**From the Dress-Up Corner to the Senior Prom** - Jennifer Bryan 2012-03-22

Very few PreK-12 teachers are adequately trained to address the gender identity and sexual identity of their students in a developmentally-appropriate and pedagogically-sound manner. Yet responsible adults—parents, educators, pre-service teachers, coaches, religious instructors, camp administrators and school counselors— must help children navigate the inherently diverse, increasingly complex world of gender and sexuality in the twenty-first century. *From the Dress-Up Corner to the Senior Prom* is a practical, forward thinking resource

for anyone involved in educating children and adolescents. Jennifer Bryan takes readers into classrooms, administrative meetings, recess, parent conferences, and the annual pep rally to witness the daily manifestations of Gender and Sexuality Diversity at school. She provides a coherent framework for understanding what readers "see," and invites them to use a contemporary, heart/mind perspective as they consider the true developmental needs of all elementary, middle, and high school students. The book features thoughtful questions, models of dialogue, accessible lesson plans, and many pedagogical strategies. At the heart of this book, though, are the evocative stories from teachers, students, and parents that Bryan has listened to over the span of her career. These personal anecdotes bring the comprehensive explorations of this seminal work to life.
