The Nightingale's Sonata -

Thomas Wolf 2019-06-04

Winner of the Sophie Brody Medal A moving and uplifting history set to music that reveals the rich life of one of the first internationally renowned female violinists. Spanning generations, from the

shores of the Black Sea to the glittering concert halls of New York, *The Nightingale's Sonata* is a richly woven tapestry centered around violin virtuoso Lea Luboshutz. Like many poor Jews, music offered an escape from the prejudices that dominated society in the last years of the Russian Empire. But Lea's dramatic rise as an artist was further accentuated by her scandalous relationship with the revolutionary Onissim Goldovsky. As the world around them descends in to chaos, between revolution and war, we follow Lea and her family from Russia to Europe and eventually, America. We cross paths with Pablo Casals, Isadora Duncan, Emile Zola and even Leo Tolstoy. The little girl from Odessa will eventually end up as one of the founding faculty of the prestigious Curtis Institute of Music, but along the way she will lose her true love, her father, and watch a son die young. The Iron Curtain would rise, but through it all, she plays on. Woven throughout this luminous odyssey is the story is Cesar

Franck's "Sonata for Violin and Piano." As Lea was one of the first-ever internationally recognized female violinists, it is fitting that this pioneer was one of the strongest advocates for this young boundary-pushing composer and his masterwork.

The Djinn In The Nightingale's Eye - A S Byatt

2018-10-26

A S Byatt's fairy tales and fables are among the best-loved features of her fiction. Innumerable readers have asked for the two marvellous fairy tales in POSSESSION - 'The Glass Coffin' and 'Gode's Tale' of the Breton Naie des Trepasses - to be published seperately. Here they take their place with three other stories with medieval and oriental settings. The title story, 'The Djinn and the Nightingale's Eye', a long story about an Englishwoman in Turkey who unwittingly releases a genie from his bottle, is a reflection on women's lives, on magic and on the power of storytelling itself.

Florence Nightingale: The Crimean War - Lynn

McDonald 2011-02-01

Florence Nightingale is famous as the "lady with the lamp" in the Crimean War, 1854—56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The

Crimean War reports on Nightingale's correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale's efforts to achieve real reforms. Her well-known, and relatively "sanitized", evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army,

where the full horrors of disease and neglect are laid out, with the names of those responsible.
