Puck - 1880

Films Famous, Fanciful, Frolicsome & Fantastic - John Reid 2006-04  
Remember "Humpty," the talking camel? You'll find him in this book, along with a host of other legendary characters from Alice in Wonderland through the Mysterious Mr Wong to Wild Bill Hickok. Movie stars featured include Lon Chaney, Kay Francis, Buster Keaton, Greta Garbo, Constance Bennett, Adolphe Menjou and Will Rogers. Directors include John Ford, Cecil B. DeMille, Ernst Lubitsch and Fred Zinnemann. It all adds up to many hours of pleasure for classic movie fans who can thumb through details of award-winning films, popular pictures, and little-known masterpieces that deserve wider recognition. Yes, there are famous "B" movies too, like "Sleepers West" and its re-make, "The Narrow Margin."

**Flirtation Walk** - Siri L. Mitchell 2017

Trying to escape the shambles her con-man father has made of their reputation, Lucinda Curtis arrives in West Point, New York, determined to land a husband from the military academy. Campbell Conklin is first in his class and Lucinda thinks he'll make the perfect husband. But kind, smart Seth Westcott also has taken a liking to her.

Vitaphone Films - Roy Liebman 2010-08-19

The headline of the Variety extra on October 27, 1926, proclaimed "Vitaphone1 Thrills L.A.!" Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or that have been so carefully restored, preserve much of the show business history that might otherwise have been lost with the

industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926-1940) are listed first, followed by the West Coast productions (1927-1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.

*Ruby Keeler* - Nancy Marlow-Trump 2005-12-01

"You're going out a youngster, but you've got to come back a star," Warner Baxter told Ruby Keeler in the 1933 film 42nd Street. The actor's scripted words would prove prophetic. The film propelled her to stardom. Ruby Keeler's rags-to-riches story is told in this pictorial biography (with text as well). Born on August 25, 1910 in Halifax, Nova Scotia, her father an iceman, her family moved to New York City in 1912. Soon enrolled in the Professional Children's School, she got her first taste of life on the stage, eventually finding her way to Broadway. Her dancing brought her the pivotal role in 42nd Street and she was soon one of the most popular actresses in Hollywood. Her performance in No, No, Nanette in 1971, her first Broadway show in 41 years, met with rave reviews. Keeler's life, including her ill-fated marriage to performer Al Jolson, is recounted here, with many never-before-seen photographs.

Come and meet those dancing feet! The lyrics from "42nd Street" still evoke fantastic memories of Busby Berkeley and actress, dancer, and singer Ruby Keeler, who is best-known for starring with Dick Powell in musicals produced at Warner Bros., notably 42nd Street (1933), Golddiggers of 1933 (1933), Footlight Parade (1933), Flirtation Walk (1934), and Go Into Your Dance (1935). Ruby's life and career was no tap dance. Underage at fourteen, she first danced where the underworld meet the elite in New York speakeasies during the Prohibition Era. Plucked from obscurity and thrust onto Broadway in musicals, she captured the attention of Florenz Ziegfeld, and she soon appeared in his Whoopee! with Eddie Cantor and Show Girl (1929) with Jimmy Durante. Topsy turvy Hollywood converted to talking pictures that were first popularized by Al Jolson in The Jazz Singer (1927). Jolson met Ruby, and their eleven-year turbulent marriage swept the two of them into widely publicized movie successes, yet their acclaim stood on shaky ground. In this first-ever book by actor and singer Ed Harbur, discover Ruby's childhood, her early career, her idyllic second marriage, and her phenomenal return to Broadway after twenty-seven years to star in No, No, Nanette. Tragedy followed the triumph, when Ruby suffered a life-threatening stroke, yet she emerged to enjoy a long and successful recovery and served as a champion advocate for stroke victims. The four-part book spans sections devoted to Biography, Film Appearances, Stage Appearances, and TV and Short Subject Appearances. Illustrated with hundreds of never before seen photographs, including stage and screen productions and candid shots of Ruby at work and in private life. Index. Bibliography. "Too Marvelous for Words: The Life and Career of Ruby Keeler by Ed Harbur serves as a valentine to one of the most beloved stars of the stage and screen. Known to film buffs as the wife of the great

Al Jolson, I was pleased to see Ruby receiving her due considering she is often overshadowed by Jolson's larger-than-life career. She sacrificed her principals and refused to follow the dictum of Hollywood, and documents the details behind her recovery from a severe brain aneurysm. The first 128 pages focuses on her biography, loaded with archival photographs, followed by extensive documentary on each of her motion-pictures. If Keeler was nervous behind the camera, Harbur found evidence and documented it. This is the kind of book you pull off the shelf when Turner Classic Movies screens Ruby Keeler movies, so you can read the behind-the-scenes making-of before the movie begins." - Martin Grams Jr.
