Unmasking Sexual Con Games

Teen's Guide - Kathleen M.

McGee 2003

How can you protect yourself from being intimidated or conned into sexual activity?

What role do alcohol and drugs play in dating violence? How

do you know that someone is trustworthy? What are good boundaries to set in friendships and dating relationships? How

safe are chats in cyberspace?

This book will help you: stay safe in chat rooms; set healthy

friendship and dating boundaries; distinguish "sweet talk" from language lies; recognize when you are being played; avoid situations that encourage unhealthy sexual boundaries; and be smart and successful in every relationship.

What's Right for Me? - Ron Herron 1998

Teaches teens skills to enable them to develop self-esteem and healthy relationships with adults and other young people.

Girls Growing Up on the Autism Spectrum - Shana Nichols 2009-01-15

'This book is not only reassuring; it is inspiring, and bursting with ideas and achievable strategies. The authors write with authority and conviction, and tackle even the most difficult and delicate of topics. If ever you needed to be convinced that girls with ASD can overcome the difficulties and challenges of puberty and adolescence, have successful friendships and relationships and enjoy a healthy sexuality, then take the time to read this book - it is a must-have for families, teachers and therapists alike.' - Sarah Attwood, author of *Making Sense of Sex: A Forthright Guide to Puberty, Sex and Relationships for People with Asperger's Syndrome* Growing up isn't easy, and the trials and tribulations of being a teenager can be particularly confusing for girls with Autism Spectrum Disorders (ASDs). This book covers all the concerns commonly faced by girls with ASDs and their parents, from periods and puberty to worries over friendships and 'fitting in'.

Taking a good look at these adolescent issues, and many more, within the context of specific areas of difficulty for girls with ASDs, the authors provide families with the knowledge and advice they need to help their daughters - and the whole family - through the teenage years. This book addresses core issues such as cognition, communication, behavior, sensory sensitivities, and social difficulties; it gives candid and realistic advice on a wide range of important teenage topics. Providing professional perspectives alongside personal experiences from mothers, daughters and educators, this is a unique and indispensable guide for families and their daughters with ASDs, as well as the teachers and professionals who work with them.

Unmasking Sexual Con Games - Ron Herron 1997

[Dating Violence](#) - Laura La Bella 2015-07-15

Women between the ages of sixteen and twenty-four experience the highest rate of

dating violence—almost triple the national average. Understanding what dating violence is can help would-be victims—whether male or female—avoid getting involved with someone who could become violent, or provide readers much-needed guidance if they are already in a potentially violent relationship. Resources are provided to help victims end an unhealthy relationship and recover both emotionally and physically. Warning signs, causes, statistics, and options for legal recourse are also included.

Unmasking Sexual Con Games

- Ron Herron 2000-09

The leader's guide provides five-sessions for helping teens to recognize emotional manipulation and sexual coercion in relationships. Actual letters written by teens demonstrate how certain language can be used to mask intentions.

Good Night, Sweet Dreams, I Love You - Now Get Into Bed and Go to Sleep! - Patrick Friman 2010-12-22

Child Abuse, Child Exploitation, and Criminal Justice Responses - Daniel G. Murphy 2020-01-08

There are few things in our society that provoke such raw emotions as that of child abuse. Most people, justifiably so, are outraged when they hear of allegations of abuse, and their anger is intensified as they learn of what seems to be an inappropriate criminal justice response. However, the debate on child abuse usually happens through visceral emotions rather than facts. Taking emotions out of a child abuse debate is much easier said than done, but it is of utmost importance to identify the facts. When the reader has a better understanding of the scope of child abuse, they can become more objective but still maintain their passion about ways to protect this vulnerable and targeted population. *Child Abuse, Child Exploitation, and Criminal Justice Responses* is unique in that it offers the reader contributing facts based not only through scholarly research, but practical

experience working in field, from this wonderful collaboration of criminal investigator and forensic nurse. Thus providing much personal insight and demonstrating how these two areas of expertise can join forces to achieve the objective of working as a team to facilitate safeguarding children. The authors also presents the research on this complex yet worthy topic by identifying the unique challenges of investigating these offenses while ultimately bringing the perpetrators to justice, and presenting the research from various perspectives of child abuse including both national and international issues and responses.

No Room for Bullies - Jose Bolton 2011-01-01

Unmasking Sexual Con Games

- Ron Herron 1998

Helping kids recognize and protect themselves from sexual harassment and abuse, set healthy personal boundaries, and develop good relationships. ---front cover.

Safe and Healthy Secondary Schools - Lamke Susan

2011-01-28

Changing Children's Behavior by Changing the People, Places, and Activities in Their Lives - Richard Munger

2011-01-01

Without going through the experience, no one can really know how it feels to have to look for a job. The pain and uncertainty of putting yourself out there, having to ask total strangers to take a chance on you, and the crushing defeat one feels when that dreaded rejection letter or email shows up. Even if you are completely qualified for the position, the lack of certainty can wear on you like nothing else.

"Hunting" for a job simply isn't fun. In this book you will learn nine powerful ways to find and get jobs, even if your background includes some criminal activity. You may think there's no hope but if you read and follow these secrets, you will find that jobs are easier to find than you ever thought. "An incredibly powerful resource

for finding a job, especially if you have a felony. I cannot recommend this book more highly. I found a job in record time using just a couple of these secrets"- John Klien - Former Inmate FCI Sheridan
More Tools for Teaching Social Skills in School - Denise Pratt 2009

Social skills include: expressing empathy, going to an assembly, accepting defeat or loss, using anger-control strategies, responding to inappropriate talk/touch, completing homework, being prepared for class, accepting winning appropriately, and more.

Unmasking Sexual Con Games - Kathleen M. McGee 2003

Ten lesson plans for a teen relationship curriculum that discusses emotional grooming, sexual harassment, dating violence, and the role of the media, drugs and alcohol, as well as how to develop healthy physical, emotional, and sexual boundaries. Coercing or conning a teen into sexual activity, it's called emotional grooming and it happens far

too often to boys as well as girls. Using tactics like flattery, jealousy, and intimidation, the emotional groomer manipulates his or her target into a sexual relationship that can have devastating physical and emotional consequences for the victim. Parents, teachers, and adults who work with and care for youth can help adolescents recognize the signs of emotional grooming and learn to protect themselves from being used or abused. Ten lesson plans give step-by-step instructions to help teens learn how to: recognize emotional grooming and nine distinct emotional grooming tactics; identify distorted thinking and language cons; understand the 12 steps of physical closeness; practice good friendship and dating skills; combat sexual harassment; and avoid intimidation and dating violence. The Leader's Guide also discusses the role of the media, alcohol, and drugs in emotional grooming. Reproducible worksheets are included.

Boundaries - Val J. Peter

2000-01-01

This book invites teens to examine their lives and relationships within a religious context. It begins by helping you define what physical, emotional, spiritual, and sexual boundaries are. Stories of other teens illustrate how personal space and feelings can be either respected or violated in relationships with others. The book's journal format encourages you to reflect on and record feelings about your own relationships. Do people respect your boundaries? Has anyone ever made you feel uncomfortable in some way? Have you ever felt manipulated, intimidated, or mistreated by someone you regarded as a friend? How can you get a friendship that has gone wrong back on track? Use *Boundaries: A Guide for Teens* to help assess your relationships with family, friends, classmates, and God. Learn how to build close and satisfying friendships while guarding against being used or abused by others. Learn what it

takes for you to be a good friend in return.

Guys, Let's Keep It Real -
Farrell Artis 2011-01-01

Unmasking Sexual Con Games - Ron Herron 1997-04

The leader's guide provides five-sessions for helping teens to recognize emotional manipulation and sexual coercion in relationships. Actual letters written by teens demonstrate how certain language can be used to mask intentions.

There Are No Simple Rules for Dating My Daughter! - Laura Buddenberg 2011-01-01

Unmasking Sexual Con Games - Ronald W. Herron
1993-01-01

This booklet is the student handbook for the emotional grooming curriculum. It contains information on identifying and handling sexual harassment and emotional manipulation. A questionnaire helps teens recognize their vulnerability to emotional grooming.
