Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Teenage Soul: The Real Deal Friends - Jack Canfield

2012-10-09

Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis...unless they are the crisis. So What's the Deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice (some good, some bad), they give you a shoulder to cry on. Sometimes they move away, or betray your trust, or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult and wonderful things

Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online

dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you

Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.
