

The A To Z Of Homosexuality

The A To Z Guide Series

Green Ethics and Philosophy - Julie Newman 2011-05-03
Green Ethics and Philosophy: An A-to-Z Guide covers the moral relationship between humans and their natural environment, specifically targeting the contemporary green movement. Since the 1960s, green ethics and philosophies have helped give birth to the civil rights, feminist, and gay rights movements, as well as contemporary environmentalism. With a primary focus on green environmental ethics, this reference work, available in both print and electronic formats, presents approximately 150 signed entries organized A-to-Z, traversing a wide range of curricular disciplines, including philosophy, psychology,

business, economics, religion, and political science. A rich blend of topics, from the Hannover Principle to green eco-feminism, responsible eco-tourism, corporate values and sustainability, and more, are explained by university professors and scholars, all contributing to an outstanding reference mainly for academic and public libraries. Vivid photographs, searchable hyperlinks, numerous cross references, an extensive resource guide, and a clear, accessible writing style make the Green Society volumes ideal for classroom use as well as for research.

Ferrari Guides' Gay Travel A to Z - FERRARI PUBLICATIONS 1997

Gay Travel A to Z - Ferrari International 1999-06

The most complete coverage of gay and lesbian travel options available anywhere is detailed in this comprehensive guide produced by a gay publisher who has specialized exclusively in gay and lesbian travel since 1980. The features most remarked upon are the multiple indexes that allow readers to find things in different ways.

The Rough Guide to South America - Harry Adès 2004

The Rough Guide to South America is the definitive handbook to the continent. Features include- Full-colour section introducing South America's highlights Detailed coverage and extensive practicalities for all thirteen countries, along with the Galapagos Islands and Easter Island. Vivid accounts of unmissable attractions, from the beaches of Rio and the glaciers of Patagonia to the Inca ruins at Machu Picchu. Hundreds of critical reviews on the best places to stay, eat and drink, plus details on major festivals and indigenous music. Expert advice on exploring the

jungles, deserts and mountains up close, as well as crossing borders and planning multi-country trips. Maps and Plans for the entire continent. *The A to Z of Homosexuality* - Brent L. Pickett 2009-09-02 The history of sexuality is central to social history, the history of ideas, the realization or repression of human rights, and other areas of focus. This is also true about those who have had, or do have, what could be called minority sexualities. Same-sex attraction has generally been a minority sexuality; it has been the object of tremendous repression and vociferous complaint but also one of praise by talented poets and philosophers. The A to Z of Homosexuality provides a comprehensive survey of same-sex relations from ancient China and Greece to the contemporary world. It covers the gay rights movement from its origins in 19th century Europe to the nascent global network today. Philosophic treatments, such as natural law and queer theory, along with legal issues and court decisions

are included. Global in its coverage of the variety of same-sex relations, their legal treatment, and social norms concerning same-sex attraction, this reference includes a chronology, an introductory essay, a bibliography, and cross-referenced dictionary entries on specific countries and regions, influential historical figures, laws that criminalized same-sex sexuality, various historical terms that have been used to refer to aspects of same-sex love, and contemporary events and legal decisions.

For the Gay Stage - Drewey Wayne Gunn 2017-05-19
Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway, from regional theaters in the U.S. and U.K., and from Ireland, Canada, Australia, New Zealand and South Africa. Also included are

Puerto Rican, Indian and Filipino plays written in English, as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.

[A-Z Guide to Modern Social and Political Theorists](#) -

Professor Stuart Sim
2014-06-03

The A-Z Guide to Modern Social and Political Theories is a companion volume to the already published A-Z Guide to Modern Literary and Cultural Theorists. It ranges widely through the social sciences and related areas to identify thinkers who have had a major impact on the development of modern social and political theory and given clear, accessible summaries of their work. While the accent is on the later twentieth century, several up-and-coming theorists are included to ensure a contemporary edge to the volume, classic names in the field from the earlier twentieth century are not neglected, and the collection also delves back into the

nineteenth century for such founding figures of the social sciences as Marx and Comte. The volume is therefore both up-to-date and mindful of the sources of modern debates.

Contemporary Gay American Poets and Playwrights -

Emmanuel S. Nelson

2003-06-30

Gay presence is nothing new to American verse and theater.

Homosexual themes are discernible in American poetry as early as the 19th century, and identifiably gay characters appeared on the American stage more than 70 years ago.

But aside from a few notable exceptions, gay artists of earlier generations felt compelled to avoid sexual candor in their writings.

Conversely, most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work. This reference is a guide to their creative achievements. Alphabetically arranged entries present 62 contemporary gay American poets and dramatists. While the majority of included writers are

younger artists who came of age in the post-Stonewall U.S., some are older authors whose work has continued or persisted into recent decades. A number of these writers are well known, including Edward Albee, Harvey Fierstein, and Allen Ginsberg. Others, such as Alan Bowne, Timothy Liu, and Robert O'Hara, merit wider recognition. Each entry is written by an expert contributor and includes a biography, a discussion of major works and themes, an overview of the author's critical reception, and primary and secondary bibliographies.

The Rough Guide to Andalusia - Geoff Garvey 2003

The Rough Guide to Andalusia is the essential handbook to one of Europe's most vibrant destinations. Features include:

- Full-colour section introducing Andalusia's highlights.
- Incisive reviews of the best places to eat, sleep and drink, in every price range.
- Comprehensive coverage of the region's spectacular attractions, from the stunning White Town of La Ronda to the

remarkable prehistoric site of Los Millares. - Insider tips on where to find the best beaches and hikes. Expert background on Andalucia's history, culture and wildlife. - Maps and plans for every area.

The A-Z Guide to Exposure -

Dawn Huebner 2023-01-19

The art of exposure lies in perfectly pitched challenges. Get them wrong and nothing changes. Get them right and you set an anxious child free. This practical resource guide contains 75 creative, user-friendly lists of exposure activities appropriate for 5-12-year olds struggling with anxiety. Entries cover a wide range of fears and concerns, such as Clowns, Making Mistakes, Picky Eating, Separation Anxiety, and Vomiting. An essential addition to the therapeutic toolbox of practitioners using Exposure and Response Prevention (ERP), this A-Z guide combines evidence-based guidance with inventive, engaging, actionable activities for an extensive list of childhood fears and concerns.

[The Rough Guide to Syria](#) -

Andrew Beattie 2001

The Rough Guide to Syria is the essential guide to this compact but culturally rich Middle Eastern country. Features include: Thorough accounts of all the monuments, from the ancient remains at Palmyra and Ugarit to stately mosques and hilltop crusader castles. Practical advice on shopping in the souks of Damascus and Aleppo and exploring the desert plains. Informed guidance on how to travel independently, and where to eat and sleep, in every price range. Detailed background on the country's history, culture, architecture and politics.

The Little Book of LGBTQ+ -

Harriet Dyer 2021-03-11

Feel confident in the ABCs of LGBTQ+ Language is a key path to awareness, acceptance and empowerment. It's central to understanding the world and the communities we live in, but it can often be tricky to keep up with correct and ever-evolving terminology. This easy-to-use dictionary introduces the most essential

vocabulary surrounding LGBTQ+ identities. Whether you're questioning your own identity or simply interested in learning more, this useful guide will help you navigate the world with knowledge, understanding and kindness.

The A to Z of Mormonism - Davis Bitton 2009-11-25

Mormonism is the unofficial name for The Church of Jesus Christ of Latter-Day Saints, which originated in the early 1800s. Mormonism refers to the doctrines taught by Joseph Smith, doctrines that are believed to be original gospel preached by Jesus Christ. The Mormons oppose abortion, homosexuality, unmarried sexual acts, pornography, gambling, tobacco, consuming alcohol, tea, coffee, and the use of drugs. Despite its relatively young age, the Mormon Church continues to grow, and today it contains about 13 million members. The A to Z of Mormonism relates the history of the Mormon church through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced

dictionary entries on crucial persons, organizations, churches, beliefs, and events. Clearing up many of the misconceptions held about Mormonism and its members, this is an essential reference.

Facets Gay & Lesbian Video Guide - Patrick Z. McGavin 1993

A reference to hundreds of lesbian and gay films and video productions from all over the world. This guide is also a unique source for many rare and hard-to-find videos, and covers the careers of important directors such as Derek Jarman, Chantal Akerman, Monika Treut, etc.

The A-Z of Gender and Sexuality - Morgan Lev Edward Holleb 2019-04-18

There can be confusion around the appropriate terminology for trans and queer identities, even within the trans community itself. As language is constantly evolving, it can be especially difficult to know what to say. As a thorough A-Z glossary of trans and queer words from 'ace' to 'xe', this dictionary guide will help to dispel the

anxiety around using the "wrong" words, while explaining the weight of using certain labels and providing individuals with a vocabulary for personal identification. Having correct and accurate terminology to describe oneself can be empowering, especially with words and phrases that describe gender identity, sexuality, sexual orientation, as well as slang relevant to LGBTQ+ rights and anti-discrimination, queer activism, gender-affirming healthcare and psychology. Written in a traditional A-Z glossary style, this guide will serve as a quick reference for looking up individual words, as well as an in-depth look at trans history and culture.

From Gay to Z: A Queer

Compendium - Justin

Elizabeth Sayre 2022-05-10

This illustrated compendium celebrates LGBTQIA+ history and culture, written by and according to culture icon Justin Elizabeth Sayre! Based on Sayre's five-part show in New York City, *From Gay to Z* is a humorous collection of the rich

legacy of gay culture, told through the letters of the alphabet. From ABBA to addiction, hair and makeup to HIV, Fannie Flagg to fierce, Sayre offers their own perspective on the things that have influenced gay culture today, including iconic figures, historical moments, ongoing issues in the LGBTQIA+ community, and everything in between. As gay culture is always evolving and different for everyone, this book does not serve as a definitive guide—instead, Sayre encourages readers to use this knowledge to reflect on the things that have informed their personal identities. Engagingly written and beautifully designed, *From Gay to Z* is a distinctive and dynamic look at gay culture for LGBTQIA+ readers everywhere. **STRONG VOICE AND ENGAGING CONTENT:** Sayre's writing is lively, engaging, and rich. The entries have their own style and contain humorous anecdotes, facts, commentary, and more—all told through Sayre's animated yet

authoritative voice. BELOVED, WELL-KNOWN AUTHOR: Sayre is active and well-known in the LGBTQIA+ community and beyond. They've been recognized as one of "LA's 16 Most Talented LGBT Comics" by *Frontiers Magazine*, and their debut comedy album, *The Gay Agenda*, was named one of 2016's "Best Things in Comedy" by *The Comedy Bureau*. They host their own podcast, *Sparkle & Circulate*, where they interview performers, writers, and other creative minds of the LGBTQIA+ community. As an activist, Justin's charity benefit show, "Night of a Thousand Judys," raises money for the Ali Forney Center for Homeless LGBTQIA+ youth and is now in its 7th year. Perfect for:

- LGBTQIA+ people of all ages
- Fans of *Trixie and Katya's Guide to Modern Womanhood*
- Those looking for a birthday or holiday gift for their LGBTQIA+ friends and family

Encyclopedia of Contemporary LGBTQ Literature of the United States [2 volumes] -

Emmanuel S. Nelson
2009-07-14

In this two-volume work, hundreds of alphabetically arranged entries survey contemporary lesbian, gay, bisexual, transgendered, and queer American literature and its social contexts.

Comprehensive in scope and accessible to students and general readers, *Encyclopedia of Contemporary LGBTQ Literature of the United States* explores contemporary American LGBTQ literature and its social, political, cultural, and historical contexts. Included are several hundred alphabetically arranged entries written by expert contributors. Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works, while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society. Each entry is written by an expert contributor and lists additional

sources of information. To further enhance study and understanding, the encyclopedia closes with a selected general bibliography of print and electronic resources for student research.

The A to Z of the Lesbian Liberation Movement - JoAnne Myers 2009-08-20

The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy's assumption of male supremacy and heterosexuality. Over the years, much has been written on homosexuality and the Gay Liberation Movement, yet much of the focus has been on male homosexuals, especially male homosexual activity and the politics that activity raises. The A to Z of the Lesbian Liberation Movement: Still the Rage is a comprehensive overview and resource guide for one of the most invisible social political movements: the Lesbian Liberation Movement.

This book helps to make the still-active movement visible—the history, successes, setbacks, controversies, and issues. This book is a good resource for those studying this social political movement, containing a chronology, contextual overview, dictionary entries that cover persons, laws, terminology, issues, and countries, and an extensive bibliography of primary resources and current work.

New Books on Women and Feminism - 2009

The Logic of Intersubjectivity - Darren M. Slade 2020-08-27

To survey harsh criticisms against Brian Douglas McLaren (1956–), readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic. While McLaren's inflammatory and provocative writing style is partly to blame, this study also suspects that his critics base much of their analyses on only small portions of his overall corpus. The result becomes a caricature of McLaren's actual philosophy of

religion. What is argued in this book is that McLaren's philosophy of religion suggests a faith-based intersubjective relationship with the divine ought to result in an existential appropriation of Christ's religio-ethical teachings. When subjectively internalized, this appropriation will lead to the assimilation of Jesus' kingdom priorities, thereby transforming the believer's identity into one

that actualizes Jesus' kingdom ideals. The hope of this book is that by tracing McLaren's philosophy of Christian religion, future researchers will not only be able to comprehend (and perhaps empathize with) McLaren's line of reasoning, but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale.
