A More Perfect Union - Hana Schank 2006-02-07
Hana Schank had never given much thought to her wedding, or even really imagined herself married, so when she found herself suddenly sporting a brand-new engagement ring she assumed planning a small, low-key wedding would be no big deal. But soon she finds herself adrift in Wedding Land, a world where all brides

are expected to want to look like Cinderella, where women plan weddings with fantasy butterfly themes, where a woman's wedding is, without question, the Happiest Day of Her Life. Despite her best efforts not to become a Bridezilla, Hana finds herself transformed from a thirty-year-old woman with a 401(k) into a nearly unrecognizable version of herself as she spends weeks crafting save-the-date cards, worries about matching her cocktails to her wedding colors, and obsessively reads Martha Stewart Weddings magazine. She decides that, if she is going to follow traditions like wearing white and walking down the aisle with flowers, she at least wants to understand why. In her search she turns up interesting wedding facts: bridesmaids, for instance, were originally recruited to confuse evil spirits. Ultimately, she casts a critical eye on the \$72 billion wedding industry, from the women at wedding websites who cackle over the etiquette missteps of others to wedding magazines that provide checklists of 187 tasks to

plan the perfect wedding, suggesting that to have anything less is to fail as a bride, as a woman, as a wife. Part confessional memoir, part social critique, *A More Perfect Union* chronicles a year in Wedding Land, capturing as it does not only the stresses but the undoubted joys of becoming a bride.

How to Impress A Girl and Get Her Attention - ARX Reads

Sometimes it's the smallest thing that makes a lasting impression. A single smart comment or a couple of small gestures can really impress a woman, while an offensive remark or a display of carelessness can utterly doom your chances. A woman will decide relatively quickly whether or not you're date-worthy, and all the little things you do or don't do will help her make up her mind. With these realities in mind, we've put together this list of the top 10 simple ways to impress a woman. Nothing complicated here. Nothing time-consuming or exceptionally difficult. But this list of habits, comments, and behaviors could make the difference between getting her number and getting a dirty look.

Do you want to learn practical ways to seducing her, take her on date, getting her into the bed and win her heart? Do you want to learn the Secrets to eliminate anxiety and increase your social confidence? If yes, then keep reading... The idea of remaining objective rather than subjective is to provide you with clarity. The way you remain objective is to remove your ego from all social interactions with women. For example, picture the woman you want to approach online or in person as a friend of yours. Assume you already know her; this will help calm your nerves for the initial approach. This works especially well if you get anxious just before a first date. The reason you want to picture her as a friend is because it removes that mental block of thinking she is a complete stranger thus freaking yourself out for no reason. Remember in your mind you may be intimidated to be around her but to me or any other guy she would just be another girl. She only holds the value you create. How crazy is it for you to think someone

is too good for you just based on her outer appearance? Unless you're psychic there is no way to assume this. Now, since you are human you may still feel slightly hurt if you misinterpret selection for rejection. If you still feel bothered or hurt then do something that will bring your confidence back up. Say to yourself: I am the captain of my fate, the master of my soul; I have the power, only I am in control and I now release myself of this negative thought. So if you are getting nervous being around or even approaching just know that you are the only one who is provoking that state of mind. The guy who is able to remove his ego from the social situation knows that even if he doesn't get the desired outcome he wants from the approach or from the date, he is remaining objective because what others think or feel of you have no tangible power over you, meaning if you want freedom you can't let someone else dictate your state of mind. You are special, there is only one of you in the entire world, so the woman who you decide

to give a chance to just won the lottery. When you become the best version of yourself you will no longer have approach anxiety. Start small-talk with strangers every now and then, make more eye contact with people, and smile more. This will dramatically increase your comfort level when you realize there is nothing to fear. The invisible obstacle of approach is non-existent, because the obstacles you place in front of yourself I can't see, therefore have no effect over me and I will approach whoever I want. Like Shakespeare said, "Nothing is either good or bad, only thinking makes it so." This book gives a comprehensive guide on the following: How to attract women What is approaching The best ways to approach Warm approaches Eliminating approach anxiety How to beat insecurity and neediness Tell yourself you're great how to flirt with a woman over texts How to get the guy of your dreams. How to have confident body language Kick things off with light flirting Texting tips to get more dates Why

with how good the storyline is... and that conclusion, never saw it coming!' Goodreads Reviewer, [REDACTED] She threw open the door, running to the crib. When she looked inside, she gasped. The world around her went silent. Inside, there was nothing but a small stuffed elephant. Where was her baby? When young, single mother Hannah is found murdered by the banks of a twisting Oklahoma creek, her one-year-old daughter sleeping in a stroller near her body, the small town of Dead Woman Crossing reels in horror. Detective Kimberley King, recently relocated from New York to Oklahoma, with her young daughter Jessica, can't ignore the similarity of Hannah's death to the case of Katie James, the woman that the town of Dead Woman Crossing is named after. Katie was murdered in front of her small daughter in 1905, on the banks of the same creek, and it seems that someone is drawing inspiration from the crime. Could this killer be a copycat? But as she interviews suspects, Kimberley is met with blank

faces and closed lips. In a small town, people won't talk and when she pursues a promising lead, her own family turn their back on her. Kimberley isn't afraid to ask questions, but when she receives a threatening note, she realises that, as a single mother to a young daughter, she might be putting herself dangerously in the killer's sights ... A gripping, atmospheric crime thriller inspired by true events, about a town on the edge of collapse and a murder that shakes the community. Dead Woman Crossing is perfect for fans of Rachel Caine, Lisa Regan and Jane Harper. Readers are loving Dead Woman Crossing: 'This book is simply excellent through and through. The lead character of Kimberley King is destined to become one of the great characters in the genre... the dialogue is punchy and begs you to just go for one more chapter, and the atmosphere is phenomenal. I truly felt like I was in the town where it was all taking place, the wind brushing my face as I hear the wheat stalks sway. J.R. Adler is a dynamite talent

On the coldest day in Macon, Georgia's recent history, Suzanne Gray dressed herself in white, tied a blue ribbon in her hair, gathered a bouquet of white roses, typed a suicide note, lay herself down on her lover's grave, and froze to death. Or did she? Suzanne's niece doesn't think so. Neither does mystery writer Jennifer Marsh. Not only was the note not signed, but, well, honestly the whole thing sounds fishy to Jennifer and she can't let it go. Sam Culpepper, the reporter on the case and Jennifer's boyfriend, not only appears to be hiding some of the details from Jennifer but seems more interested in taking their relationship to the next level than discussing work. So why, then, does an engagement announcement for Sam and his ex-girlfriend appear in the paper the next day? Did Suzanne commit suicide or was she murdered? Did Suzanne's lover really die from a slip on the stairs? Does Sam have another relationship that Jennifer knew nothing about? What will it take to

solve these mysteries? When the bullets start to fly, Jennifer knows that she'd better figure out what's happening, or she'll be paying with more than her heart... she'll be paying with her life. "Jennifer Marsh is a delight—resourceful, funny, and impulsive..." Laura Lippman "...the solution to the mystery is a kicker..." The Mystery Review "Bright and snappy, DYING O GET HER MAN is a fast-paced read." Romantic Times "DYING TO GET HER MAN...is as engaging and entertaining as any Agatha Christie mystery."
