Her novels were well appreciated, and many were adapted for stage and screen. Excerpt from *The Clever Betsy* ""Hello there!" The man with grizzled hair and bronzed face under a shabby yachting-cap stopped in his leisurely ramble up the street of a seaport village, and his eyes lighted at sight of a spare feminine figure, whose lean vigorous arms were shaking a long narrow rug at a cottage gate. "Ahoy there—The Clever Betsy!" he went on."

How to Quit Your Crush - Amy Fellner Dominy 2020-05-04

Mai Senn knows Anthony Adams is no good for her - no matter how hard she might crush on him. She's valedictorian; he's a surf bum. She's got plans, he's got his art. Complete opposites in every way. Vinegar and baking soda, they once joked. A chemical reaction that bubbled. Yeah, they bubbled. Maybe still do. Good thing Anthony's got the perfect plan: two weeks to prove just how not good they are together. Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don't even get to eat the food (her idea). It's all about the competition, and it's meant to help them finally crush their crushes. But it wasn't supposed to be so hot. Or so fun. And when Mai's future becomes at stake, will she be able to do the right thing and quit Anthony forever?

Taming The Bad Boy Billionaire Three Book Bundle - Sierra Rose
2017-12-28

Jump into a sexy and funny, billionaire romance from USA TODAY and Wall street Journal bestselling author Sierra Rose. This three book bundle includes: Book 1 - The Billionaire's Assistant Book 2 - The

Billionaire's Proposal Book 3 - The Billionaire's Temptation Bonus book 1 - The Billionaire Bargain Bonus book 2 - The Billionaire's Fake Girlfriend My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their dream—a man who knew no limits. No boundaries. Every page—an open book. Over the years, he'd become something of a folk hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to promote. To protect. To shine a spotlight on all the good things—half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus—doing my not inconsiderable part to contribute to the massive global conglomeration that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me. contemporary crush, love story, romance love, new adult romance, billionaire obsession, contemporary romance and sex, romance billionaire series, billionaire bachelors series, billionaire romance,

How to Start a Conversation with Anyone - Joshua Strachan

Here's a question for you... Do your palms get sweaty, your knees weak, your arms heavy and your throat dry whenever there's an opportunity to strike up a conversation with a total stranger? Maybe it's not as grim as I painted it above, but if you ever find yourself hesitant to talk to a stranger, then chances are that you have a social anxiety disorder (SAD). For most people, the bathroom is not just where they lather up, it's also where they have all the perfect conversations they couldn't have with strangers they meet in their daily lives. You may think... they are just strangers; it's not like they are a huge part of my life. But remember

what Rodney McKuen, a best-selling American poet, singer, and actor said? "Strangers are just friends waiting to happen" This is about more than just making friends. It's about making yourself happier, more connected to your communities, mentally sharper, less lonely, and more optimistic about life. Heck, it's about life itself. Smiling at strangers is great, lending them a helping hand is greater. But you know what's even better? Having life-changing conversations with them. Grab this book today and never second guess yourself again in front of a stranger.
