They call her Crazy Anna. Anna Flint won't shake your hand. She collects tin cans. She cleans her cubicle at work with Lysol several times a day. But Anna doesn't care that they call her crazy. She's absolutely satisfied with her life of perfect organization, cleanliness, and most of all, solitude. Matt Harper likes Anna Flint. He likes that she's the smartest person he knows and he likes her big blue eyes. He doesn't even mind her can collection. In fact, he pretty much likes everything about Anna. As his body and his world are falling apart, she still manages to make him happy. Matt is the only person Anna has ever wanted to be close to. But how can she go on a date with him if the thought of dinner at a restaurant fills her with terror? How can she ever kiss the man she loves if she can't even touch him? Maybe it's time to stop being Crazy Anna. If only she could.

Crazy Over You - Ari 2017-03-15

"You a real ass woman, and I like it. I like you, Moriah. Like really like you. I just want to be with you." "Isaiah, you know I'm taken... You know I'm with him and going to be with him forever." "That's not what you were moaning and screaming in my ear last night." When an innocent British girl falls for a dangerous yet charming American, what's the worst that could happen? Moriah Washington never would have imagined that she would be engaged to a man in prison, who had been sentenced to two years due to the possession of a firearm. Damien Carter was the bad boy that Moriah never saw coming. Bad boys weren't ever on her hit list, and Moriah didn't even care for them until Damien came along and changed everything, giving her access to a world of Hollywood luxury, wealth, endless love, and nothing but out-of-this-world sex. When her man is taken away, Moriah does what she believes in her heart is the best thing to do. She steps up to the plate to hold him down all alone. She patiently waits for him like any loyal woman would do, but after he is released, they slowly begin to drift apart. Instead of working on building a stronger foundation with her, Damien focuses more on running the streets and spending excessive time with his boys. The rejection causes Moriah to find comfort in someone else's arms. Someone who is as cocky, confident, and as classy as they come. Someone who makes her feel like the most beautiful woman in the world and treats her like the Queen she truly is. No matter what she does or how hard she tries, she can never seem to get him out of her mind. Is Moriah willing to throw away a four-year relationship and engagement that she waited so patiently for? Is she strong enough to walk away from the man who has held her heart for years to suddenly be with a man that warms her heart in a way that has never been done before? Follow Moriah on this journey of passion, deceit, and true love. The new lover of her life may be the boss of Moriah's heart, but is Moriah sure she's ready for the man she has unintentionally fallen for? A man who just happens to be the nephew of the infamous Damien Carter. Moriah's dirty little secret won't only cause destruction but could also end up leaving her life in jeopardy. What's a woman to do when she's so crazy in love?

Quinn Taylor has grown up always doing what was right and, likens herself to a modern-day David taking on the Goliaths of the world. Goliaths such as the CEO of Thornhill Management. Playing babysitter and muse to the overindulged CEO was not what she had in mind, but with mounting debt making even a cup of coffee a luxury, Quinn's ready to swallow her pride and get in bed with the devil. Something that, the more time she spends with the man, becomes increasingly enticing. But the stakes are too high for either of them to risk an interoffice fling...until an unexpected trip to Quinn's hometown brings a long-denied simmering attraction to a boil. They'll have to decide what they're willing to risk and how far they're willing to fall if love doesn't conquer all.
