In Pursuit of Eliza Cynster -

Stephanie Laurens 2011-09-27

The pleasure of your company is requested at the wedding of Miss Eliza Cynster . . . but not until she's rescued from a daring abduction by the most unexpected of heroes! Brazenly kidnapped from her sister Heather's engagement ball, Eliza Cynster is spirited north to Edinburgh. Desperate

and determined to escape, she seizes upon the first possible champion who happens along—gentleman scholar Jeremy Carling. Villains and rescues are a far cry from Jeremy's expertise, yet he cannot abandon a damsel in distress. But danger lurks and hurdles abound in their race to escape the mysterious laird, until a final confrontation on

awindswept cliff reveals what
their future life could hold—if
both are bold enough to
capture and own
the unexpected love they now
share.

Expectativas democráticas -
Gabriel Marques Fernandes &
Pedro P. Silva (orgs.)

2023-09-25

*Expectativas democráticas: o
Brasil a partir de*
representações culturais reúne,
em um esforço reflexivo dos

membros do Grupo Interdisciplinar de Estudos Culturais e Linguagens na Contemporaneidade, coordenado pela Profa. Dra. Rosângela Patriota na Universidade Presbiteriana Mackenzie (UPM), textos que foram produzidos ao longo do ano de 2022, quando “novas” expectativas democráticas pulsavam em nossos horizontes políticos públicos dado o calor das eleições gerais. Por inspiração da conjuntura e dos debates feitos em torno de A Teia do Fato: uma proposta de estudos sobre a memória histórica (1997), de Carlos Alberto Vesentini, a obra partiu da seguinte questão: quais são os diferentes significados da democracia? Se o passado, como destacado por Walter Benjamin em suas teses Sobre o Conceito de História, não pode ser tomado como uma imagem “eterna”, ou um conjunto isolado de eventos que falam por si só, é necessário questionarmos a historicidade das memórias que mobilizam diferentes experiências e expectativas

pretéritas, problematizando as forças da sociedade que compuseram os mecanismos de esquecimento e lembranças de nossa cultura por meio do retorno ao processo histórico. É nesse sentido que o objetivo principal deste livro foi acolher de forma democrática a diversidade interdisciplinar de pesquisas do grupo de estudo. Assim, múltiplas representações, sensibilidades e manifestações culturais permitiram refletir sobre a pluralidade das significações da democracia.

Estilo Ageless - Eliane Bodart
2023-01-23

O livro fala da mulher madura, as 40+, 45+, 50+, que reescrevem a história conquistando seu espaço no mundo e abrindo portas que nem sabiam que existiam. Fala sobre a mulher que alcançou prestígio e independência financeira, liberdade sobre seu corpo, e é dona da sua vida, mas, agora que não precisa provar nada para ninguém, está buscando maior equilíbrio na vida e nas relações afetivas. Essa mulher não quer mais

carregar o mundo nas costas. Ela quer dividir tarefas e responsabilidades e definir novos papéis. Ela sabe que pode até ser sozinha, então quer mais dos seus companheiros. Quer ser amada e quer ser feliz. O livro relata os caminhos percorridos por essa mulher. As dores e amores vividos. As dificuldades enfrentadas. Fala de mulheres fortes e suas fragilidades. De seus sonhos e objetivos. E do preço que deve ser pago para alcançá-los. São retratos da mulher que está novamente reescrevendo sua história.

Responsabilidade civil e direito de família - Ana Carla

Harmatiuk Matos 2021-07-07

A obra coletiva "Diálogos entre Responsabilidade civil e direito de família: O Direito de danos na parentalidade e conjugalidade", consiste em mais um empreendimento do Instituto Brasileiro de Estudos de Responsabilidade Civil (IBERC), aqui estruturado no sentido de sistematizar as ainda imprecisas fronteiras entre as duas disciplinas no direito brasileiro. Para tanto,

os coordenadores Nelson Rosenvald, Ana Carolina Brochado Teixeira e Renata Vilela Multedo optaram por fracionar o conteúdo de 36 artigos em três eixos temáticos. O primeiro eixo: "responsabilidade civil na parentalidade" ilustra os potenciais ilícitos e danos decorrentes de relações filiais; o segundo eixo explora a "responsabilidade civil na conjugalidade", evidenciando hipóteses diversas que dão ensejo à obrigação de indenizar tendo como ponto de partida o cenário das relações amorosas. Finalmente, o último eixo "a reconstrução da responsabilidade civil nas famílias contemporâneas" avança sobre os desafios da conjugação entre o direito de danos e a complexidade das múltiplas formações familiares. *Beethoven* - Edmund Morris 2009-10-13

Buckley, Forbes “This is not just criticism but poetry in itself, with the additional—and inestimable—merit of being true.” — Washington Post Book World Pulitzer Prize-winning author Edmund Morris (The Rise of Theodore Roosevelt, Theodore Rex, Dutch) is one of America’s most distinguished biographers, known for his rich, compulsively readable prose style. His biography of Beethoven, one of the most admired composers in the history of music, is above all a study of genius in action, of one of the few giants of Western culture. Beethoven is another engaging entry in the HarperCollins’ “Eminent Lives” series of biographies by distinguished authors on canonical figures.

With My Dog Eyes - Hilda Hilst 2014-04-29

Hilda Hilst (1930–2004) was one of the greatest Brazilian writers of the twentieth century, but her books have languished untranslated, in part because of their formally radical nature. This translation of With My Dog-Eyes brings a

crucial work from her oeuvre into English for the first time. With My Dog-Eyes is an account of an unraveling—of sanity, of language . . . After experiencing a vision of what he calls “a clear-cut unhopedor,” college professor Amós Keres struggles to reconcile himself with his life as a father, a husband, and a member of the university with its “meetings, asskissers, pointless rivalries, gratuitous resentments, jealous talk, megalomaniacs.” A stunning book by a master of the avant-garde.

The Course of Love - Alain de Botton 2016-06-14

Of Death - Hilda Hilst 2018

Downloaded from
legacy.opendemocracy.net
on 2023-03-08 by guest

Poetry. Latinx Studies.

Translated by Laura Cesarco Eglin. If life is no more than a prolonged flirtation with death, then Hilda Hilst's *OF DEATH. MINIMAL ODES* is the true account of a lifelong seduction. It is at once both a reverie and reliquary, as the poet imagines and reimagines that most paradoxical moment of disintegration--the corporeal flesh fusing with death's own dark corpus. With a visceral-mystical poetic voice that is as teasingly unrestrained as it is intellectually sublime, Hilst's odes enact a baroque danse macabre, where the poet revels in the incongruities of simultaneously seeking the sacred and profane.

Translating the first collection of Hilda Hilst's significant body of poetry to appear in English, Laura Cesarco Eglin renders the imagery and philosophical complexity of these minimal odes with brio, while preserving the playful tone and lush melodies that mark *OF DEATH. MINIMAL ODES* as uniquely Hilstian. "The spare but ornate poems in this

collection are startling the way a menagerie of creatures can be startling when the creatures themselves are composed of animal bits: claw, fur, 'brain and hooves / in the pitch dark.' Each minimal ode addresses death who becomes at times a lover, a sister, a slow-moving and wild mammal ever arriving. Hilst builds 'passageways' for death with each line--corridors which are 'Intricate. In knots.' The reader cannot help but join the poet in calling out the various names for death: 'Amber / Bundle of flutes / Gutter / Light.' And these are rendered stunningly in English by Laura Cesarco Eglin, who carries over every verse with clarity and care as though she were holding up pieces of glass to sunlight."-- Carolina Ebeid "Before gaining notoriety for her highly original, experimental, and provocative works of fiction, Hilda Hilst engraved her name in Brazilian literary circles as a poet. *OF DEATH. MINIMAL ODES*, newly and assuredly translated by Laura Cesarco Eglin, shows Hilst the poet at

her distilled best. As much a multimedia conversation with poetry as with life, death, and herself, Hilst poses essential questions whose answers lie at the core of these poems."--John Keene "In OF DEATH.

MINIMAL ODES by Brazilian writer Hilda Hilst, death and poetry are lifelong bedfellows. In fact, they engage in a natural partnership, or, to borrow from the poet herself, a sisterhood-in-dialogue that is at once serious and seductive, playful, perilous, and habitual. Hilst's creative wordplays and tonal spectrum, by contrast, are extraordinary, and Laura Cesarco Eglin's translation matches her inventiveness with equal illumination. Hilst's verses affirm the common ground that exists between life and death, and carry with them a vibrant, volatile charge that accompanies this complicit union."--Marguerite Itamar Harrison, Associate Professor of Portuguese and Brazilian Studies, Smith College "The poetry of Hilda Hilst is fundamental--in every sense. Thanks to Laura Cesarco Eglin,

who has accepted the challenge of translating these verses brimming with sensuality and music, a little more of Hilst's work is made known to the world. I welcome this partnership."--Adriana

Liquid Love - Zygmunt Bauman 2013-05-03

This book is about the central figure of our contemporary, 'liquid modern' times - the man or woman with no bonds, and particularly with none of the fixed or durable bonds that would allow the effort of self-definition and self-assertion to come to a rest. Having no permanent bonds, the denizen of our liquid modern society must tie whatever bonds they can to engage with others, using their own wits, skill and dedication. But none of these bonds are guaranteed to last. Moreover, they must be tied loosely so that they can be untied again, quickly and as effortlessly as possible, when circumstances change - as they

surely will in our liquid modern society, over and over again. The uncanny frailty of human bonds, the feeling of insecurity that frailty inspires, and the conflicting desires to tighten the bonds yet keep them loose, are the principal themes of this important new book by Zygmunt Bauman, one of the most original and influential social thinkers of our time. It will be of great interest to students and scholars in sociology and in the social sciences and humanities generally, and it will appeal to anyone interested in the changing nature of human relationships.

Tristezza per favore vai via -

Riva Alberto 2014-07-03

A partire dalla follia collettiva del Carnevale, Alberto Riva giunge in Brasile alla scoperta di un universo mitico e malinconico, lasciando la parola a una sfi lata di musicisti e cantanti, artisti e architetti, poeti e scrittori, calciatori e gente di strada. Con disincanto e passione ci restituisce le infinite sfumature di una nazione straordinaria.

Storie, ricordi, segreti e aneddoti: tutto concorre a costruire una memoria che, tra schiavitù, guerre e colpi di stato, si perde in un passato coloniale quasi mitico. E che ritorna con i gol di Garrincha, le suggestioni di Oscar Niemeyer, i versi di Vinícius de Moraes e Tom Jobim, le voci di Elis Regina, Caetano Veloso e Maria Bethânia e arriva fino a oggi, un presente in bilico, fatto di miseria e violenza ma anche di seduzione, esuberanza e riscatto. È un viaggio a ritmo di samba e bossa nova attraverso l'incontenibile e incantevole natura che ancora oggi deborda nel cuore di Rio de Janeiro, la gastronomia vissuta come un irrinunciabile rito sociale, la mitologia del calcio celebrato come una vera religione nazionale nel tempio del Maracanã, il più grande stadio del mondo. Un viaggio nella cidade maravilhosa dove tutto riesce a convivere in maniera incredibilmente armonica: le colline delle favelas - tra criminalità, droga e disperazione -, i futuristici grattacieli sul mare, le favolose

spiagge di Ipanema e
