Everyone's got a type, but Anna's got a non-type:

Asian guys. She's been traumatized by her own family and she's not looking to double the trouble. Besides, she's busy chasing her dream of becoming a music journalist, and she's going to march towards it single-mindedly--and single, if need be. But when she meets a handsome stranger on a flight to a wedding, she's reluctantly charmed. Intrigued. Seduced. Too bad he's not her type. Ian has a great tech job, a beautiful Williamsburg condo, and rock-hard abs. He can even climb V7 and send 5.12. But does he have what it takes to climb the big walls around Anna's heart? Love, like climbing, requires hard work, commitment, and of course, good communication with one's partner. They'll need all three, plus a little help from their friends, if they don't want to go it solo. Praise from early readers: "Jen's debut novel is witty, fast-paced, and a joy to read. A book I didn't want to put down, and made me laugh out loud multiple times. Think Meg Cabot-style fun meets millennials, with the associated techies, foodies,

and climbers we all know and love. Can't wait to see what happens on the rest of the series!" - Romance reader and expert at V0s and the occasional V1 "Surprises and chemistry abound! I will also never think of bathrooms in quite the same way." - JD, fellow romance author "This book really improved my grip strength, I couldn't put it down!" - Yosemite Climber & New Romance Reader "I found it extremely hard to put the book down once I started. I was so enthralled in this smoldering romance between Anna and Ian with a twist of climbing. It's a must-read!" - Artist, V3 / 5.11a climber "I really enjoyed this book! I love both a good romance and climbing, so this was a welcome melding of the two! - Voracious reader / 5.11 climber [I Have a Crush on You](#) - Essystar Relationship 2019-06-23
