

# For The Love Of Maude The Dear Maude Trilogy Book 2

**Forever Maude** - Denise Liebig 2017-05-25

A Time Travelling Romantic Suspense Novel FOREVER MAUDE is the third book of The Dear Maude Trilogy. The first two, DEAR MAUDE and FOR THE LOVE OF MAUDE, follow the journey of a college graduate, Emily Stanton, whose first job is anything but conventional. Thrust into the mysterious world of time travel, Emily learns to survive by baring her soul and secrets within the pages of a journal she addresses to her great-great-aunt, Maude, and by losing her heart in a romance that knows no boundaries, including time. ".imaginative, well-written, and difficult to put down." Heartbroken, carrying a bag of antique coins and the heavy burden of her aunt's untimely death, Emily leaves the world of time travel and her beloved husband, Dell, behind. It doesn't take long for her youth, beauty, and valuable coins to assist her in finding a new life in the Italian nightclub scene of the 1980s. Regardless of which time she is occupying, however, Emily cannot escape her past or forgive herself for the lives she ruined. So when that past finds her, Emily must choose between her new life and an uncertain future with the loved ones she abandoned. And that's the easy part. After reunions and parallel lives once again pull at Emily's heartstrings, a new romance and all its problems might be her only hope for a normal life--the one she had before becoming a time traveler. But can she ever go home? Or is her lone outlet found within the pages of a new journal--a safe haven of sorts--inspired by a woman who never changes, a woman who remains forever Maude?

*Fellowship Point* - Alice Elliott Dark 2022-07-05

"A magnificent storytelling feat" (The Boston Globe) story of lifelong friendship between two very different "superbly depicted" (The Wall Street Journal) women with shared histories, divisive loyalties, hidden

sorrows, and eighty years of summers on a pristine point of land on the coast of Maine, set across the arc of the 20th century. Celebrated children's book author Agnes Lee is determined to secure her legacy—to complete what she knows will be the final volume of her pseudonymously written Franklin Square novels; and even more consuming, to permanently protect the peninsula of majestic coast in Maine known as Fellowship Point. To donate the land to a trust, Agnes must convince shareholders to dissolve a generations-old partnership. And one of those shareholders is her best friend, Polly. Polly Wister has led a different kind of life than Agnes: that of a well-off married woman with children, defined by her devotion to her husband, a philosophy professor with an inflated sense of stature. She strives to create beauty and harmony in her home, in her friendships, and in her family. Polly soon finds her loyalties torn between the wishes of her best friend and the wishes of her three sons—but what is it that Polly wants herself? Agnes's designs are further muddied when an enterprising young book editor named Maud Silver sets out to convince Agnes to write her memoirs. Agnes's resistance cannot prevent long-buried memories and secrets from coming to light with far-reaching repercussions for all. "An ambitious and satisfying tale" (The Washington Post), Fellowship Point reads like a 19th-century epic, but it is entirely contemporary in its "reflections on aging, writing, stewardship, legacies, independence, and responsibility. At its heart, Fellowship Point is about caring for the places and people we love...This magnificent novel affirms that change and growth are possible at any age" (The Christian Science Monitor).

**Falling Angels** - Tracy Chevalier 2009-04-17

'Vividly imagined' Sunday Telegraph 'Sex and death meet again in [a] marvellous evocation of Edwardian England' Daily Mail

*Sweep of the Blade* - Ilona Andrews 2019-07-16

Maud Demille is a daughter of Innkeepers—a special group who provide 'lodging' to other-planetary visitors—so she knows that a simple life isn't in the cards. But even Maud could never have anticipated what Fate would throw at her. Once a wife to a powerful vampire knight, Maud and her young daughter, Helen, were exiled with him for his treachery to the desolate, savage planet of Karhari. Karhari killed her husband, and Maud—completely abandoned by his family—has spent over a year avenging his debts. Rescued by her sister Dina, she's sworn off all things vampire. Except... In helping Dina save the world, she met Arland, the Marshal of House Krahr, one of the most powerful vampire houses. One thing led to another and he asked for her hand in marriage. She declined. Arland is not used to hearing the word 'no;' and try as she might, Maud can't just walk away from Arland. It doesn't help that being human is a lot harder for Maud than being a vampire. To sort it all out, she accepts his invitation to visit his home planet. House Krahr is extremely influential and Maud knows that a woman—a human, with a very questionable past—who's turned down a proposal from its most beloved son won't get a warm reception. Maybe she's not sure about marrying Arland, but House Krahr isn't going to decide for her. Maud Demille has never run from a fight, and House Krahr will soon discover that there's a lot more to Maud than they're expecting.

**War and Peace II** - Leo Tolstoy 2022-05-30

Have you taken a deep breath after the drama and conflict of volume one? It's time to dive into 'War and Peace II' - and it does not slow down. With Russia bruised by Napoleon's victory at the Battle of Austerlitz, Tolstoy goes for close-ups of the three main male characters, Pierre, Nikolai and Denisov. It is not entirely pretty. Amidst the backdrop of Tolstoy's philosophical discussions on life and death and the inevitability of war, the characters become embroiled in gambling debt, love triangles, intrigue and broken promises. There are more twists than Chubby Checker and more dramatic moments than in 'EastEnders'. Leo Tolstoy's masterpiece in four volumes is a complete semester of Russian and French history, using the zoom button to focus on its impact on

families from the aristocracy to the peasants. It paints a picture of petty jealousy, pride and forbidden love in the Russian stately homes. If you like costume dramas and the novels of Jane Austen ('Pride and Prejudice', 'Sense and Sensibility'), this is the granddaddy of them all. The same goes for fans of Bernard Cornwell's 'Sharpe' novels and TV series', starring Sean Bean. 'War and Peace' was made into a BBC TV series in 2016, written by Andrew Davies and starring Lily James and James Norton. Leo Tolstoy (1828-1910) was a Russian author, a master of realistic fiction and one of the world's greatest novelists. Tolstoy's major works include 'War and Peace' (1865-69) and 'Anna Karenina' (1875-77), two of the greatest novels of all time and pinnacles of realist fiction. Beyond novels, he wrote many short stories and later in life also essays and plays. In the years following the publication of 'War and Peace' Tolstoy - who was born to a Russian aristocratic family - had a spiritual awakening that made him a committed Christian anarchist and pacifist. His philosophy inspired Mahatma Gandhi and Martin Luther King Jr.

**For the Love of Maude** - Denise Liebig 2017-05-20

A Time Travelling Romantic Suspense Novel Hiding in history isn't the thrill Emily thought it would be--but neither is time travel. When her husband, Dell, is seriously injured in an accident meant to free her from her past, Emily is left to await his recovery alone. Traversing time without the man of her dreams becomes a nightmare with no apparent end until her husband's younger self, Shane, arrives--handsome, arrogant, and ready to challenge Emily's feelings for a husband who might not survive his injuries. Inspired by the memory of Maude, her beloved great-great-aunt, Emily tries to escape her new life, only to discover that she may have just risked everything for the love of Maude. Take a journey in time with Emily. Get your copy! FOR THE LOVE OF MAUDE is the second book of The Dear Maude Trilogy. The first, DEAR MAUDE, is the award nominated story of a college graduate, whose first job is anything but conventional. Thrust into the mysterious world of time travel, Emily learns to survive by baring her soul and secrets within the pages of a journal she addresses to her great-great-aunt, and by losing her heart in a romance that knows no boundaries, including time.

**Maude Brown's Baby** - Richard Cunningham 2012-09-01

Orphaned by the hurricane that wrecked Galveston, Texas, in September 1900, aspiring photojournalist Donald Brown has all but abandoned hope of learning who his parents might have been. He exploits what most consider a handicap: his nearsightedness. With extraordinary close vision he discovers clues to his origins in the photo of himself as an infant. He helps find a missing photographer by analyzing film from a damaged camera, and he gains the friendship of a young woman in distress.

Donald's quest begins on September 8, 1918, anniversary of the Great Storm. War in Europe drags on, and he must soon register for the draft. Meanwhile, his friend Jake needs help finding a news photographer who is missing after an assignment in Galveston. Jake, a mercurial and ambitious womanizer, has ties to the island's nascent mafia. Donald finds himself more involved as clues point to murder. When Donald's new friend, Clara, reveals a cache of photos that survived the storm, he discovers both the tragedy of his family and the source of his passion for photography. *Maude Brown's Baby* is the first in a series of historical mysteries that trace the life and career of Donald Brown.

*The Princess and the Absolutely Not a Princess (Miranda and Maude #1)*

- Emma Wunsch 2019-02-05

Princess Miranda is horrified when her parents insist she attend public school, especially because Maude, who sits next to her in 3B, is everything the princess finds most offensive.

**The Forget-Me Knot** - Denise Liebig 2021-06-14

When a beloved heirloom bridges the past with the present, can a young woman bury her dead to build a future with the living? Portland, Oregon, 2018 Natalie Lane has never been in love. Twelve years after her father's premature passing, she's still caring for her heartbroken mother.

Determined to avoid a similar future, Natalie focuses on her therapy practice instead of romance. But when a man claiming to be a ghost enters her office, a man only she can see, she realizes that her

overworked mind might need a rest. Fearing a nervous breakdown, Natalie goes on sabbatical to England, leaving everything behind except her cherished Celtic trinity-knot pendant... her forget-me knot. Before she can relax, however, the man appears again, stalking her throughout the British Isles. And her problems only mount when a visit to a local pub reveals an eerie connection to a former life and love. The more she learns about her past, and her necklace's link to it, the more Natalie's much-needed vacation turns into a journey of self discovery that threatens her very soul. Can the forget-me knot's secret help Natalie leave her past behind so she can finally find true love? *The Forget-Me Knot* is a captivating standalone supernatural novel. If you like paranormal ghost romances filled with romantic suspense, historical fantasy, and stories drawn from real past-life experiences, you'll enjoy this enlightening tale. Get your copy today! *Who Is Maud Dixon?* - Alexandra Andrews 2022-03

A "stylish and sharp" character-driven suspense novel, "with wicked hairpin turns," about a famous novelist and a small-town striver locked in a struggle for fortune and fame. (Maria Semple, author of *Where'd You Go, Bernadette?*) Florence Darrow is a low-level publishing employee who believes that she's destined to be a famous writer. When she stumbles into a job the assistant to the brilliant, enigmatic novelist known as Maud Dixon -- whose true identity is a secret -- it appears that the universe is finally providing Florence's big chance. The arrangement seems perfect. Maud Dixon (whose real name, Florence discovers, is Helen Wilcox) can be prickly, but she is full of pointed wisdom -- not only on how to write, but also on how to live. Florence quickly falls under Helen's spell and eagerly accompanies her to Morocco, where Helen's new novel is set. Amidst the colorful streets of Marrakesh and the wind-swept beaches of the coast, Florence's life at last feels interesting enough to inspire a novel of her own. But when Florence wakes up in the hospital after a terrible car accident, with no memory of the previous

night -- and no sign of Helen -- she's tempted to take a shortcut. Instead of hiding in Helen's shadow, why not upgrade into Helen's life? Not to mention her bestselling pseudonym . . . Taut, twisty, and viciously entertaining, *Who is Maud Dixon* is a stylish psychological thriller about how far into the darkness you're willing to go to claim the life you always wanted. One of the Most Anticipated Books of 2021 GoodReads \* LitHub \* CrimeReads \* Town & Country \* New York Post \* Wall Street Journal  
*Missing* - Cornelia Spelman 2010-12-30

Spelman skillfully draws the reader into the elation and sorrow that accompany the discovery of a family's past. A profoundly loving yet honest elegy, *Missing* is, like the woman it memorializes, complex and beautiful. "--Book jacket.

*Books in Print* - 1954

*Dear Maude* - Denise Liebig 2017-03-26

Upstate New York, 2012. Emily Stanton, a sociology major, graduates from college and is obligated to work for the mysterious company that funded her education. But a job with Evergreen Research Corporation is not what she expected. From fancy balls and operas to corsets and kid gloves, Emily learns to be a specialist in 1910 society. In the process, she finds herself fully immersed in the lives of wealthy aristocrats and industry leaders, whose thirst for power leads them to manipulate everything, including time. Thrust into this strange and dangerous world, Emily becomes their most important asset. Unable to trust her coworkers or her surroundings, however, Emily finds herself alone-with her very survival in the hands of a handsome stranger, Wendell Beringer.

Unfortunately, Emily soon discovers that he has a few secrets of his own. Can she trust this man or the feelings she develops for him? Only time will tell. Follow Emily's unexpected journey, where journal entries to her deceased aunt and the powerful secrets they contain, become her only link to the life she once knew and the future she must choose to follow.

*The Good, the Fab and the Ugly* - Rachel Maude 2008-10-01

Fashion isn't everything. It's the only thing. Halloween comes to Winston Prep and the newly named teen fashion label POSEUR introduces this

season's must-have accessory: a red-hot handbag called the Trick-or-Treater. But whose design is sweetest? Janie, Petra, Melissa, and Charlotte all insist: Mine. You see the problem? Good thing, then, for the sweetness of revenge. Time to dust off that costume and put your best mask forward. 'Tis the season for candy, conflict, and couture. *The Good, the Fab, and the Ugly* is the second juicy novel in the stylish and hilarious new series from the publisher of the national bestselling *Gossip Girl*, *The Clique*, *The It Girl*, and *The A-List*. Includes 5 do-it-yourself patterns by real-life fashion label Compai and fashion sketches throughout by the author!

**The Blue Castle** - Lucy Maud Montgomery 2023-09-14

"The Blue Castle" tells the story of a young woman named Valancy Stirling, who lives a dull and uneventful life in the restrictive and judgmental society of the early 20th century. She is unmarried and lives with her overbearing mother and cousin, and has resigned herself to a life of spinsterhood and conformity. However, everything changes when Valancy receives a devastating medical diagnosis that gives her only a year to live. This news acts as a catalyst, prompting Valancy to break free from the constraints placed upon her and start living life on her own terms. She decides to leave her oppressive family environment and embrace her dreams and desires. Valancy's journey takes her to the fictional Blue Castle, a place of love and freedom that exists only in her imagination. In this imagined space, she meets a mysterious man named Barney Snaith, who becomes a symbol of hope and adventure in her life. Through "The Blue Castle," Montgomery explores themes such as self-discovery, the power of imagination, and the importance of living authentically. The novel challenges societal norms and expectations, highlighting the barriers placed on women during the early 20th century. Valancy's transformation from a meek and submissive woman to a vibrant and independent individual is both inspiring and empowering. Montgomery's writing is vivid and evocative, immersing readers in the beauty of the Canadian landscape and the emotions of the characters. Her descriptions of nature and the Blue Castle itself transport readers to a place of enchantment and possibility. The author's knack for creating

memorable characters shines through in Valancy's journey, as well as in the supporting cast that includes eccentric family members and quirky townspeople. "The Blue Castle" stands apart from Montgomery's more famous works due to its departure from the author's usual setting of Prince Edward Island. The novel is set in the fictional Muskoka region of Ontario, providing a fresh and captivating backdrop. This change of scenery adds another layer of charm and uniqueness to the story. Overall, "The Blue Castle" is a delightful and heartwarming tale of self-discovery, courage, and love. It portrays the transformative power of embracing one's true desires and finding joy in unexpected places. Montgomery's masterful storytelling and the endearing characters make this a book you won't want to put down.

*A Great and Terrible Beauty* - Libba Bray 2010-05-01

It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And what will her entanglement with Spence's most powerful girls - and their foray into the spiritual world - lead to?

*Jilted In January* - Kate Pearce 2016-01-25

A Year Without a Duke The duke has died. Long live the duke! The only problem is no one knows who the new Duke of Beckworth is. All of England wonders, but no one more so than the people who depend upon Beckworth for their livelihood. In 1816, a year so cold that the word "summer" is a cruel joke, that livelihood is even more uncertain. However, they are all about to find out, with the duke away, there is nothing more warming than scandal and love... Jilted in January Rose Leyton is stuck at the Duke of Beckworth's country estate waiting for the return of her betrothed. If it wasn't for the handsome assistant land agent, Mr. Colin Ford, she might believe she had ceased to exist at all. But when her intended arrives things aren't quite how she expected. As the youngest son of an impoverished peer, Colin is all too aware of how it

feels to be ignored. His impulsive offer to save Miss Leyton from an unwanted marriage quickly becomes more serious than either of them anticipated. Can they both step out of the shadows and find a way to true independence and happiness? When matrimonial matters don't go quite as planned, can one jilted bride and an unlikely hero save the day? Other books in A Year Without a Duke: Book 1: JILTED IN JANUARY by Kate Pearce; Book 2: FORBIDDEN IN FEBRUARY by Suzanna Medeiros; Book 3: SEDUCED IN SEPTEMBER by Genevieve Turner; Book 4: AN AFFAIR IN AUTUMN by Jennifer Haymore; Book 5: A DUKE BY DECEMBER by Sabrina Darby

**The Sweet Far Thing** - Libba Bray 2010-07-01

It has been a year of change since Gemma Doyle arrived at the foreboding Spence Academy. Having bound the wild, dark magic of the realms to her, Gemma has forged unlikely and unsuspected new alliances both with the headstrong Felicity and timid Ann, Kartik, the exotic young man whose companionship is forbidden, and the fearsome creatures of the realms. Now, as Gemma approaches her London debut, the time has come to test those bonds. As her friendship with Felicity and Ann faces its gravest trial, and with the Order grappling for control of the realms, Gemma is compelled to decide once and for all which path she is meant to take. Pulled forward by fate, the destiny Gemma faces threatens to set chaos loose, not only in the realms, but also upon the rigid Victorian society whose rules Gemma has both defied and followed. Where does Gemma really belong? And will she, can she, survive?

*The Queen of Swords* - R. S. Belcher 2017-06-27

1720. Escaping the gallows, Anne Bonney, the infamous pirate queen, sets sail in search of a fabulous treasure said to be hiding in a lost city of bones somewhere in the heart of Africa. But what she finds is a destiny she never expected . . . . 1870. Maude Stapleton is a respectable widow raising a daughter on her own. Few know, however, that Maude belongs to an ancient order of assassins, the Daughters of Lilith, and heir to the legacy of Anne Bonney, whose swashbuckling exploits blazed a trail that Maude must now follow—if she ever wants to see her kidnapped daughter again! Searching for her missing child, come hell or high water,

Maude finds herself caught in the middle of a secret war between the Daughters of Lilith and their ancestral enemies, the monstrous Sons of Typhon, inhuman creatures spawned by primordial darkness, she embarks on a perilous voyage that will ultimately lead her to the long-lost secret of Anne Bonney—and the Father of All Monsters. One of the

most popular characters from The Six-Gun Tarot and The Shotgun Arcana now ventures beyond the Weird West on a boldly imaginative, globe-spanning adventure of her own! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
