religious emotions are; and if we only knew the facts intimately enough, we should doubtless see 'the liver' determining the dicta of the sturdy atheist as decisively as it does those of the Methodist under conviction anxious about his soul. When it alters in one way the blood that percolates it, we get the Methodist, when in another way, we get the atheist form of mind."

**El sexo y el dinero** Paul David Tripp 2019-07-18 Es triste pensar en cuánta gente buscará hoy en el sexo y el dinero lo que estos no pueden dar, y al hacerlo cederán a la tentación y profundizarán su adicción. Es triste pensar cuánta gente en su vergüenza negará no solo el daño de lo que está haciendo sino la profundidad de su cautividad. Y mientras muchos sufren en

privado, es triste ver que la cultura que nos rodea parece desquiciarse más y más con el sexo y el dinero cada día que pasa. No obstante, frente a todo esto hay un reposo feliz al saber que Jesús aún reina y continuará impulsando la marcha de su reino hasta que el último enemigo se rinda a sus pies... Así que, sigue adelante y lee este libro como alguien que celebra con tristeza. Es lo que realmente deberíamos estar haciendo entre el "ahora" y el "todavía no," mientras seguimos esperando con la seguridad de que nuestro Mesías llevará a su fin nuestros conflictos con el sexo y el dinero.

And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. Only this grace offers hope for a life of freedom, purity, and joy as God intended.
