Perfect for fans of Tessa Bailey, Ali Hazelwood, and Emily Henry. Jackson Kane is a hot Hollywood A-lister... and the first guy I ever loved. We spent a magical summer together ten years ago, but now he's off dazzling on the red carpet, and I'm... up to my elbows in cranky plumbing, renovating my grandparents' old B&B on Cape Cod. He's the last man I'd expect to run into with a wet T-shirt and no bra (don't ask) — until it turns out, he's shooting his latest movie right here in Blackberry Cove. And he wants me back. There's no way I'm getting swept up in his celebrity circus... until my bitchy cousin lays claim to our family heirloom engagement ring, and I need a fake boyfriend to beat her game. A handsome charmer with perfect acting chops... Now where can I find one of those...? It's supposed to be just for show, but Jackson is determined to show me our chemistry is just as strong as ever. And boy, is he impossible to resist. The Summer Girl a Movie Star Love Story

Red Carpet Erich Schwartzel 2022-02-08 "This is a fascinating book. It will educate you. Schwartzel has done some extraordinary reporting." — The New York Times Book Review "In this highly entertaining but deeply disturbing book, Erich Schwartzel demonstrates the extent of our cultural thrall to China. His depiction of the craven characters, American and Chinese, who have enabled this situation represents a significant feat of investigative journalism. His narrative is about not merely the movie business, but the new world order." —Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* An eye-opening and deeply reported narrative that details the surprising role of the movie business in the high-stakes contest between the U.S. and China From trade to technology to military might, competition between the United States and China dominates the foreign policy landscape. But this battle for global influence is also playing out in a strange and unexpected arena: the movies. The film industry, Wall Street Journal reporter Erich Schwartzel explains, is the latest battleground in the tense and complex rivalry between these two world powers. In recent decades, as China has grown into a giant of the international economy, it has become a crucial source of revenue for the American film industry. Hollywood studios are now bending over backward to make movies that will appeal to China's citizens—and gain approval from severe Communist Party censors. At the same time, and with America's unwitting help, China has built its own film industry into an essential arm of its plan to export its national agenda to the rest of the world. The competition between these two movie businesses is a Cold War for this century, a clash that determines whether democratic or authoritarian values will be broadcast most powerfully around the world. *Red Carpet* is packed with memorable characters who have—knowingly or otherwise—played key roles in this tangled industry web: not only A-list stars like Matt Damon,

Angelina Jolie, and Richard Gere but also eccentric Chinese billionaires, zany expatriate filmmakers, and starlets who disappear from public life without explanation or trace. Schwartzel combines original reporting, political history, and show-biz intrigue in an exhilarating tour of global entertainment, from propaganda film sets in Beijing to the boardrooms of Hollywood studios to the living rooms in Kenya where families decide whether to watch an American or Chinese movie. Alarming, occasionally absurd, and wildly entertaining, Red Carpet will not only alter the way we watch movies but also offer essential new perspective on the power struggle of this century.

a family with heart... In 1970, Violet Hawkins' only wish at eighteen is to escape her life in the Dayton, Ohio, foster-care system and make her way to the west coast to enjoy a mellow life and find the love she's been missing all her life. Lettie makes it to San Francisco, but soon learns she needs a job if she's to live properly. A kind young man named Kenton Chandler offers her a sandwich and a job at his father's inn and vineyards. With nothing to lose, Lettie takes him up on his offer and begins a whole new life in the Willamette Valley, Oregon. She immediately falls in love with the land and is fascinated with the idea of growing grapes to make wines. She, Kenton, and Rafe Lopez become friends as she learns about running the small inn on the property. At the same time she marries Kenton, a stroke kills his father. And then before she can tell Kenton she's pregnant, he dies in an automobile accident. Heartbroken and burdened with the gift of the Chandler Hill Inn and Winery, she's left with the task of making them a success. Struggling to raise a child alone while working to grow the business, Lettie makes a shocking discovery that changes everything. Camilla "Cami" Chandler comes home from France to take over the Chandler Hill Inn and Winery for her recently deceased grandmother, Lettie, as she'd always promised. Determined to succeed in this new venture, she finds herself in trouble from the beginning when she discovers most of her grandmother's estate intended for maintaining the inn and its business expenses was lost in a Ponzi scheme. She forges ahead to provide her guests with wonderful experiences and to produce the best wines in Willamette Valley. After being ditched by her French boyfriend, she decides that being friends with Drew Farley is the safest way to proceed. He loves grape growing and winemaking as much as she does and isn't looking for anything beyond friendship. When a bride planning a wedding at the inn tells Cami that she looks exactly like her best friend, life becomes even more complicated. Never having known even the name of her father, Cami searches for a connection and comes to

realize how complicated love and family can be. Louise “Lulu” Kingsley is thrilled to discover after years of wishing for a sibling, Cami Chandler is her half-sister. When Cami invites her to live at Chandler Hill, Lulu jumps at the chance to leave behind all the heartache in her recent life. Not the spoiled little rich girl the media would like everyone to think, Lulu digs into marketing for the inn and winery, feeling more comfortable there than she ever did in California with her political father. Better yet, her mother is becoming a stronger, happier person and shares the idea of becoming part of a new family. Even though Lulu is aware that Miguel Lopez is the kind of guy who represents everything she’s trying to forget, she’s attracted to him. Following a heartbreaking situation, she steps away from their relationship. Lulu settles in at Chandler Hill, coping the best way she knows—by working hard. But when Cami’s beloved grandfather, Rafe, has a stroke, Lulu realizes life is short and knows she must make things right with Miguel, and learns that home is where your heart leads you.

Hal Wallis Bernard F. Dick 2015-01-13 Hal Wallis might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced -- Casablanca, Jezebel, Now Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies) -- have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked and no full-length study has yet assessed his incredible career. A former office boy and salesman, Wallis first engaged with the business of film as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Bernard F. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

Ann Miller Peter Shelley 2020-09-30 Ann Miller (1923-2004) was an American actress, dancer, singer and author. Best known as a tap dancer, Miller practiced all forms of dance, and some of her solo routines are considered as good as any recorded in film musical history. Despite a reputation as a kook who believed she was psychic, and the potentially flat image of a "glamour girl," Miller's wit, charm and genuine ability to act gave her and her characters depth. This biography presents Ann Miller's career in the context of her fascinating life. Her career began with child acting and included three Hollywood studio contracts, two retirements for marriage, and appearances in film, stage, variety shows, sitcoms and more. She made a comeback in the stage musical *Sugar Babies*, earning a Best Leading Actress in a Musical Tony Award nomination. She was even appointed an international spokesperson for MGM in the ailing years of the studio.
