Rozar - Sue Mercury

The otherworldly stranger is the biggest, fiercest looking alien warrior she's ever seen...and she's already agreed to become his mate. Nadia knows if she stays on Earth, her mob boss ex-husband's goons will eventually find her. When the opportunity to become a Vaxxlian Mail Order Bride arises, she can't sign up fast enough. She's soon matched with a huge, fierce-looking alien warrior named Rozar who wants to mate with her upon their very first meeting. Whoa there. Slow down. She's desperate to escape Earth, but she also wants to be sure Rozar is a kind, decent alien before she commits to spending her life with him. She rushed into her first marriage and look what that got her—a one-way ticket into the Witness Protection Program. But the clock is ticking. The ship that brought Rozar to Earth departs in two weeks. Should she take a chance on the handsome otherworldly stranger whose kisses make her melt? Or should she rush back to her hideaway and hope for the best? One glance at the little human called Nadia and Rozar knows she's the female meant to become his. Her bottomless blue depths mesmerize him and her sweet demeanor calls up his protective side. He wants nothing more than to claim her and bring her back to New Vaxx. But the dark-haired beauty is reluctant to mate with him, despite his promises to always keep her safe and provide for her and their future offspring. Before he can convince her of his devotion, the little human disappears without a trace. Word of her dangerous past reaches him and he's more determined than ever to protect her, even if vanquishing her enemies means she no longer has a need to leave Earth. But he's just as determined to claim her as his, and Rozar will do whatever it takes to convince Nadia she's meant to be his female for all time.

[My Greenhouse](#) - Bella Mayo 2021-09-21

A debut collection exploring the experience of first love and heartbreak through poetry, from actress and artist Bella Mayo. My Greenhouse is a collection of poems inspired by the author's first romance, beginning with the seeds of infatuation, blooming for a time into real love, and then eventually dying back, making room for new growth. The pieces evoke the feelings of enchantment, uncertainty, pain, and ultimately healing that come with your first love and heartbreak.

[Bayou Springs Alien Mail Order Brides Box Set: Books 1-3](#) - Deanna Chase

Meet the Arnot Brothers of the Bayou Springs Aliens... Zeke... Opal Zimmerman is the new girl in town. All she wants is a safe haven from an oppressive alien race. What she gets is an out of this world man who pushes all the right buttons. Zeke Arnot isn't looking for love. That bell doesn't ring twice. But when he opens his home to a human on the run, he quickly learns she might not be the only one who needs saving. Gunn... Eight years ago, Kennedy Frazer was too afraid to hand her heart to another. Terrified she'd repeat the mistakes of her mother, she fled. Now she's back and determined to fight for who she knows is rightfully hers. When it comes to love, Gunn Arnot has been there and done that. It's not something he's interested in repeating. But when the love of his life walks back through his door, and he's forced to pretend to be her fiancé as they complete a mission for the IDA, what he thinks he wants and what he actually needs are two very different things. Echo... Naomi Amsden has a past—one that will follow her forever. Now she's in Bayou Springs with a choice to make: live with the guilt of her secrets or join the resistance and betray the only family she has left. The moment Echo Arnot lays eyes on the fiery redhead, he knows she's the one. But no matter what he does, she seems determined to push him away. Fortunately for both of them, he's a man who never gives up. *Previously published under the pen name Kenzie Cox*

[100 Greatest American and British Animated Films](#) - Thomas S. Hischak 2018-04-20

Animation has been a staple of the filmmaking process since the early days of cinema. Animated shorts had been produced for decades, but not until 1937 did a major studio venture into animated features when Walt Disney produced Snow White and the Seven Dwarfs. Of the hundreds of animated feature films made since, many have proven their importance over the years while also entertaining generations of audiences. There are also many recent animated movies that promise to become classics in the field. In 100 Greatest American British Animated Films, Thomas S. Hischak looks at the most innovative, influential, and entertaining features that have been produced since the late 1930s—from traditional hand-drawn works and stop-motion films to computer-generated wonders. These movies have been selected not simply because of their popularity or critical acceptance but for their importance. Entries in this volume contain plot information production history critical reaction commentary on the film's cinematic quality a discussion of the film's influence voice casts production credits songs sequels, spin-offs, Broadway versions, and television adaptations awards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since. Familiar favorites and lesser-known gems are included, making the book a fascinating journey for both the avid animation fan and the everyday moviegoer. With a sweeping look at more than eight decades of movies, 100 Greatest American and British Animated Films highlights some of the most treasured features of all time.

Thade - Sue Mercury

That awkward moment when the hunky alien you just met proposes marriage... Alien warrior and single father Thade needs a human bride. He travels to Earth, hoping he'll be matched with a sweet human who will help him raise his four energetic children. When the first human matched to him backs out of their mating contract, he's forced to seek out a bride on his own. But the moment he meets Alana, the golden-haired beauty who's supposed to watch his offspring while he goes "out on the dating scene," he realizes his search need not go any further. She's the only human for him—even if she doesn't agree yet. One way or another, he's taking her back to New Vaxx with him. Alana is shocked when she shows up at her newest babysitting gig to find out she's supposed to watch four alien children—three of whom are taller than her. She's stunned speechless when their hunky father proposes marriage to her within minutes of her walking through the door. Thade seems like a nice alien and a loving father, but she has her whole life planned out

on Earth. But as she gets to know him better, she cannot imagine watching him leave her planet with another woman as his bride. Could she really find happiness on a faraway world?

The Rozabal Line - Shawn Haigins 2007-09-21

The tomb of Rozabal in Kashmir has contained the body of a great saint called Yuz Asaf since 112 A.D. But who was Yuz Asaf and what secret does the ancient tomb contain? Father Vincent Morgan is unwittingly sucked into the Rozabal tornado when flashes of his own previous lifetimes reveal some uncomfortable truths about the life and death of Jesus Christ. Vincent is soon caught in the crossfire between the Osama-bin-Laden inspired warriors of Islam, led by Ghalib-bin-Isar, and the fundamentalists of the Crux Decussata Permuta. The secret held securely within Rozabal for two millennia threatens to upset the world's balance of power. Zipping around the world caught up in a whirlwind of events, people, religion and time, from Jesus to Muhammad; from the Crusades to 9/11; from the Vatican to the White House; from Skull & Bones to the Illuminati; from Buddhist meditation to past-life regression; from the Virgin birth to nuclear destruction; and from Mary Magdalene to Osama-bin-Laden; The Rozabal Line has it all.

Braxx: Dakonian Alien Mail Order Brides #6 (Intergalactic Dating Agency) - Cara Bristol 2019-11-07

She's given up on love, but love hasn't given up on her... If there's anything Holly Hansen has learned, it's that falling for a persuasive charmer is a sure path to a broken heart. It happened when her fiancé abandoned her just when she needed him most. Everything about the smoking-hot alien, Braxx, reminds her of her ex: his good looks, his confidence, his persistence. He won't take no for an answer and shows up night after night at the restaurant where she works. It's enough to wear a girl down, make her doubt her convictions, maybe hope that love can conquer the heartbreak of the past... Dakonian Braxx is a simple man with simple needs: find a good woman and have a big family. With females in short supply on his planet, he heads for Earth through the Intergalactic Dating Agency. The instant he meets Holly Hansen, his horns begin to throb, and he realizes she's the ONE. His Fated mate. He can't wait to settle down with her and make beautiful babies together. Unfortunately, she doesn't seem to recognize they're meant to be together. But he didn't come this far to give up easily, and he hopes that with patience and baby steps, he'll win her heart. Just when it seems he'll succeed, Holly's past comes back to haunt them. Can a heartbreak be too deep for love to fix?

Shadow: Alien Castaways 4 (Intergalactic Dating Agency) - Cara Bristol 2021-04-22

Their perfect love may demand the ultimate sacrifice. Tragedy sends clairvoyant Mandy Ellison to seek refuge in the small town of Argent, Idaho. Her ESP failed her, and now she's closing her eyes to the second sight forever—until Shadow, an alien from planet Topia, comes into her healing and wellness center with a request. Will she help him find a mate? Time has run out for Shadow. His genetics have been programmed with a self-destruct sequence. If he doesn't bond with a genmate, a female carrying the same mating gene, he will die. But how will he find her? The new clairvoyant in town offers his last desperate hope for survival. As Shadow and Mandy work together to locate a genetic match, the star-crossed pair fall in love. Unfortunately, every indication shows they are not genmates. Will Mandy find him a mate, hand him over to another woman, and save his life—or will Shadow decide true love is worth dying for? Shadow is a heart-tugging, sensual, happily-ever-after alien romance in Alien Castaways series.

Cutlass - Ellis Leigh 2016-09-23

These aliens are looking for love in all the wrong solar systems... Cutlass never thought he'd be stuck on some backward planet in a solar system with only one sun. Earth wasn't his home, but he'd find a way to survive there if it meant finding a mate. He could put up with their ancient mechanical devices and a name that wasn't his own for the right woman. Chloe never imagined she'd sign up to be some sort of modern-day mail order bride. But too much wine and an internet connection were a bad combination, especially when the life she imagined seemed so much greater than the life she was living. Everyone stretches the truth on those dating websites, right? One ad in a space station, one night of too much drinking, and one hotel room that will never be the same. What would you do if you found out the man from your fantasies was actually the man from your science fiction?

Twelve Years A Slave, Illustrated Edition - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
