our kids a long list of "do nots" with few words of hope or redemption. Do you want something better for your child? Rediscover God's plan for sexuality and instill a positive perspective of sex and identity in your children. Mom, Dad...What's Sex? will equip you to help your child learn what God's Word—and today's culture—say about sex understand the influence pop culture and social media have on your kid share a gospel-centered, hopeful message with your son or daughter Give your child a healthy view of sexuality grounded in biblical truth—recognizing the gift of intimacy, the reality of brokenness, and the redeeming work of the Savior.

It's So Amazing! - Robie H. Harris 2014-09-09
"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for *It's Perfectly Normal*." —Booklist (starred review)
How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and

babies—and about sex and sexuality, too. *It's So Amazing!* provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of *It's Perfectly Normal*, this forthright and funny book has been newly updated for its fifteenth anniversary.

I Want to Teach My Child about Sex - Karl Wendt 2005

Featuring quick tips, easy-to-use charts, and instantly usable lists and illustrations, this hands-on resource helps parents who want to teach their kids about sex by applying biblical principles.

What We Told Our Kids about Sex - Betsy A. Weisman 1987

What Makes a Baby - Cory Silverberg
2013-05-07

Downloaded from
legacy.opendemocracy.net on 2021-08-10
by guest

Geared to readers from preschool to age eight, *What Makes a Baby* is a book for every kind of family and every kind of kid. It is a twenty-first century children's picture book about conception, gestation, and birth, which reflects the reality of our modern time by being inclusive of all kinds of kids, adults, and families, regardless of how many people were involved, their orientation, gender and other identity, or family composition. Just as important, the story doesn't gender people or body parts, so most parents and families will find that it leaves room for them to educate their child without having to erase their own experience. Written by a certified sexuality educator, Cory Silverberg, and illustrated by award-winning Canadian artist Fiona Smyth, *What Makes a Baby* is as fun to look at as it is useful to read.

Wasted Pretty - Jamie Beth Cohen 2019-04-18
Wasted Pretty is about a sixteen-year-old girl who has to deal with wanted and unwanted attention when she inadvertently goes from

blending in to standing out.

Not My Kid - Sinikka Elliott 2012-08-13

Going beyond the hype and controversy, Elliott examines how a diverse group of American parents of teenagers understand teen sexuality, showing that, in contrast to the idea that parents are polarized in their beliefs, parents are confused, anxious, and ambivalent about teen sexual activity and how best to guide their own children's sexuality.

Everything You Never Wanted Your Kids to Know about Sex, (but Were Afraid They'd Ask) - Justin Richardson 2003

Written by two Harvard-trained doctors, this one-of-a-kind survival guide helps parents stay sane through every stage of their child's sexual development—from infancy to the teen years and beyond. Our generation was supposed to have sex all figured out. We knew it was healthy. We were too cool to ever get flustered. Then we had kids. And when those kids showed up with sexual ambitions of their own, suddenly we

Downloaded from
legacy.opendemocracy.net on 2021-08-10
by guest

didn't feel so cool anymore. In fact, the confusion, fear, and (let's face it) outright panic we felt the moment our five-year-olds started asking, "Mommy, do you like to rub your wiener, too?" might have done our own parents proud. Well, understanding kids' sexuality doesn't have to be an angst-ridden enterprise. With confidence, wisdom, and humor, Dr. Justin Richardson, a psychiatrist and noted consultant on youth and sex, and Dr. Mark A. Schuster, a pediatrician and leading researcher on parenting strategies and adolescent sexuality, help us regain our equilibrium with this remarkable book. Smart, frank, and occasionally hilarious, this comprehensive guide offers practical and often surprising answers to the questions that bedevil parents at every stage in their children's coming-of-age. What do you say when your four-year-old daughter walks in on you having sex? What about when you walk in on her and the girl next door finger painting each other's bottoms? What, exactly, should you tell your third-grader

about sex, and if he says, "That's gross!" does that mean you've said too much? And what about teenagers? Should you buy your son condoms? Should you try to prevent your daughter from having sex? Does telling her to wait actually work? Drs. Richardson and Schuster tackle these and countless other crucial challenges you're likely to face in the first twenty or so years of your children's lives. Packed with the latest research on parenting techniques and childhood sexuality and filled with helpful stories from real parents about what worked (and what didn't) with their kids, this authoritative volume offers advice and comfort to anyone who is hoping to have a productive dialogue with young people about sex. Whether your focus is on protecting your teens from STDs or raising your little ones to understand their bodies, *Everything You Never Wanted Your Kids to Know About Sex (But Were Afraid They'd Ask)* is an indispensable resource that is sure to leave you educated, entertained, and relieved.

How to Talk to Your Muslim Child about Sex -
Firoza Osman 2020-10-26

Our children are growing up in a hypersexualized world. It is a subject that most Muslim parents find difficult and awkward to discuss with their children. This book will lessen that discomfort and build your confidence to tackle this sensitive subject. Firoza Osman outlines how an Islamic foundation when talking to your children about sexual matters from preschool (proper vocabulary, boundaries) to adolescence can help shape a healthy Islamic identity and view of sexuality. How to Talk to Your Muslim Child about Sex offers practical suggestions to address building an Islamic understanding of sex and sexuality- Chapter 1 concerns the challenges of raising children in a digital age. The challenges addressed are peer orientation, cultural norms, sex-obsessed culture, gender-specific issues, pornography, dangers of social media, school environment and muslim-specific challenges Chapter 2 covers

building communication and connection with your children so they come to you for information. How to build a connection with Allah, the self and the family are outlined. It addresses building a connection with Allah through love over fear so they wish to please Him. Connection with self is about building your child's self-esteem so they can confidently hang on to their faith and resist peer pressure. Connection with the family is where values, morality and beliefs are built. Chapter 3 covers how and when to talk about sex with your children. It covers how and when to explain puberty, physical intimacy, dating and healthy relationships, consent, gender issues, pornography with conversation starters for all topics. There are over 70 references included and a list of useful resources around parenting and sex education. Firoza Osman has over 20 years of teaching experience with youth and adolescents, working as a Further Education lecturer in the UK, Educational Assistant with a

In this important and engaging biblical teaching on sexuality, David White helps readers develop a Scripture-based perspective that goes beyond the typical message to just wait for marriage.

How to Talk to Your Child About Sex - Linda Eyre 2007-04-01

Linda and Richard Eyre stress that it's never too soon-or too late-to start discussing sex and

values with your children, and they've got proven strategies to make it easier. For parents who want to go beyond the birds and the bees talk, *How to Talk to Your Child About Sex* provides thoughtful, clear, specific guidance on when and, most important, how to help children begin to learn and understand sex, love, and commitment from the most positive viewpoint possible. Preliminary "as needed" talks with three-to eight-year-olds The age eight Big Talk Follow-up talks with eight-to thirteen-year-olds Behavior discussions and guidelines with eleven-to sixteen-year-olds Discussions of perspective and personal standards with fifteen-to nineteen-year-olds

personal lifestyle book about how to take the guilt out of pleasure and get to the heart of what you need and want in all aspects of life—from family, home, and work to love and sex. *Find Your Pleasure* is a pleasure revolution: where society has told women to feel guilty or ashamed for embracing pleasures, Cynthia Loyst shows you how to get to the heart of what you need and want, in every aspect of life. *Live: Uncover the beauty of everyday moments, celebrate family and friends, find fun and satisfaction in your workdays, and enjoy the immense rewards parenting has to offer—all while being mindful of taking care of yourself.* *Love: Cynthia reveals everything from learning to enjoy your body more, ways to feel intimate and communicate effectively with your partner, and the keys to having better sex.* *Inspire: Find out how to let your creative self bloom, seek out exciting new pathways in life, and let kindness guide you with Cynthia's tips and tricks for mastering mindfulness and meditation. Through her*

insightful anecdotes, Cynthia empowers women to revel in all of life's joys, even the messy ones. Filled with beautiful color photographs, *Find Your Pleasure* is a treat for the soul that you can devour in one go or savor in tiny bites.

[You're Teaching My Child What?](#) - Miriam Grossman 2009-08-04

If you think sex education is still about the birds and the bees, think again. And it's not about science either. In her shocking exposé, *You're Teaching My Child What?*, Dr. Miriam Grossman rips back the curtain on sex education today, exposing a sordid truth. Today's sex ed programs aren't based on science; they're based on liberal lies and politically correct propaganda that promote the illusion that children (yes, children) can be sexually free without risk. As a psychiatrist and expert on sexual education, Dr. Grossman cites example after example of schools and organizations whitewashing—or omitting altogether—crucial information that doesn't fit in with their "PC" agenda. Instead, sex educators

*Downloaded from
legacy.opendemocracy.net on 2021-08-10

only tell teens the "facts of life" that promote acceptance, sexual exploration, and experimentation. What sex educators call an education, scientists would call a scam: • Sex educators won't tell girls their bodies are biologically and chemically more susceptible to STDs; they will only say 3 million girls have a sexually transmitted infection • Educators say it's natural for children to "explore" their sexuality from a young age and only they can decide when it's right to have sex—the real truth is neurobiologists say teen brains are not developed to fully reason and weigh consequences, especially in "the heat of the moment" • Teens are told condoms, vaccines and yearly testing provide adequate protection, without being told that studies now show condoms are no match for herpes, HPV and gonorrhea In *You're Teaching My Child What?*, Dr. Grossman reveals biological truths that you won't find in today's classrooms. *You're Teaching My Child What?* is critical reading for

parents with teens and instrumental in teaching children the truth about sex.

10 Tips on How NOT to Talk to Your Kids about Sex - Audrey Werner 2017-03-20

10 Tips is a book that not only exposes the root of sex education but provides parents with Biblical guidance on how to talk to their kids about God's life process in a calm and modest way.

How and When to Tell Your Kids about Sex - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address Building a Christian understanding of sex and sexuality Developing a healthy dialogue with children about sexuality How and when to

explain sexual intercourse Preparing for the physical changes of puberty Preparing for dating: dealing with romance and sexual attraction Encouraging a commitment to chastity What to do if you're getting a late start telling your kids about sex Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.

[More Than Just the Talk](#) - Jonathan McKee
2015-03-10

Have Real Conversations With Your Kids About Sex The old ways of having the "sex talk" just won't cut it anymore. Sadly, the number one place today's young people go to for answers about sex is Google. Meanwhile, kids view nearly 14,000 sexual references a year on television, and 70 percent of teenagers have encountered pornography on the Internet. If we want our children to know the truth about healthy sexuality, we need to create a comfortable climate of continual conversations. Jonathan

McKee will show you how to move beyond the initial awkwardness of this subject into an ongoing communication with your kids about God's amazing gift of sex. He equips you with what you need to talk openly about dating, temptation, porn, and purity, and you will find answers to tough questions and relevant Scripture on sexual issues. It's normal for kids to be curious about sexuality, and they need to know that their parents are the most reliable source of information. Be the one your kids turn to on this crucial topic. "In a world full of explicit lies, today's kids need parents who aren't afraid to tell them the explicit truth. This book provides parents with the tools they need to have these candid and continual conversations."--Dr. Kevin Leman, New York Times bestselling author of *Have a Happy Family* by Friday "Jonathan McKee is one of America's premier youth specialists, and this book will help you navigate the rough waters of teaching your kids healthy sexuality."--Jim Burns, PhD, president,

HomeWord and author "Parents, take a deep breath. This book pulls no punches. But it will give you exactly what you need to walk alongside your kids at this time when they most need it."--Shaunti Feldhahn, social researcher, speaker, and bestselling author "A thorough, straightforward, and engaging resource that will both equip and inform a parent for effective, culturally relevant, and God-honoring conversations about sexuality and all its implications. It is a critical read in critical times."--Brian Berry, generation ministries pastor, Journey Community Church, La Mesa, California; and author "SO many parents I know don't feel equipped to talk to their kids about sex. This book helps you overcome the (guaranteed) awkwardness of conversations like that, and provides both tools AND motivation. I wish every parent would read it."--Scott Rubin, director of middle school ministry, Willow Creek Community Church "Jonathan McKee provides clarity and practical knowledge so that you and I

can do more than just give a nervous 'talk' to our kids; we can be loving and consistent parents for them as well."--Terry Linhart, PhD, educator, author, Bethel College--Indiana "Kids need parents who are educated, aware, and relevant when it comes to sex. Thankfully, Jonathan McKee gives us powerful, poignant, and practical tools to help us win in this delicate and scary parenting arena."--Doug Fields, co-founder of DownloadYouthMinistry.com, youth pastor for thirty years at Saddleback & Mariners Church, speaker, and author "McKee is a frontline youth worker with current and regular interactions with Christian teenagers wrestling with the intersection of their faith and their sexuality. Never condescending, Jon brings his writing style to a subject I wish more parents were talking about with their teens."--Mark Oestreicher, partner, The Youth Cartel and author "Jonathan McKee's book helps us to remember that 'the talk' is a myth at best, and a terrible strategy at worst. A lifestyle of

preparation, a strategic series of discussions, and a proactive commitment to conversation is what our kids need, and this book will help any parent to walk with their kids in confidence."--

Chap Clark, professor of youth, family, and culture, Fuller Theological Seminary

Sex is a Funny Word - Cory Silverberg

2015-07-28

2016 Winner of the Norma Fleck Award for Canadian Children's Non-Fiction 2016 ALA Stonewall Book Award, Honor Book 2016 ALA Notable Children's Book A comic book for kids that includes children and families of all makeups, orientations, and gender identities,

Sex Is a Funny Word is an essential resource about bodies, gender, and sexuality for children ages 8 to 10 as well as their parents and caregivers. Much more than the "facts of life" or "the birds and the bees," Sex Is a Funny Word opens up conversations between young people and their caregivers in a way that allows adults to convey their values and beliefs while providing information about boundaries, safety, and joy. The eagerly anticipated follow up to Lambda-nominated What Makes a Baby, from sex educator Cory Silverberg and artist Fiona Smyth, Sex Is a Funny Word reimagines "sex talk" for the twenty-first century.
