Better Sex with Yoga - Ashley Fitzgerald 2015-05-08

Discover a step by step method on how to practice Yoga in order to improve your sex life This book will show you how Yoga can improve your health and sex drive as well as your sexual experience to make your life a more enjoyable one. You will learn to let go of stress, anxiety and inhibitions so you can open up to your inner energy flow which will in turn let you open up to the experience of enjoying sex. Yoga is thousands of years old and in its time has helped people to align the mind, body and spirit, find increased well-being, peace, and inner balance. It also energizes and invigorates. It can improve many aspects of life. It helps to prevent premature aging, keep the body fit, trim and free of pain and ailments. Among the physical benefits it can bring are included an increased sex drive and sexual experience. Sex is more than just the physical experience, just as Yoga is more than physical exercise. With both activities, an important and powerful mental and spiritual component is present. With sex a powerful emotional component is always present. Here is a preview of what you will learn... Strengthen your body and your mind Retain ejaculation for better enjoyment Obtain openness and intimacy Increase your sexual desire Improve your sex drive Are you ready to do something to improve your sex life?

The Score - Faye Flam 2008-06-12

A smart, witty, and fresh look at the male side of the male-female relationship from a science writer at The Philadelphia Inquirer. In *The Score*, Faye Flam examines how the desire to "score" has profoundly shaped males over millions of years. Sweeping from the origin of the sexes to the sexual foibles of twenty-first-century humans, Flam, a science writer at The Philadelphia Inquirer, shows how a small difference in the size of the first sperm and eggs resulted in an evolutionary tradeoff that has affected both males and females. Because males of most species invest less in reproduction than females, they have to invest more up front to get sex—whether by jumping through hoops to prove that they'll be a good father, fighting to near death with rivals, or paying a couple thousand dollars for a class on how to pick up chicks à la the pickup artists in Neil Strauss's *The Game*. Within this tug-of-war context, Flam explores a wide range of male behaviors and courtship strategies and ultimately reveals that males have been shaped by competing for the preferences of the female sex. But after all this sex-propelled evolution, we're still stuck in a troublesome suspension between monogamy and promiscuity—and it's this tension that explains the contradictions of the modern man.

What Do Women Want? - Daniel Bergner 2013-06-20

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

Sexual Fluidity - Lisa M. Diamond 2008

Is love "blind" when it comes to gender? For women, it just might be. This unsettling and original book offers a radical new understanding of the context-dependent nature of female sexuality. Lisa M. Diamond argues that for some women, love and desire are not rigidly heterosexual or homosexual but fluid, changing as women move through the stages of life, various social groups, and, most important, different love relationships. This perspective clashes with traditional views of sexual orientation as a stable and fixed trait. But that view is based on research conducted almost entirely on men. Diamond is the first to study a large group of women over time. She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood. She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences. *Sexual Fluidity* offers moving first-person accounts of women falling in and out of love with men or women at different times in their lives. For some, gender becomes irrelevant: "I fall in love with the person, not the gender," say some respondents. *Sexual Fluidity* offers a new understanding of women's sexuality—and of the central importance of love.

Pink Viagra (Flibanserin) - Dr Vincent Ellwood 2018-10-11

So, you always had a sex drive that could be used for a sex scene in a porn movie (no pun intended), but recently, you've found it hard, very hard trying to reawaken your sexual desire. You are not alone, there are other women suffering from the same problem. HSDD is also known as the female sexual interest-arousal disorder (FSAID) or female sexual dysfunction (FSD). A large 2008 study estimated that an average of 4 million U.S. Women between the age of 30 and 70 were affected. There are other research studies that disagree with this number, but the truth remains that the problem is real. As a matter of fact, a study published in the American Journal of Obstetrics and Gynaecology showed that at least 40 percent of women will suffer from HSDD in their lifetime. Apart from killing sex drive, when you are suffering from HSDD, it affects other areas of your life. You might develop quality-of-life issues, relationship issues, and self-esteem issues. The FDA-approved solution? Flibanserin, also known as the female Viagra or the brand name Addyi. Flibanserin has been approved by the FDA for treating HSDD in premenopausal women. Some even called it the "little pink pill" just to make it similar to Viagra's nickname - "the little blue pill." However, there is no basis for comparison between the two, each of them functions differently. Viagra works in men by pumping blood to the penis for them to achieve an erection after stimulation, whereas, Flibanserin works by boosting your desire for sex. The way the female Viagra works is what you will learn in this short guide. Apart from learning how it works, you will also learn Uses, Dosage, Risks, Contraindications and whether or not it is harmful for treating hypoactive sexual desire disorder (HSDD).

Sex Drive - Bella Ellwood-Clayton 2012

For many women an active sex life is on the bottom of their 'must have' list. What's happened to their sexual urges? Is it a medical issue, or a matter of competing priorities? One of Australia's leading sexual anthropologists investigates. Is women's sexual desire in the Western world at an all time low? When it comes to women's priorities, is sex on top? Lack of libido is women's most common sexual problem and once in a secure relationship, women's sex drive begins to plummet. Exploring what our libido is and why it is being depleted, sexual anthropologist Dr Bella Ellwood-Clayton argues that women don't want sex because they don't feel sexy. At a time when women's libidos are being threatened by the wider forces of media, marketing and medication and our increasingly pressured lives, who can blame them? With increasing numbers of women with low libido being diagnosed as 'sexually dysfunctional', the race to create a 'pink Viagra' is on. But do we have unrealistic expectations about our sex drive? Who defines what is normal and abnormal? And could 'low libido' in fact be the natural order of things? Provocative, authoritative and engaging, *Sex Drive: In pursuit of female desire* is both fascinating reading and a book that is creating passionate debate.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the

most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

The Men's Health and Women's Health Big Book of Sex - Editors of Men's Health Magazi 2011-02-01

Sex Drive - William B Vaughan 2022-11-07

Female Viagra - David V. Neff 2018-09

Everything you need to know About The Female Libido Enhancement For Women to Boost Sex Life & Everlasting Solution For Treating Hypoactive (Low) Sexual Desire Disorder (HSDD) Many Women experience sexual dysfunction, lack of sex drive and poor sexual performance but are too embarrassed to talk about it. Sexual dysfunction among women is prevalent and can occur at any age, Sexual Performance problems can strain your relationship with your partner, thus the female Viagra is a scientifically formulated drug that has active ingredients which has been shown to successfully combat female arousal disorders and promote a healthy, active sex life. Female Viagra provides long lasting pleasure by combating disorders that inhibit arousal and sexual function in women Up to 40% of women report having sexual problems and about 12% find the problems very bothersome .Women are still in the shadows when it comes to talking about sexual dysfunction. Just like Viagra opened the door for men to talk about sexual health, the hope is that Flibanserin will allow women to discuss this often highly distressing problem. Flibanserin is the generic form of the brand-name drug Addyi, which is used to treat symptoms of hypoactive sexual desire disorder (HSDD) in premenopausal women. HSDD is characterized by low sexual desire that results in distress or interpersonal difficulty. The Female Viagra is used for treating hypoactive sexual desire disorder (HSDD) in women just as the normal male Viagra (Sildenafil) is alternatively used for treating erectile dysfunction in men which has been a contributing factor to various challenges in many marriages and relationships today. Viagra is most popular and commonly prescribed to men for sexual arousal problems such as erectile dysfunction. Nonetheless, in the recent years, female Viagra has become a household name. Like the name implies, female Viagra is for women. This drug is meant to combat sexual problems in women particularly Female Sexual Arousal Disorder and Female Sexual Dysfunction. It has helped to restore broken homes and brought happiness into relationships and also helped several women regain their confidence and courage, it has treated more than 90% of women around the world having the poor and low sexual desire problems just as Viagra, Cialis, and Levitra among other pills have helped more than 90% men around the world. This book is the complete guide on female Viagra pink pills for sex, lady era female Viagra, women Viagra, Flibanserin (Addyi), with completely proven information on how to treat hypoactive sexual desire disorder (HSDD) to permanently overcome and cure hypoactive sexual desire disorder (HSDD) in women and increase and boost your sexual drive and libido, in order to get your sexual strength, courage, happiness in marriage and relationship back to life. This guide will show you the wonderful benefits of this pink Viagra which has been effectively treated sexual problems in 90 percent of women as well as increasing their libido tremendously.

The Influence of Gender Conformity and Sexual Orientation on Preferences for Sexual

Dimorphism in Male and Female Faces - 2018

Sex drive (i.e., the motivation to behave sexually) has been found to increase heterosexual men's self-reported attraction to women only, increase homosexual men's self-reported attraction to men only, and increase homosexual and heterosexual women's self-reported attraction to both men and women. Correspondingly, previous research has found that sex drive is positively correlated with preferences for sex-typical (i.e., sexually dimorphic) faces in the preferred sex only among heterosexual and homosexual men, and that it relates to preferences for both masculine men and feminine women among heterosexual women. However, preferences for sexual dimorphism are not as straight forward among lesbians; sex drive in homosexual women relates to preferences for masculine men, but not feminine women. It is possible these inconsistencies are due to differences in gender conformity among homosexual women. Using a two-alternative forced-choice face preference task, I investigated if these inconsistencies are due to differences in gender conformity among homosexual women. Although heterosexual men (n = 26) and women (n = 433), and homosexual women (n = 26), preferred sexually dimorphic female faces, homosexual women's degree of gender conformity did not predict preferences for sexual dimorphism in male or female faces. Contrary to previous research, heterosexual women's scores on the Sexual Desire Inventory-2 (SDI-2) were positively correlated with their preferences for sexually dimorphic female faces only, whereas SDI-2 scores were not significantly correlated with preferences for sexually dimorphic male or female faces among homosexual men (n = 7), homosexual women, or heterosexual men. Possible limitations of the current work are discussed.

The School of Sex - Alice Patrick 2016-02-12

The Association Between Sex Drive and Attractions to Men and Women in Heterosexual and Homosexual Men and Women - Brady Goss 2007

Male Sexuality - Michael J. Bader 2009

At first glance the sexual male seems easy to understand, but beneath the surface lie complexities that disrupt lives and relationships. Respected psychologist Michael Bader takes an honest look at the nuances of male sexuality, addressing issues such as sexual boredom, internet sex, and sexual fantasies that can leave women bewildered and men ashamed. Illustrated with engaging examples from his practice, *Male Sexuality* gives readers, both women and men, deeper understanding of male behavior. Through increased awareness of the psychology behind the sex, Bader aims to enhance individual self-esteem and improve communication in relationships.
