The Pugilist at Rest Thom Jones 2016-11-08 Thom Jones made his literary debut in *The New Yorker* in 1991. Within six months his stories appeared in *Harper's*, *Esquire*, *Mirabella*, *Story*, *Buzz*, and in *The New Yorker* twice more. "The Pugilist at Rest" - the title story from this stunning collection - took first place in *Prize Stories 1993: The O. Henry Awards* and was selected for inclusion in *Best American Short Stories 1992*. He is a writer of astonishing talent. Jones's stories - whether set in the combat zones of Vietnam or the brittle social and intellectual milieu of an elite New England college, whether recounting the poignant last battles of an alcoholic ex-fighter or the hallucinatory visions of an American wandering lost in Bombay in the aftermath of an epileptic fugue - are fueled by an almost brutal vision of the human condition, in a world without mercy or redemption. Physically battered, soul-sick, and morally exhausted, Jones's characters are yet unable to concede defeat: his stories are infused with the improbable grace of the spirit that ought to collapse, but cannot. For in these extraordinary pieces of fiction, it is not goodness that finally redeems us, but the heart's illogical resilience, and the ennobling tenacity with which we cling to each other and to our lives. The publication of *The Pugilist at Rest* is a major literary event, heralding the arrival of an electrifying new voice in American fiction, and a writer of magnificent depth and range. With these eleven stories, Thom Jones takes his place among the ranks of this country's most important authors.

Women and Love Miriam Burke 2022-02-23 'I couldn't sleep that night; our conversation was like a trapped bird flying around inside my head. The next morning, I texted to say I wouldn't be coming back. I lied about having to return to my country to nurse a sick relative. I couldn't bear to see my story mirrored in his eyes, and to see what we never had. I knew he'd understand.' *Women and Love* is a thought-provoking collection of seventeen tightly woven tales about the power of love, all its trials and complications, and the shattered lives it can leave in its wake. The stories explore a huge variety of sorts of love surrounding women in wildly differing settings, and features an unforgettable cast including GPs, burglars, inmates, emigrant cleaners, carers, young professionals, and many more. Navigating heavy themes, with a particular focus on LGBTQ+ experiences, including gender dysphoria and searching for a sperm donor, the stories leave the reader burning with indignation, full of empathy and wonder.

Ideas of Heaven Joan Silber 2022-09-01 SHORTLISTED FOR THE NATIONAL BOOK AWARD Set in modern-day America and France, Renaissance Italy and Boxer Rebellion China, these stories embrace whole lifetimes, much in the manner of Alice Munro and William Trevor. Joan Silber skilfully and subtly ties one story to the next, as a minor element in one becomes a major element in the next, until the last is tied convincingly to the first. Intense in subject yet restrained in tone, they are about longings - often held for years - and the ways in which sex and religion can become parallel forms of dedication and comfort. From a wannabe dancer in contemporary New York City to missionaries in China, *Ideas of Heaven* showcases Joan Silber's extraordinary deftness as she illuminates love, faith and sex with great originality and profundity.

Good Citizens Need Not Fear Maria Reva 2020-03-10 "These immersive linked stories grapple with Ukrainian history through the waning years of the USSR and birth pangs of democracy ... Reva's characters spark off the page as they confront a brutal bureaucratic past with the only tool they possess—hope."—O, The Oprah Magazine A brilliant and biting funny collection of stories united around a single crumbling apartment building in Ukraine, inspired by the author and her family's own experiences. A bureaucratic glitch omits an entire building, along with its residents, from municipal records. So begins Reva's "darkly hilarious" (Anthony Doerr) intertwined narratives, nine stories that span the chaotic years leading up to and immediately following the fall of the Soviet Union. But even as the benighted denizens of 1933 Ivansk Street weather the official neglect of the increasingly powerless authorities, they devise ingenious ways to survive. In "Bone Music," an agoraphobic recluse survives by selling contraband LPs, mapping the vinyl grooves of illegal Western records into stolen X-ray film. A delusional secret service agent in "Letter of Apology" becomes convinced he's being covertly recruited to guard Lenin's tomb, just as his parents, not seen since he was a small child, supposedly were. Weaving the narratives together is the unforgettable, chameleon-like Zaya: a cleft-lipped orphan in "Little Rabbit," a beauty-pageant crasher in "Miss USSR," a sadist-for-hire to the Eastern Bloc's newly minted oligarchs in "Homecoming." *Good Citizens Need Not Fear* tacks from moments of intense paranoia to surprising tenderness and back again, exploring what it is to be an individual amid the roiling forces of history. Reva brings the black absurdism of early Shteyngart and the sly interconnectedness of Anthony Marra's *Tsar of Love and Techno* to a "bang-on brilliant" (Miriam Toews) collection that is "fearless and thrilling" (Bret Anthony Johnston), and as clever as it is heartfelt.

These Heroic, Happy Dead Luke Mogelson 2016-04-26 With his harrowing debut, Luke Mogelson provides an unsentimental, unflinching glimpse into the lives of those forever changed by war. Subtle links between these ten powerful stories magnify the consequences of combat for both soldiers and civilians, as the violence experienced abroad echoes through their lives in America. Troubled veterans first introduced as criminals in "To the Lake" and "Visitors" are shown later in "New Guidance" and "Kids," during the deployments that shaped their futures. A seemingly minor soldier in "New Guidance" becomes the protagonist of "A Human Cry," where his alienation from society leads to a shocking confrontation. The fate of a hapless Gulf War veteran who reenlists in "Sea Bass" is revealed in "Peacetime," the story of a New York City medic's struggle with his inurement to calamity. A shady contractor job gone wrong in "A Beautiful Country" is a news item for a reporter in "Total Solar," as he navigates the surreal world of occupied Kabul. Shifting in time and narrative perspective—from the home front to active combat, between experienced leaders, flawed infantrymen, a mother, a child, an Afghan-American translator, and a foreign correspondent--these stories offer a multifaceted examination of the unexpected costs of war. Here is an evocative, deep work that charts the legacy of an unprecedented conflict, and the burdens of those it touched. Written with remarkable empathy and elegance, *These Heroic, Happy Dead* heralds the arrival of an extraordinary new talent.

The Tsar of Love and Techno Anthony Marra 2015-10-06 From the author of National Book Award longlist selection and New York Times bestseller *A Constellation of Vital Phenomena* come these dazzling, poignant and lyrical interwoven stories about family, sacrifice, the legacy of war and the redemptive power of art. This stunning, exquisitely written collection introduces a cast of remarkable characters whose lives intersect in ways both life-affirming and heartbreaking. A 1930s Soviet censor painstakingly corrects offending photographs, deep underneath Leningrad, bewitched by the image of a disgraced prima ballerina. A chorus of women recount their stories and those of their grandmothers, former gulag prisoners who settled their Siberian mining town. Two pairs of brothers share a fierce, protective love. Young men across the former USSR face violence at home and in the military. And great sacrifices are made in the name of an oil landscape unremarkable except for the almost incomprehensibly peaceful past it depicts. In stunning prose, with rich character portraits and a sense of history reverberating into the present, *The Tsar of Love and Techno* is a captivating work from one of our greatest new talents.

The Golden House Salman Rushdie 2017-09-05 **New York Times bestseller** A *Guardian / Observer* Book of the Year When powerful real-estate tycoon Nero Golden immigrates to the States under mysterious circumstances, he and his three adult children assume new identities, taking 'Roman' names, and move into a grand mansion in downtown Manhattan. Arriving shortly after the inauguration of Barack Obama, he and his sons, each extraordinary in his own right, quickly establish themselves at the apex of New York society. The story of the Golden family is told from the point of view of their Manhattanite neighbour and confidant, René, an aspiring filmmaker who finds in the Golden family the perfect subject. René chronicles the undoing of the house of Golden: the high life of money, of art and fashion, a sibling quarrel, an unexpected metamorphosis, the arrival of a beautiful woman, betrayal and murder, and far away, in their abandoned homeland, some decent intelligence work. Invoking literature, pop culture, and the cinema, Rushdie spins the story of the American zeitgeist over the last eight years, hitting every beat: the rise of the birther movement, the Tea Party, Gamergate and identity politics; the backlash against political correctness; the ascendancy of the superhero movie, and, of course, the insurgence of a ruthlessly ambitious, narcissistic, media-savvy villain wearing make-up and with coloured hair. In a new world order of alternative truths, Salman Rushdie has written the ultimate novel about identity, truth, terror and lies. A brilliant, heartbreaking realist novel that is not only uncannily prescient but shows one of the world's greatest storytellers working at the height of his powers.

Young Heroes of the Soviet Union Alex Halberstadt 2020-08-06 'Engrossing' Daniel Beer, Guardian 'A beautiful book... incisive, radiant' Olivia Laing 'Illuminating, dramatic... majestic writing' Spectator 'Enthralling... a triumph' Andrew Solomon Alex Halberstadt returns to Russia, the troubled, enigmatic land of his birth, where decades of Soviet totalitarianism shaped and fractured three generations of his family, in this haunting work of memoir and history. In Ukraine, Halberstadt tracks down his paternal grandfather - most likely the last living bodyguard of Joseph Stalin. He revisits Lithuania, his Jewish mother's home, to examine the legacy of the Holocaust and the pernicious anti-Semitism that remains largely unaccounted for. And he returns to his birthplace, Moscow, where his grandmother designed homespun couture for Soviet ministers' wives, his mother consoled dissidents at a psychiatric hospital, and his father made a dangerous living by selling black-market American records. Halberstadt also explores his own story: that of an immigrant growing up in New York, another in a line of sons separated from their fathers by the tides of politics and history. *Young Heroes of the Soviet Union* is a moving investigation into the fragile boundary between history and biography. As Halberstadt revisits the sites of his family's formative traumas, he uncovers a multigenerational transmission of fear, suffering, and rage. And he comes to realize something more: Nations, like people, possess formative traumas that penetrate into the most private recesses of their citizens' lives.

Mercury Pictures Presents Anthony Marra 2022-08-02 NEW YORK TIMES BESTSELLER • Winner of the David J. Langum, Sr. Prize in American Historical Fiction • The epic tale of a brilliant woman who must reinvent herself to survive, moving from Mussolini's Italy to 1940s Los Angeles—a timeless story of love, deceit, and sacrifice from the award-winning author of *A Constellation of Vital Phenomena* "A genuinely moving and life-affirming novel that's a true joy to read."—Celeste Ng, author of *Little Fires Everywhere* "A gorgeous book . . . sublime."—The New York Times (Editors' Choice) ONE OF THE BEST BOOKS OF THE YEAR: NPR, The Guardian, Booklist Like many before her, Maria Lagana has come to Hollywood to outrun her past. Born in Rome, where every Sunday her father took her to the cinema instead of church, Maria immigrates with her mother to Los Angeles after a childhood transgression leads to her father's arrest. Fifteen years later, on the eve of America's entry into World War II, Maria is an associate producer at Mercury Pictures, trying to keep her personal and professional lives from falling apart. Her mother won't speak to her. Her boss, a man of many toupees, has been summoned to Washington by congressional investigators. Her boyfriend, a virtuoso Chinese American actor, can't escape the studio's narrow typecasting. And the studio itself, Maria's only home in exile, teeters on the verge of bankruptcy. Over the coming months, as the bright lights go dark across Los Angeles, Mercury Pictures becomes a nexus of European émigrés: modernist poets trying their luck as B-movie screenwriters, once-celebrated architects becoming scale-model miniaturists, and refugee actors finding work playing the very villains they fled. While the world descends into war, Maria rises through a maze of conflicting politics, divided loyalties, and jockeying ambitions. But when the arrival of a stranger from her father's past threatens Maria's carefully constructed facade, she must finally confront her father's fate—and her own. Written with intelligence, wit, and an exhilarating sense of possibility, *Mercury Pictures Presents* spans many moods and tones, from the heartbreaking to the ecstatic. It is a love letter to life's bit players, a panorama of an era that casts a long shadow over our own, and a tour de force by a novelist whose work *The Washington Post* calls "a flash in the heavens that makes you look up and believe in miracles."

The Norton Sampler Thomas Cooley 2003-01-01 W. W. Norton & Company is proud to present the Sixth Edition of *The Norton Sampler*. As a rhetorically arranged collection of short essays for composition, our Sampler echoes the cloth samplers once done in colonial America, presenting the basic patterns of writing for students to practice just as schoolchildren once practiced their stitches and ABCs on needlework samplers. This new

edition shows students that description, narration, and the other patterns of exposition are not just abstract concepts used in composition classrooms but are in fact the way we think—and write. The Norton Sampler contains 63 carefully chosen readings—classics as well as more recent pieces, essays along with a few real-world texts—all demonstrating how writers use the modes of discourse for many varied purposes.

They Were Like Family to Me Helen Maryles Shankman 2016-02-02 Finalist for the 2017 Story Prize Honorable Mention in the 2017 ALA Sophie Brody Medal for achievement in Jewish Literature “An absolutely dazzling triumph...A singularly inventive collection” (Jewish Book Council) of linked stories set in a German-occupied town in Poland during World War II, where tales of myth and folklore meet the real-life monsters of the Nazi invasion. 1942. With the Nazi Party at the height of its monstrous power, Hitler’s SS fires up the new crematorium at Auschwitz and the occupying army empties Poland’s towns and cities of their Jewish citizens. As neighbor turns on neighbor and survival depends on unthinkable choices, Poland has become a moral quagmire, a place of shifting truths and blinding ambiguities. “Filled with rich attention to the details of flora and fauna and insightful descriptions of the nuances of rural and small-town life” (Pittsburgh Post-Gazette), Helen Maryles Shankman shows us the people of Wlodawa, a remote Polish town at a crossroads: we meet an SS officer dedicated to rescuing the creator of his son’s favorite picture book; a Messiah who announces that he is quitting; a Jewish girl who is hidden by an outspoken anti-Semite—and his talking dog. And walking among these tales are the enigmatic Willy Reinhart, Commandant of the forced labor camp who has grand schemes to protect “his” Jews, and Soroka, the Jewish saddlemaker and his family, struggling to survive. “Moving and unsettling...Like Joyce’s Dubliners, this book circles the same streets and encounters the same people as it depicts the horrors of Germany’s invasion of Poland through the microcosm of one village....A deeply humane demonstration of wringing art from catastrophe” (Kirkus Reviews), *They Were Like Family to Me* (originally called *In the Land of Armadillos*) is a testament to the persistence of humanity in the most inhuman conditions.

Putin Country Anne Garrels 2016-03-15 Short-listed for the Pushkin House Russian Book Prize More than twenty years ago, the NPR correspondent Anne Garrels first visited Chelyabinsk, a gritty military-industrial center a thousand miles east of Moscow. The longtime home of the Soviet nuclear program, the Chelyabinsk region contained beautiful lakes, shuttered factories, mysterious closed cities, and some of the most polluted places on earth. Garrels’s goal was to chart the aftershocks of the U.S.S.R.’s collapse by traveling to Russia’s heartland. Returning again and again, Garrels found that the area’s new freedoms and opportunities were exciting but also traumatic. As the economic collapse of the early 1990s abated, the city of Chelyabinsk became richer and more cosmopolitan, even as official corruption and intolerance for minorities grew more entrenched. Sushi restaurants proliferated; so did shakedowns. In the neighboring countryside, villages crumbled into the ground. Far from the glitz of Moscow, the people of Chelyabinsk were working out their country’s destiny, person by person. In *Putin Country*, Garrels crafts an intimate portrait of Middle Russia. We meet upwardly mobile professionals, impassioned activists who champion the rights of orphans and disabled children, and ostentatious mafiosi. We discover surprising subcultures, such as a vibrant underground gay community and a circle of determined Protestant evangelicals. And we watch doctors and teachers trying to cope with inescapable payoffs and institutionalized negligence. As Vladimir Putin tightens his grip on power and war in Ukraine leads to Western sanctions and a lower standard of living, the local population mingles belligerent nationalism with a deep ambivalence about their country’s direction. Through it all, Garrels sympathetically charts an ongoing identity crisis. In the aftermath of the Soviet Union, what is Russia? What kind of pride and cohesion can it offer? Drawing on close friendships sustained over many years, Garrels explains why Putin commands the loyalty of so many Russians, even those who decry the abuses of power they regularly encounter. Correcting the misconceptions of Putin’s supporters and critics alike, Garrels’s portrait of Russia’s silent majority is both essential and engaging reading at a time when cold war tensions are resurgent.

After conceiving four daughters, the Empress is determined to sire a son and believes Lena can help her. Once elevated to the Romanov’s treacherous inner circle, Lena finds herself under the watchful eye of the meddling Dowager Empress Marie. Charlotte, a former ballerina living in World War II occupied Paris, receives a surprise visit from a German officer. Determined to protect her son from the Nazis, Charlotte escapes the city, but not before learning that the officer’s interest in her stems from his longstanding obsession with the fate of the Russian monarchy.
