Tropical Lynx's Lover - Zoe

Chant 2019-09-09

He's a handyman lynx shifter who can fix almost anything...Except for his mate's shattered soul. Even a tropical paradise has its problems. When something is broken, Alaskan lynx shifter Travis is always the man for the job. As the handyman in charge of maintaining the beautiful all-shifter resort of Shifting Sands, he's never found anything he can't put back together... until he meets his one true mate. New to being a shifter, curvy Jenny Smith isn't used to having an otter sharing her head, or all of the inappropriate ideas it has. She can't control her shifting, and she can't even remember how to read, let alone return to her life as a lawyer. She finds herself randomly with

whiskers, and wanting to wash her food in saltwater, and now there's a gorgeous man her otter says is her fated mate. But does saying yes to Travis mean losing what's left of her human self? Shifting Sands Resort is a safe haven for shifters of all types, but a storm is coming, and with it, grave danger from Jenny's past. Can Travis rescue his mate and show her how to love her whole self... and himself as well? A perfect mix of hot romance, wild action, and side-splitting humor, *Tropical Lynx's Lover* will sweep you away on a romp reminiscent of TS Joyce, Terry Bolryder, or Sherrilyn Kenyon. Book four of the Shifting Sands Resort series, it is a short standalone novel with no cliffhangers. Contains steamy scenes between a spunky black heroine and a native Alaskan hero who can handle any tool.

If you're looking for an adventure-filled, paranormal, multicultural romance, pick up a copy of Tropical Lynx's Lover today! Fans are raving about this unique series: □□□□ 'This whole series is full of humor, suspense and a wide variety of people/animals to keep you coming back for the next book.' □□□□ 'If only there was a resort like this I would book my one way ticket today!' □□□□ 'I really love this series. The characters are interesting and the stories are wonderful.' □□□□ 'One more great book in my favorite series. Can't wait for the next one.' □□□□ 'Can't wait to see what Zoe brings to the Shifting Sands Resort next!' □□□□ 'This is a Shifting Sands book, I knew it would be good.' □□□□ 'Man! This series has been SO fun!' □□□□ 'This series is a gem and I'm delighted to recommend it to others.'

A Book-Lover's Holidays in the Open - Theodore Roosevelt
2006-05-01

As much a symbol of the nation's adventurous past as he was the very picture of booming

20th-century progress, Theodore Roosevelt politician and soldier, naturalist and historian was still a young man when he left the Oval Office, and he spent the decade after his presidency exploring the world... and sharing his experiences in his inimitable prose. In this 1916 book, he leads us: on a cougar hunt on the rim of the Grand Canyon trekking across the Navajo Desert to a Hopi snake dance across the Andes and Northern Patagonia through bird reserves at the mouth of the Mississippi and much more Roosevelt's rip-roaring, real-life exploits are just as entertaining today as they were a century ago, and serve as a stirring reminder of the breathtaking beauty and lurking danger of the natural world.
