La Storia della Disco Music - Andrea Angeli Bufalini

2019-09-20T00:00:00+02:00

Alla scoperta del pianeta Disco. 2 aprile 1979. Newsweek, con Donna Summer in copertina, titolava: 'Disco Takes Over' (la disco prende il sopravvento). 40 anni fa, dopo più di un lustro di incontrastato regno, la disco music era al suo apice. Trascorsi tre mesi da quell'articolo, una parte dell'establishment tenterà di farla fuori. Invano: era già nel dna della musica. Il volume analizza genesi e sviluppo di un melting pot sonoro, culturale e sociale dalle innumerevoli diramazioni creative: un fenomeno molto amato, ma anche molto osteggiato, che, da movimento underground per minoranze di razza, sesso e ceto sociale, si è evoluto in carismatico trend-setter di massa. Per la prima volta in Italia viene narrata, da prospettive nuove rivolte al contesto socio-culturale dell'epoca, la storia completa della disco music risalendo alle sue radici afro, R&B, soul, funk fino alle contaminazioni con l'elettronica dell'Eurodisco, con un occhio di riguardo riservato alla prima Italo Disco, approfondendo altresì il proliferare delle originarie discotheques che, da Parigi, sono esplose a New York, centro gravitazionale della club culture (The Loft, Studio 54, Paradise Garage) e trampolino di lancio dei nuovi ministri del suono, i DJ e i loro vinili a 12 pollici. Una mappa fondamentale per orientarsi tra le varie correnti assurte a fama mondiale: dalle origini afro di Manu Dibango e della Lafayette Afro Rock Band al solare Miami Sound, dalla disco-stomp di Bohannon alla Febbre del Sabato Sera, dall'orchestrata Philly Sound all'elettronica del Munich Sound di Giorgio Moroder, dalle superstar (Donna Summer, Bee Gees, Chic, Gloria Gaynor, Barry White, Amii Stewart) alle iconiche hits delle meteore ('Ring My Bell', 'Born To Be Alive', 'Funky Town') e dei personaggi più oscuri, dal gay-clubbing di Sylvester e Grace Jones agli 'alieni' atterrati sul dancefloor dai pianeti rock, funk e jazz. Con un focus incentrato nel periodo 1974-1980 (prodromi ed epigoni annessi), La Storia della Disco Music è la prima narrazione completa, ricca di racconti, aneddoti e citazioni, sul caleidoscopico genere che ha contribuito in modo fondamentale all'evoluzione della musica moderna.

Billboard - 2000-04-15

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
