Break Free : Erotic Sex Story - Gacy Harper 2014-05-01

Savannah is a beautiful girl with assets that make you gawp. What makes it worse is her awareness of the power she holds over men. She is straightforward, maybe a little too much. Some may easily pass her as downright rude. There starts a professional rivalry between her and Joshua Baker, the new employee and competition to her critical acclaim as a news reporter. While she enjoys the rivalry more than she will admit, she hates that he is clearly vying to replace her. She knows that the only way to land the coveted spot at the awards banquet is to confront him directly. She will do anything to make him back off. Will she

be able to fight off her physical attraction to him or will she succumb to her unasked for lusts? Does she really want to go up against the dominance that he is sure to display?

The Risk - Elle Kennedy 2023-11-14

Step into a world of hot hockey players, feisty heroines and steamy scenes . . . Everyone says I'm a bad girl. They're only partly right - I don't let fear rule me, and I certainly don't care what people think. But I draw the line at sleeping with the enemy. As the daughter of Briar's head hockey coach, I'd be vilified if I hooked up with a player from a rival team. And that's who Jake Connelly is. Harvard's star forward is arrogant, annoying and too attractive for his own good. But fate is cruel - I require his help to secure a much-coveted internship, and the sexy jerk isn't making it easy for me. I need Connelly to be my fake boyfriend. For every fake date . . . he wants a real one. Which means this bad girl is in big trouble. Nothing good can come from sneaking around with Jake Connelly. My father would kill me, my friends will revolt, and my post-college career is on the line. But while it's getting harder and harder to resist Jake's oozing sex appeal and cocky grin, I refuse to fall for him. That's the one risk I'm not willing to take. Praise for Elle Kennedy: 'Delicious, complicated and drama-filled . . . I read it in one sitting, and you will, too' L. J. Shen, USA Today bestselling author 'A deliciously sexy story with a wallop of emotions that sneaks up on you' Vi Keeland, No.1 New York Times bestselling author 'Elle Kennedy delivers another sexy and addictive read, and my latest personal favourite from her!' Tijan, New York Times bestselling author

Cultivation Online - MyLittleBrother 2020-11-16

Yuan was born with an incurable illness that left him blind at a young age and crippled a few years later, rendering everything below his head useless. Deemed hopeless and irredeemable, his parents quickly gave up on him, and the world ignored him. In this dark and still world, his younger sister became his sole reason for living. Watch as this young man reaches for the apex as a genius in Cultivation Online, the newest VRMMORPG, becoming a legendary figure in both worlds. ----- Disclaimer: The MC is extremely overpowered and talented but also naive/innocent at first due to his illness. If you cannot wait for character developments and dislike OP MCs, this is not your cup of tea. Furthermore, the 'Earth' in this novel is not the same Earth we are currently living on so do not use our common sense for this novel. This is pure fantasy, after all. ----- My other novels: Dual Cultivation/ Inferior Cultivation System

Who Do You Love - Jennifer Weiner 2015-08-11

From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two dotting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.
