Nude Awakening - Penny Clarke 2020-08-06 Rylie swears she's not a prude. How was I to know the art course my best friend signed me up for meant I'd be sketching a nude model? I should have checked the fine print. Then I never would have—quite literally—bumped into Levi Hart moments before he dropped trou in class. He can turn up the charm all he wants—I'm not sleeping with the guy that starred in a sex tape circulating campus last year (and no, I didn't watch it. Much). Even if the more he takes his clothes off, the more it turns me on, it's not happening. Levi is no stranger to nudity. Yes, I was in that video. But I'm trying to put that behind me, which is why I'm doing this art class modeling gig. Now, I just need to convince Rylie Stone to overlook my past mistakes...and maybe not run away every time I get naked. Rylie can deny it all she wants, but I've seen how she stares at my body. She wants me. And I want her. So I'm pulling out all the stops (and taking off all my shirts) until she realizes just how much fun can be had when you go after what you want.---NUDE AWAKENING is Book One in the MAIN DESIRE series. It is a full-length standalone new adult college romance featuring twerking leopards, steamy shenanigans with a shirtless football player, and lots of catastrophically bad puns about felines.

Hard Time - Cara McKenna 2014-04-15 In this all-new novel from the author of *After Hours* and *Unbound*, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither

imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. Praise for Cara McKenna and her novels "Cara McKenna is my go-to author for gritty, hot love stories full of honest emotion."—Victoria Dahl, USA Today bestselling author "McKenna writes dark, lush, erotic romance."—Heroes and Heartbreakers "Sweet, smoking hot, standout erotic romance."—Beth Kery, New York Times bestselling author Before becoming a purveyor of smart erotic romance, Cara McKenna worked as a lousy barista, a decent designer, and an over-enthusiastic penguin handler. She loves writing sexy, character-driven stories about strong-willed men and women who keep each other on their toes...and bring one another to their knees. Cara now writes full-time and lives north of Boston with her bearded husband. When she's not trapped in her own head, she can usually be found in the kitchen, the coffee shop, or jogging around the nearest duck-filled pond.

The Play - Elle Kennedy 2019-10-07

A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

Engines of Desire - Livia Llewellyn 2011
Death and pleasure. Freud's Todestrieb, his statement that "libido has the task of making the destroying instinct innocuous, and it fulfils the task by diverting that instinct to a great extent outwards....The instinct is then called the destructive instinct, the instinct for mastery, or the will to power." Few authors have spun stories of Thanatos and Eros as skillfully and powerfully as Livia Llewellyn. In his introduction to this volume, Laird Barron writes "Scant difference exists between exquisite pleasure and pain." An orphan girl with a mind for anthracite falls into the hands of a cult worshipping an entombed god. In the Pacific Northwest, evergreens lull prepubescent girls into their trunks to serve as wombs. A suburban housewife troubled by her present encounters the sixteen year-old girl she ached to touch in her dreams. These ten stories promise to indulge a reader's sensibilities, their fears and desires. A finalist for

Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his cara, his beloved.

Though she agrees to the arrangement for her family's sake, Sienna struggles with the promises she's made to herself and a past that still haunts her. Hard Desires (Sexy Stories Collection Volume 46) - Shala Breece 2014-04-01

Hard Desires is the fourth short story collection from erotica author Shala Breece. This collection features three tantalizing M/F stories of black, interracial and paranormal erotica. Following a break-up with her cheating boyfriend, Kesha meets a delicious new man who can satisfy her every desire; Laura takes a new job with an incredibly attractive boss, and must decide whether to keep her feelings for him a secret; and finally, Julian the vampire has a unique touch with every woman he has sex with, but this is not necessarily a good thing. Hard Desire's three unique stories contain plenty of sexy action to satisfy everyone's carnal desires. The Man With The Chocolate Rod After a heart-wrenching break up with her boyfriend, Kesha decides to go clubbing as part of the first step on her journey to find herself. She meets the handsome Damian Rod, who keeps the drink flowing at the club. They soon find themselves back up against the wall in the club grinding to the music while he explores her entire body inside and out. Kesha, fueled by her sensations of his touch, invites him back to her house and indulges in his big dark chocolate rod. Soon enough she finds herself unable to stay away from Damian and his goodies. When her ex-boyfriend comes back to her on his knees with a beautiful diamond ring and keys to her dream car, Kesha must choose between her new lover and their erotic adventures or her old love with whom she can presumably settle down and start a family. His Personal Secretary A new job with one of New York's most affluent attorneys is Laura's dream come true. However, she soon realizes that working with Chris Satin means long nights at the office, late night dinners with his clients, and a battle to conceal her attraction to him. When he invites her to his condo one night during a snow storm, they quickly find themselves giving in to suppressed desires. Laura is left lightheaded from the experience. But when his estranged wife returns with news of a baby on the way, Laura's dreams of being with Chris are crushed. But is Chris's ex-wife trying one of the oldest tricks in the book just to win her man back? Torn: Sacrifices Of A Vampire Prince As the heir to the Melosy Clan,

Julian has his work cut out for him. Julian Devon is a vampire, but not an ordinary vampire. The Melosy Clan had developed a resistance to the effects of sunlight; they could move about in the daylight with little ill effect. Julian moves around in the daytime, satisfying his lust for beautiful women. But there's just one problem. These women all seem to be having a negative reaction to his vampire touch. He is forced to decide whether he will allow these possessed women to roam the streets, killing any and everyone in their path, or whether he can destroy the women he loves.

Stolen Desire - Robin Lovett 2019-07-15

Koviye My people call me the Sex God, but I, Koviye of the Fellamana, am so much more. I read their every desire and satisfy them with a mere touch of my hands. I'm sworn to share my powers, and this thing humans call monogamy is biologically impossible for me, or so I thought until I met the human, Jenie, Lieutenant General in the rebellion against our mutual enemy determined to destroy us. Now, as though Jenie has some power over me, I cannot think of touching anyone but her. Jenie I've dreamt of Koviye every night since I landed on this sex planet where every breath I take is an aphrodisiac to my blood. I am not fully human, I am part alien, and the planet has awakened my body's instinct to find a mate. The next person I have sex with I will form an attachment for life,

which is impossible for the Sex God. I have a rebellion to lead. Mating a polyamorous alien would ruin me. I can never have him, no matter how much I burn for him. But I need his help. My best friend was taken prisoner by our enemies, the Ten Systems, and the only person with a ship fast enough to save her is Koviye. And all those dreams I've been having about him aren't just dreams, he tells me. They're real. He can dream walk, so if I can't have him while I'm awake, at least I can have him in my dreams—as if that will ever be enough. A Shadow in the Ember - Jennifer L. Armentrout
 2021-10-19
 #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never

been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.
